Five Drafted, 62 Take Exams During September

Five Madison County young men were inducted into the armed services during September and 62 reported for physical examinations for the draft.

Among the inductions were three young men from the Alton area and two from Granite City. The local draftees were Charles James Young and Dennis Vogel. The number inducted was the lowest for any one month since May and was far fewer than the 42 young men inducted in August.

The number of examinations during the month likewise fell from 103 in August to 62 in September. Inductions for October are expected to rise sharply from September as 62 young men are being called to report for military service.

The actual September call was 20 for inductions but 15 men either enlisted, obtained deferments or otherwise escaped the draft.

A total of 88 young men are being called for draft examinations next month, a slight rise from the 94 called in September.

Induction calls next month are for 22 Quad-City area men and 15 Edwardsville men.

College Recruiter to Visit GCHS Students

Ralph Silverio, admissions counselor at National College of Education, Evanston-Wilmette, will be at Granite City High School at 12:30 p.m. Wednesday, Oct. 11, to talk with students interested in attending the college.

Ray McConkey, faculty member at the high school, is in charge of arrangements for Silverio's visit.

The oldest private college for elementary school teachers, National College of Education offers a program of liberal arts in teacher education, awarding the bachelor of arts degree in the Undergraduate College, and the master of education, master of arts in teaching and master of science in education in The Foster G. McGraw Graduate School.

EDWARDSVILLE — Open Friday Night

AIR FORCE RESERVE TRAINEES. Thirteen two-year Air Force Reserve Officers Training Corps cadets have enlisted in the Air Force Reserve at Southern Illinois University at Edwardsville. From left to right, front row, are William McCune, Madison; Kim Barnett, Alton; Randie Larussa, Hillsboro; Lt. Col. Charles Johnson, and Lt. Col. James Eberwine of the SUE AFROTC program; George Vern Iland, Mascoutah, and Roy Tobin, East St. Louis. Back row, left to right, are Brian McDonald, Belleville; Thomas Grywach, Fairview Heights; John Fraley, Belleville; Gilbert Grimmer, East St. Louis; Leonard Stirling, Nashville; William Wittenborn, Cahokia, and Douglas Buechler, East St. Louis. Barnett, Buechler, McDonald, Wittenborn and Stirling will receive full two-year AFROTC scholarships. Terry R. Guebert, Wood River, is not in the photo.

SIUE Dental School Dedication Set Tuesday

Gov. Richard B. Ogilvie will be principal speaker at formal dedication ceremonies for the Southern Illinois University School of Dental Medicine at 2:30 p.m. Tuesday in Alton. The dental school is the first to be established in Illinois outside of Cook County. A class of 24 students began instruction leading to the doctor of dental medicine degree Sept. 11.

Others who will speak at the dedication are Dr. John S. Rendleman, SIUE president; Dr. Frank J. Sobkowski, dean of the School of Dental Medicine; and Randall D. Bell of Granite City, representing the dental school student body.

Governor Ogilvie will be introduced by Harold Fischer, chairman of the SIU Board of Trustees.

Tour of School

Following the formal dedication, to be held outdoors if weather permits, tours of the dental facilities will be led by dental students and members of the University Ambassadors who are volunteer student hosts. The public is invited to the dedication and the tours.

Establishment of the School of Dental Medicine was first proposed in February 1968 in a report on Education in the Health Fields made by a subcommittee of the Illinois Board of Higher Education. The project was endorsed by the Madison and St. Clair County dental societies at a public hearing May 3, 1968, in Edwardsville.

The BHE formally adopted the report of its subcommittee recommending establishment of the dental school on the local campus on June 4, 1968.

On Jan. 29, 1969, President Rendleman announced the school would be temporarily housed on the Alton Center campus until permanent quarters could be erected at Edwardsville. Subsequently university officials agreed the dental school would remain on the Alton campus for a 10-year period and that facilities being developed there would continue to be used as a clinical center even after the school is relocated.

Appointed Dean

Dr. Sobkowski, assistant dean and chairman of the division of oral radiology at the University of California School of Dentistry in Los Angeles, was appointed dean of the new school by the SIU trustees on Feb. 21, 1969. Appointment of Sobkowski climaxed a nation-wide search.

Normal start-up time for dental schools is traditionally seven years. Because of the acute shortage of dentists in southern Illinois the University has been anxious to reduce the start-up time whenever possible, consistent with a high quality dental program.

The first continuing education class for area dentists was held in May 1971. This year an expanded series of intensive short courses for dentists has been held.

On May 21, 1971, the American Dental Association Council on Dental Education granted the school "Accreditation Eligible" status.

The School of Dental Medicine curriculum has been designed to train a qualified dental practitioner in three calendar years instead of four. Students will be able to earn the doctor of dental medicine degree by attending the school 45 weeks a year for three years, rather than nine months a year for four years.

Urgent Needs

"The urgent dental manpower needs demand that we implement a program which shortens the traditional time table. We are taking advantage of being able to use the facilities throughout the year to graduate dentists as soon as possible," Sobkowski says.

The new SIUE school will be concerned with preventive dentistry and will emphasize total patient care. "We are going to expect our students to understand the entire health condi-

tion of the patient, because you can not separate dental health from general health," the dean says. Patient care experience will begin almost immediately in the educational program. University trustees have approved remodeling of an Alton campus building to serve as a clinical facility. Students will be introduced to several new concepts in the school's curriculum. Each will take a core of courses which will include minimum knowledge and skills required for a student to become a competent general practitioner. In addition, elective course time will be available for the student to pursue class work in other areas. During the third year students will be able to specialize in a particular phase of dentistry.

Former Granite City Resident Dies at 60

Funeral services were conducted at 1 p.m. Sept. 23 for Barney King, 60, of Livingston, Ill., formerly of Granite City, at St. Elizabeth, Mo. Burial was in Mount Zion Cemetery, Tusculum, Mo.

Mr. King who lived in Granite City from 1936 until 1961, died Sept. 19 in St. Luke's Hospital, St. Louis. He had been employed as a carpenter at General Steel Industries until his retirement in 1969.

His wife, Mrs. Vergie King, preceded him in death.

Survivors include two daughters, Mrs. Rowena Mikolasek and Mrs. Mariel Beazley, both of Granite City; three sons, Garrett King of Santa Barbara, Calif., Garland King of Santa Maria, Calif. and Val King of Azusa, Calif.; 24 grandchildren and two great-grandchildren.

Dr. Boyd and Mrs. Ogilvie Here for Oct. 3 Dedication Of Hospital Trauma Center

Heliprot shortly before 1 p.m. Tuesday.

Mrs. Richard B. Ogilvie will dedicate the local trauma center at St. Elizabeth Hospital, Granite City, at ceremonies at 1:15 p.m. Tuesday, Oct. 3, announcement of detailed arrangements showed this week. The dedication plans were disclosed in the Press-Record early this month.

Accompanying Mrs. Ogilvie at the ceremonies will be Dr. David Boyd, chief of the state's Division of Emergency Medical Services and co-author of the trauma plan.

An Illinois Department of Transportation helicopter, outfitted to carry critically injured patients, will be on display during the dedication ceremonies. Duane Moore, chief helicopter pilot for the state, will land the copter at the St. Elizabeth

retirement in 1969. His wife, Mrs. Vergie King, preceded him in death.

Survivors include two daughters, Mrs. Rowena Mikolasek and Mrs. Mariel Beazley, both of Granite City; three sons, Garrett King of Santa Barbara, Calif., Garland King of Santa Maria, Calif. and Val King of Azusa, Calif.; 24 grandchildren and two great-grandchildren.

On July 1, the Illinois Department of Public Health was awarded a \$4 million federal demonstration contract to expand the trauma network to a total emergency medical services system.

In his remarks, Dr. Boyd will discuss the meaning of this \$4 million contract to the Quad-City area.

Mrs. Ogilvie will address local service clubs at a joint luncheon at 12:15 p.m. the same day at the YMCA.

GASOLINE STOLEN

John Breeze, 4404 Kirkpatrick Homes, reported at 11:15 a.m. Tuesday that during the night someone broke the locked gasoline cap on his 1960 auto and stole a half a tank of gasoline at his home.

and Mrs. Phillip (Gloria) Brown of Jacksonville, Ill.

Two stepdaughters, Mrs. Marvin (Jean) Johnson of Edwardsville and Mrs. Doris Johnson of Wood River; one brother, Gerald Johnson of Alton; one sister, Mrs. Flossie Lienemann of Edwardsville; his stepmother, Mrs. Lucy Johnson of Greenbrier, Tenn.; 21 grandchildren and 13 great-grandchildren.

Funeral arrangements are given in the obituary column.

UF Hole-in-One Tourney Resumes at Park Friday

The Tri-City United Fund's hole-in-one tourney will wind up this weekend with three days of shooting for the top prize of a one-week round-trip for two to Miami, Fla. (via TWA), including lodging.

Four other prizes are to be awarded: a golf bag, golf cart, pair of golf shoes and a golf umbrella for second, third, fourth and fifth-place winners, respectively.

The tourney resumes Friday at 10 a.m. and runs Friday, Saturday and Sunday, 10 a.m. to 7 p.m. each day. The event began last Friday and continued Saturday and Sunday. Rainy weather over the weekend made conditions less than ideal for golfers trying to put a ball in the cup on the specially-constructed green just

west of the ice-skating rink in Wilson Park.

Nevertheless, there was spirited competition. There were no holes-in-one, and if there have been none at the end of the tourney, closest shot to the hole will win the Florida trip, with the next four closest efforts capturing the other prizes.

Leading after the first weekend is Dick West of Granite City Steel Co., who is a member of the UF Task Force. He lives at 1202 Twenty-seventh St. Men are required to shoot from about 125 yards away—the women's tee is 10 yards closer. Parking for the public is available on the skating rink parking lot or on 29th St. along the Niedringhaus School. Proceeds from the affair go into the United Fund.

Vacant Venice House Looted, Ransacked

Mrs. Mattie Chubb, 2111a Delmar Ave., reported at 3:15 p.m. Tuesday that several items had been stolen from her former home at 204 Kerr St., Venice, since she moved Friday.

Taken were a dog house, three wall pictures, two ornate night stands and the telephone. The basement was ransacked. Entry was gained by cutting a door screen and forcing the door.

CAR HITS MINIBIKE

The southbound auto of Samuel D. Calvin, 2048 Thirteenth St., struck the minibike of Larry Dean Turner, 2125 Washington Ave., as Turner was pushing the bike across the 1400 block of Madison Avenue, Madison, at 8:45 p.m. Tuesday. Turner said he was not hurt.

MEDICAL STAFF OFFICERS. Physicians elected to head the medical staff at St. Elizabeth Hospital are, foreground—Dr. Obert M. Lay, president; and Dr. Felicia D. Koch, secretary. Second row—Dr. Robert D. Blankenship, president-elect (left); and Dr. Lawrence M. Aronberg, past president and executive board member. Not present for the picture was Dr. George Wilkins, also named to the medical staff's executive board.

Hospital Medical Staff Elects Dr. Obert Lay

Dr. Obert M. Lay, a general surgeon, was named president of the St. Elizabeth Hospital medical staff at an election meeting held during the weekend at the hospital. He succeeds in office Dr. Lawrence M. Aronberg, who was elected to the medical group's executive board.

Other local physicians elected to the hospital's staff positions were Dr. Robert D. Blankenship, president-elect, a graduate of the Medical College of Virginia at Richmond, Va., who has a family practice with offices in the Tri-Cor Medical Building; and Dr. Felicia D. Koch, secretary. Dr. Koch, a graduate of Loyola University Medical School in Chicago, has

a general practice in the community.

Dr. Lay maintains offices at 3181 Myrtle Ave. He is a graduate of Washington University School of Medicine, St. Louis, and is a Fellow in the American College of Surgeons.

The retiring president, Dr. Aronberg, a urology specialist, is a graduate of Washington University School of Medicine. Also named to serve on the medical staff's executive board was Dr. George Wilkins, a Granite City pediatrician and a graduate of the University of Illinois. He holds a fellowship in Pediatrics and is certified by the American Board of Pediatrics.

Two Charged in Theft of Brass From Rail Cars

Two area men are charged with the theft of 67 brass journals from railroad cars in the Madison yards Monday. The journals were valued at \$2,430.

Lonnies Manson, 22, of 172 Viola Jones Homes, Venice, and Johnny Lucas Jr., 34, of 1124 Douglas St., Madison, are charged with theft in connection with the incident.

Manson also faced four charges stemming from a police chase from Venice into St. Louis. He was charged with attempting to elude a police officer, speeding, careless driving and failure to pay the toll at McKinley Bridge.

Venice police, investigating the theft, said they sighted two parked cars which appeared to be heavily loaded. Later they noticed one of the cars was gone.

They issued a bulletin for the auto and a Madison detective located the car eastbound on Market Street. The detective followed the car at a high rate of speed to the Castings Division of General Steel Industries parking lot where the driver parked the car, jumped out and ran.

Lucas was arrested at 14th and State streets a short time later and was charged with theft. Police said that 18 brass journals, a hydraulic jack and a crowbar were found in the car at the GSI lot.

Later Venice police saw Manson's car on Klein Street and using red lights and a siren on the police car, chased the auto through Venice. Another police car joined the chase as it proceeded over McKinley Bridge and into St. Louis. Several warning shots were fired by Venice police during the chase.

The auto stopped at 19th Street and Angelica in St. Louis when Manson attempted to pass and struck a parked car, officers said. Manson fled from the car but stopped when a warning shot was fired, according to police.

St. Louis District 5 police were summoned and took Manson into custody. He signed extradition papers Tuesday morning and was brought to Madison where the charges were filed against him.

An additional 17 journals allegedly were found in his car, police said. Manson was fined \$135 Tuesday on his charges of attempting to elude police, careless driving and speeding after pleading guilty. He entered innocent pleas to the charges of theft and failure to pay the bridge toll. He was released after posting \$300 bond.

Lucas was taken to the Madison County Jail in lieu of \$500 bond.

Fire Hydrants Painted To Code Main Sizes

A program in which all Granite City fire hydrants will be repainted in a color code that will designate the size of the water main leading to each hydrant has been initiated here, Fire Chief Earl Fronbarger announced today.

The project began early this week and will continue as weather permits. The work is being done by the East St. Louis & Interurban Water Co. to aid city firemen in immediately determining the availability of water and pressure at fire scenes.

The top of each hydrant is being painted red, orange or green, depending upon the size of the mains, Fronbarger said.

CAR HIT IN VENICE

The auto of John Francis Huber, Apartment 3, 2501a Washington Ave., was damaged by a hit and run auto at Madison Avenue and Market Street in Venice at 5:35 p.m. Tuesday.

Huber said he was turning onto Market Street when the other auto struck the rear of his car. The transmission of Huber's car was damaged.

Mrs. Mary Peters, 58, Dies Suddenly

Mrs. Mary Ann (Frensko) Peters, 58, of 705 Iowa St., Madison, was pronounced dead upon arrival at 8 p.m. Tuesday at St. Mary's Hospital in Decatur.

Mrs. Peters was visiting with her son-in-law and daughter, Mr. and Mrs. Michael (Mary Ann) Harris in Decatur when she became ill and was taken to the hospital. There will be an inquest to determine the cause of death.

Born in Bend, Ill., she had resided in Madison 25 years. Mrs. Peters was employed as a clerk at the F. W. Woolworth Co. Store in Granite City for 17 years.

A member of Gabriel Shrine 78, White Shrine of Jerusalem, she also belonged to Granite Chapter 60, O.E.S., and the Retail Store Employees Union Local 435.

Survivors include a daughter, Miss Helene Peters of Madison; one brother, Pete Frensko of Bend, and five grandchildren.

Funeral arrangements are being held in the obituary column.

Seven Persons Booked After Downtown Fight

Seven persons were arrested on a disorderly conduct charge after police were called to 19th and State streets on a report of a fight at 1:25 a.m. today.

Taken into custody were Edward Luther, 19, Barbara Luther, 17, John Rhyne, 19, Robert Marston, 21, Ronald Lewis, 18, and Donald Andrews, 22, all of East St. Louis, and Pedro Treviso, 21, of Bangor, Mich. The youths and Andrews were released on cash bail of \$25 each pending hearings.

Top and Ballet Classes To Start on Oct. 14

Beginner top and ballet classes offered by the Granite City Park District will start on Saturday, Oct. 14, instead of Oct. 9 as previously announced.

The classes will be held at the Namoki Recreation Center.

Registration must be made at Wilson Park office in person, Monday and park district residents will be enrolled or use of well and fee. Non-residents will pay a \$3 fee and all students will be required to purchase insurance for \$1 for a year.

MORE ABOUT Mail

of traffic in a southeasterly direction, sidewalks varying from 8 to 14 feet in width and several planting beds containing trees and shrubs, parking spaces will be limited to eight spaces per block for a total of 24 spaces within the project area extending from State Street to Cleveland Boulevard.

Tuesday night's action was the first progressive step in development of the small project since Mayor Partney was stricken in his office on June 2 and was hospitalized for two months.

As the mail ordinance was presented to the council by Alderman Frank Greenwald, Mayor Partney remarked:

"I am here tonight without having been released by my doctors to do so. My main interest in coming to this meeting was to see the mail ordinance advanced. This is a project that has been close to me and I want to see it completed."

After the ordinance was read and referred to the two council committees, Partney left the meeting after appointing Alderman Walter Nunn as mayor pro tem for the remainder of the session.

The ordinance bill also provides that assessments against property owners shall bear interest not to exceed 7% per annum, with installments paid annually.

MORE ABOUT Manufacturers

Madison and Alton. Lich is president of the Castings Division of General Steel Industries. Alton area members of the merger committee are Ed Ballman, manager of Shell Oil Co., Wood River, Tom Schwartz, corporate secretary of Alton Board Co., and Quentin Hopkins, vice-president of operations of Laclede Steel Co.

If merged, the new group would represent the majority of manufacturers in Madison County.

The new organization would provide "better recognition of this area and would avoid much duplication in the efforts of the two associations," Redick believes.

The first of four 1972-73 meetings of the Southern Division of the Illinois Manufacturers' Association will be held Oct. 19 at Augustine's Restaurant, Belleville. The group consists of the Alton and Tri-Cities associations, the East Side Association of Industries in East St. Louis and the Belleville Chamber of Commerce.

One of Four Benefits from United Fund

"One out of every four persons living in the Quad-Cities will benefit from one or more of the 19 agencies supported largely by the United Fund."

Paul Kelly, general manager of A. O. Smith Corp. and chairman of the United Fund Drive, told Madison Rotarians at their Wednesday noon meeting in the Recreation Center.

The goal of this year's drive is \$413,861 and a need for regular contributors to increase their pledges to help offset the inflation in our economy and

MORE ABOUT Bottomland

tably the Columbia, Missouri, and American Bottoms.

"The area is a large area of land, coupled with its predominantly rural character, makes most of the region's flood plains very attractive for large scale developments."

"In addition, the flood plains are well served by the railroad, part, by highway and water transportation routes, making their accessibility to the region very high."

"Although there are many factors such as the above in part, by highway and water transportation routes, making their accessibility to the region very high."

"The principal danger of building on a flood plain, of course, is the possibility of inundation in areas that are unprotected by levees. Beyond this, the Levees and Andrews were released on cash bail of \$25 each pending hearings."

"There are many instances in the region of 'floating sewers' resulting in considerable infiltration and disruptions in the systems."

"In most cases, soil instability has caused considerable damage to buildings, resulting in economic loss and physical deterioration of structures."

"Conservationists agree that many natural areas on flood plains must be protected and maintained in their capacity as stopping points for migratory birds."

"There are very strong economic pressures for development of the region's flood plains, and some strong economic and environmental reasons why these areas should not be urbanized."

"In order to avoid future confusion on this point, and to help implement the regional development strategy, the Council must establish a firm policy regarding the types and intensities of flood plain development that will be encouraged."

"In other land use policy decisions, the East-West Gateway Coordinating Council yesterday decided:

To encourage a regional growth consistent with resources available.

To increase land designated for industrial to 100% of the current projections of future employment growth.

To encourage a rail-like rapid transit system rather than an expanded and improved bus system.

To seek a compact region structured around a series of transportation corridors, with centers or nodes at those points where two or more transportation corridors intersect, or at points which afford access to the transit system.

To encourage a high degree of variety of living environments and densities, with "redevelopment of the central city at high densities where most transit corridors intersect."

The East-West background paper assumed present "fragments of authority and responsibility" and said over 450 existing bodies exist currently.

Favoring an increased "regional identity," the background paper concluded:

"A strong commitment to regional planning — a truly area-wide approach — is required to begin solving some of the region's problems."

Bellevue was the principal advocate of specific revisions in the documents. The other local East-West member, Madison County Board Chairman Nelson Hagman, was not present.

Those addressing the board included: A. J. Wilson, executive secretary to St. Louis Mayor A. J. Cervantes. Wilson objected to language in a housing guideline, calling it incomplete,

the loss of 2,000 industrial jobs in the area since last year, Kelly explained.

He noted that all the money raised in the Quad-Cities remains in the area.

To help meet the many local needs, the Quad-Cities are increasing their pledges from 30 minutes pay per month to 60 minutes, he said.

In closing, Kelly extended an invitation to the Rotarians to try their luck at the "hole-in-one" golf promotion at Wilson Park this weekend.

Jerry Maeras, president, read an invitation from the Granite City Rotary to meet next Tuesday, at 12:15 p.m., with the club as Mrs. Richard Ogilvie will be a special guest.

Rotarian Wayne Scamell reviewed the Madison Rotarians that. Instead of the regular meeting at noon next Wednesday, the club will hold a picnic at 3:30 p.m. in the Cahokia Mound State Park.

The birthday of Rotarian John Haynes was celebrated by the club with the singing of the traditional birthday song.

Fun Match Open to Pets Saturday; Judges Named

Two large red and white checked tents will be erected tomorrow on Fehling Road, just west of the AAP Grocery Store, in preparation for the "All Animals Fun Match."

The animal contest will be sponsored by the Quad-City Association for the Protection of Animals and is open to all pet owners. The event climaxes a month-long fund raising campaign, the first to be conducted by the local humane group.

Dogs and cats, pedigreed or mixed breeds, guinea pigs, rabbits, hamsters, birds, horses or any other type of pet may be entered in the fun match.

Register Before Show. An open registration period will take place from 10 a.m. to 12:30 p.m. Saturday at the show site, Miss Helen Grotz, contest chairman, said today.

Advance registration information may be obtained by calling the APA at 877-4594. Trophies and ribbons will be awarded to the owners of winning pets, Miss Grotz said.

Some cages will be available for birds, cats and rabbits, although horses are confined to pets must be under control at all times or face disqualification in the show.

Judging Schedule. The judging schedule is set as follows: Pedigree dogs—1 to 3 p.m.; mixed breed dogs—3 to 5 p.m.; Horses—1 to 2 p.m.; cats—2:30 p.m.; and hamsters, rabbits and other small animals at 3:30 p.m.

Mrs. Judith Johnson, APA president, said the "Best of Show" trophy award will be made at 5 p.m. Saturday. Judging will take place inside the tents, loaned to the animal protection group by Ralston Purina Co.

Judges include Mrs. David Taylor and Jackie Puliam, cats; Jack King, rabbits, guinea pigs, hamsters, turkeys and miscellaneous entries; Miss Helen Grotz, birds; Sharon Esserpen and Mrs. Doris Evans, dogs; and Miss Marlene Marmion, horses.

Mrs. Johnson said today an adoption booth displaying kittens and puppies will be featured at the fun match. Families wishing to adopt a young pet may view the animals between 1 and 5 p.m. Saturday at the contest site.

Barney Robertson, 78, Dies in Dunedin, Fla.

Barney Robertson, 78, of Dunedin, Fla., who formerly operated Barney's Root Beer stand on the corner of 1st and National Food Store, died at 5 a.m. Wednesday in the Dunedin Hospital.

He was born in Wayne County, Ill. and lived in Granite several years prior to moving to Dunedin about 15 years ago.

Surviving are his wife, Mrs. Nora Robertson; four daughters, Mrs. Betty Colwell, Mrs. Louise Sandusky, both of Dunedin, Mrs. Mildred Dugan of Mitchell and Mrs. Juanita Roberts of Streator, Ill.; two sons, Dale Robertson of Aurora, Ill., and Frederick Robertson of Pekin, Ill.; two brothers, Stuart Robertson of Flora, Ill., and Ryle Robertson of Dunedin, Fla.; a sister Mrs. Ellen Fritz of Streator, Ill.; 12 grandchildren and 14 great-grandchildren.

Funeral services will be held Saturday in Dunedin, Fla.

Mayor James E. Williams of East St. Louis agreed with Wilson, saying that the council's housing plan should be tailored to the needs of each community and should address itself particularly to moderate and low-income housing needs.

Dr. Carl Lessau, an East-West planner on loan from Southern Illinois University at Edwardsville, who supervised preparation of guideline papers and who presented and explained them. He supported the Gateway staff's recommendations during all challenges.

Lawrence Roos, East-West vice-chairman and supervisor of St. Louis County, who urged that the rapid transit alternative be supported rather than expanded bus service, despite objections from Ralph Smith, presiding judge of Franklin County, Mo. Smith said rapid transit plans would be better outlying areas such as his county.

And Eugene G. Moody, executive director of East-West Gateway, who urged adoption of the policy papers, calling them "the most important documents on our agenda in some time."

Moody said approval of the papers now and adoption of a comprehensive regional land use plan by Dec. 31 are necessities if the council is to be re-certified by the U. S. Department of Housing and Urban Development for next year.

Nameoki Delays Action On Insurance Contract

Approval of a proposed contract to provide group life and hospital insurance for township employees was delayed by the Nameoki town board Monday night to permit completion of an additional proposal.

Town board members have interviewed representatives of seven insurance firms in their search for a satisfactory group policy. The board tentatively accepted a proposal by the Prudential Life Insurance Co.

Doug Teator, town clerk, informed the board that an additional proposal had been made and the board decided to consider it before making a final decision.

Teator was authorized to call bids for painting the township office building at 4250 Highway 162 and the adjoining township garage.

William Mullin, township health inspector, resigned the board during a meeting of the Board of Health following the regular town meeting. Mullin said he was moving out of the township. The board, which is made up of the supervisor, the clerk and the township assessor, appointed Wilmer Winter to succeed Mullin.

Supervisor Louis Whisell told the board that he has notified Robert Kronst, district highway engineer, that Nameoki township has appropriated and has available a \$7,500 fund to be used in enlarging drainage facilities on Route 203 when the improvement is made. Granite City also has appropriated a total of \$15,000 required for the enlarged drainage facility.

Skate Trading Post Sunday at Park Rink

The annual ice skate "Swap Shop," sponsored by the Granite City Park District will take place in the warming room at Wilson Park rink pavilion from 2 to 4 p.m. Sunday.

Ice skating is scheduled each year prior to the start of the fall-winter skating season. Public skating sessions will begin at 7 p.m. on Monday.

The trading post idea has proved a popular attraction the past four years, with a brisk business noted among youthful skaters.

AUTOS, TRUCK DAMAGED. Autos driven by Connie K. Koster, 2415 Delmar Ave. and Lee E. Ashby, 2441 Dogwood Drive, and a truck driven by Robert Pyles, 1207 Edwardsville Road, were damaged in an accident on wet pavement at 5:30 p.m. Tuesday at E. 20th Street and Edwardsville Road.

Mrs. Ellen Dahms Dies Here at Age 72

Mrs. Ellen H. (Holdener) Dahms, 72, of 2435 State St., died at 8:30 p.m. Tuesday at St. Elizabeth Hospital following a one-year illness.

A native of Chicago, she had resided in Granite City for 39 years.

Mrs. Dahms was a member of Sacred Heart Roman Catholic Church and belonged to the Pink Ladies organization at St. Elizabeth Hospital.

Her husband, Edwin Dahms, died Nov. 5, 1946.

Survivors include a daughter, Mrs. Joseph (Margaret) Arnold of Collinsville and four grandchildren: Elynn Kathy and Terri Hermes and Duane Arnold all of Collinsville.

Funeral arrangements are given in the obituary column.

Red Cross Project to Aid Elderly in Second Phase

Project FIND, a nationwide campaign to identify and enroll older Americans eligible for Federal Food Assistance Programs, moved into its second, or follow-up phase this week with the American Red Cross responsible for helping those who qualify to obtain certification for food stamps or commodities.

Mrs. Ruby Overbeck, executive secretary of the Tri-City Chapter of the Red Cross announced today that Mrs. David Fox will serve as project manager of the Project FIND follow-up program, in which 20 trained volunteer workers recruited by the Red Cross will be active in this area to apply for food assistance.

Project FIND was conceived by Dr. Arthur Fleming, chairman of the White House Conference on Aging. It began Aug. 3 with the mailing of Social Security checks to more than 27 million men and women, most of whom are over 60.

Each person received an explanatory brochure and a franked postcard which they could return if they were interested and thought they needed help in receiving federal food assistance. The program is sponsored by the U. S. Department of Agriculture.

More than a million cards have been returned, so far, and more are coming in. These cards are sorted by zip code and turned over to the appropriate local chapters of the Red Cross.

Trained volunteer workers will telephone or visit each applicant. Eligibility of each applicant will be determined by the Department of Public Assistance. Authorities are anxious to make it clear that this is not charity or welfare. It is a program sponsored by the Department of Agriculture to help those people who are eligible to actually eat better and have a well-balanced diet.

Volunteer workers are suggesting that applicants call the Red Cross Chapter at 877-4815 as soon as possible so that they can schedule appointments at the public assistance office located in the Venice Lincoln Technical Center on 4th Street in Venice. The hours are from 8:30 to 4.

The Center has sent extra help for today and Friday and next week, and the Red Cross is scheduling appointments so no one will have to wait very long to be interviewed on its activities.

In Granite City, Madison, Mitchell and Venice, the volunteers hope to complete the follow-up canvass of all applicants by Nov. 15. At that time the Tri-City Chapter will file a report on its activities.

By Dec. 15, the American National Red Cross expects to have a consolidated report which will include all those enrolled in 3,100 countries across the nation.

MORE ABOUT United Fund

was held this morning in the YMCA.

During the session, speakers explained how the United Fund operates and answered questions about fund activities. Films were shown. A series of training meetings has been conducted during the past few weeks in preparation for the campaign kickoff.

Mrs. Ellen Dahms Dies Here at Age 72

Mrs. Ellen H. (Holdener) Dahms, 72, of 2435 State St., died at 8:30 p.m. Tuesday at St. Elizabeth Hospital following a one-year illness.

A native of Chicago, she had resided in Granite City for 39 years.

Mrs. Dahms was a member of Sacred Heart Roman Catholic Church and belonged to the Pink Ladies organization at St. Elizabeth Hospital.

Her husband, Edwin Dahms, died Nov. 5, 1946.

Survivors include a daughter, Mrs. Joseph (Margaret) Arnold of Collinsville and four grandchildren: Elynn Kathy and Terri Hermes and Duane Arnold all of Collinsville.

Funeral arrangements are given in the obituary column.

MORE ABOUT Madison

at Third and Jackson streets, from Second Street to Dunbar school, and from Dunbar school to Webster street.

He asked that Mayor Sasyk and Superintendent of Streets Elmer Smith consider the problem and take steps to correct it.

At the request of Second Ward Alderman Don Broyles, the council approved installation of a light in the alley between Harris and Beckwith streets. The Council also approved plans for installations in the alleys between State Street and Grand Avenue, and Grand and Madison avenues at the request of Alderman Chris Cost.

A letter from Melroy B. Hutnick, supervisor of the Division of Criminal Justice, was read, congratulating Madison Police Officer Sgt. Norris Horton and Patrolman Donald Briddick for their "professional performance" in completing a 40-hour course on Law and the Police.

The two officers took the course on their own time at the Belleville Area College.

The council accepted the resignation of George P. Dittman as a member of the police pension board, whose term was to expire May 1, 1973.

To Call Bids. Authorization was given the city clerk to advertise bids on two new police cars.

Martin Owens was appointed a patrolman, effective Sept. 1, after serving a one-year probationary period.

Bellevue read a telegram from Congressman Melvin Price reporting the city should receive \$180,712 from the federal government under the revenue-sharing plan.

Mayor Sasyk advised the council that it should wait until the money is received before determining how it shall be used.

Plans Meeting Soon. Sasyk said he will arrange a meeting soon with Granite City officials to discuss participation by Madison in secondary sewage treatment required under state and federal mandates.

Sasyk and Mayor John E. Lee of Venice have said they prefer to obtain sewage treatment through Granite City's treatment plant rather than join in a regional program now being prepared by the Southwestern Illinois Metropolitan Area Planning Commission.

Sasyk commented that he expected problems with the sewer project and that he is trying to have a meeting in the near future with Granite City.

The council authorized Sgt. William Fanning and Sgt. Norris Horton to attend a police meeting in Rock Island Sunday through Tuesday.

Bonds were approved for auxiliary policemen David LeRoy Clark and Leon Bland.

Assumption to Field Four Local Boys Against MHS

The football score board in East St. Louis at 4 p.m. Friday will officially read Madison vs. Assumption, but it could read Madison vs. Madison as the Pioneers have four Madison boys on their varsity team.

The Assumption starting defensive end is Aloysius Ratkiewicz, 6-4, 175 junior, Karkewicz, a Madison native, comes from a football family as he has two brothers playing the game; Art with the U. S. Air Force Academy and Al at Eastern Illinois University.

Other Madison boys on the Assumption grid team are Bill Burniski, 6-1, 155 junior end, whose father, Adam, teaches business courses at MHS; David Brizay, 5-10, 165 junior, and Dave Fuzessery, 5-10, 165 junior end.

Assumption is an all male Catholic high school with an enrollment of 800.

Pioneer Split Two
This season the Pioneers have split, losing to Belleville West 20-0 and beating Belleville Althoff 14-9.

Jim Monken, head football mentor at Assumption, is determined to improve on last year's 2-6-2 record. The Pioneers are a wishbone team, occasionally using a wing or slot offense. Their defense will change from a 5-4 to a 5-2 and sometimes even a 5-3.

Injuries have hurt a little as the Pioneers have temporally, at least, lost Dave Crow, a starting linebacker, and Jim Rimke, a varsity tackle.

Pioneers that beat Belleville Friday are Ray Kemezis, 6-6, 215 senior end who is a fine punter and averaged 42 yards punting last year.

Sophomore Fullback
Sophomore fullback Jim Heavens is rapidly becoming the star of the team and according to scouting reports is a hard and fast mover.

SMALL WONDER
SEE IT AT

Press-Record Sports

Page 6 Thur., Sept. 28, 1972

Assumption does not have a physical team but they do have some real speed, reports indicate. The fastest man on the team is left halfback Greg Darty, 5-9, 165 senior; and right halfback Charles Halloran, 5-11, 165 senior, runs an excellent ground game, according to Monken.

At quarterback will be Rod Young, 6-1, 170 junior who, according to the coach, is the second fastest man they have.

Jim Kassel, 6-1, 190 senior tackle goes both ways for the Pioneers and, according to Monken, could get a football scholarship anywhere, but this is his last year in football because he is planning on being a medical doctor.

Hall of Fame Sets Schedule
The St. Louis Sports Hall of Fame in Busch Memorial Stadium today announced its operating schedule for the 1972 fall season.

Effective Oct. 2, the sports museum will be open to visitors from 10 a.m. to 5 p.m. Tuesdays through Sundays. Stadium tours will be available Tuesdays through Sundays from 10 a.m. to 4 p.m. except during Big Red home games or football practice sessions.

In addition to the regular schedule, the Hall of Fame will be open for the convenience of Cardinal football fans before and during half-time of all Big Red home games. Immediately following the games, the museum will be closed for a private cocktail buffet held by the St. Louis Quarterback Club for its members and guests.

The Hall of Fame is now featuring a 30-minute color, sound film showing highlights of the 1971 Cardinal football season.

Admission charges for the

Madison Coach Al Vonder Haar, who scouted Assumption, commented: "They run the offense effectively, option well and punt well. If we can go through the entire game without any silly mistakes we will be in the ball game all the way."

"We play a real good first half and fall flat on our face the second half and this is something we are trying to correct. We are going to need to be awake to a wide game, and hope to make their quarterback run more."

When asked about injuries the Madison coach lamented, "Only a broken heart after last Saturday's game. There were about four key plays and all of them went against us. Roger Glasper is still out of action although Charlie Johnson is doing a fine job as a running back. He's gone 171 yards in 15 carries."

Madison is 1-1 for the season. They won their opener against St. Louis Central, but lost last week to Eureka.

The Trojans will host Sparta at 2 p.m. Oct. 7.

Spalding in Champion Race

Several local race drivers, including Wip Spalding of Pontoon Beach, the 1972 Tri-City Speedway champion in both super-sprint and late model stock cars, will compete in the Race of Champions for stock cars Sunday at the Illinois State Fairgrounds in Springfield.

Three 35-lap races will be held, including the race which will pit the champions from race tracks throughout Illinois and Missouri. Gates will open at 9 a.m. and racing is set for 2 p.m. Tickets are \$4 for adults and \$1 for children 14 or under.

Dick Ford has taken over the Tiger grid reins this year after serving as an assistant mentor for the past nine years at Edwardsville.

The Tigers use a basic 5-2 defense and run a triple option wishbone offense. With 12 Tiger lettermen returning, the Warriors will need to keep their "cool".

Best League Runner
Probably the best runner in the conference is Tiger Terry Bradshaw 6-2, 170 halfback. Dave Schapke 6-2, 170 senior quarterback, according to Ford.

May Bounce Back
"If we have a mature team they will bounce back and give Edwardsville a real hard time. If we have little boys they will be a good passer and a sharp leader."

Opening up some big holes last season for the Tigers has been Jeff Atkinson 6-4, 200 offensive tackle; and Bill Phillips 5-11, 185 junior fullback is a hard runner who will go through whatever area Atkinson clears. The top receiver for the Tigers who has demonstrated a lot of speed is Bruce Hestberg, 6-6, 210 junior tight end.

As for the Warriors, "the entire team and coaching staff are embarrassed over last week's loss to O'Fallon," Coach Wayne Williams lamented.

"The mental attitude was terrible. They went into the game highly over-confident. Our staff tried to tell them O'Fallon had a good team this year, but our team must have been listening to someone else."

Explorer Road Rally To Be Held Saturday
The second annual Grand National Explorer Road Rally of the Cahokia Mound Council, Boy Scouts of America will be held Saturday beginning at 8 a.m. at the Fairmont Race Track and concluding at the Sunset Hill Holiday Inn where a banquet is set for 4 p.m.

A rally crew consisting of a driver, a navigator and an observer travel over a pre-determined course following cryptic instructions to four designated check points.

The crew tries to match their arrival time at each check point with that of the instruction sheet. Points are assessed for arrival early or late and for evasive action. The lowest cumulative points determines the winner.

Safe, Skilled Driving
The event is designed to test for safe and skilled driving within legal speed limits.

Marty Aerne is rally chairman and events master, Dr. Scott Henriksen is in charge of car inspection and Larry Todoroff is chairman of the auto-cross.

Dan Gruber, president of the Southern Illinois Region Sports Club of America, is the event co-ordinator.

An Explorer event held in each local council, it is sponsored nationally by the Exploring Service of the Boy Scouts of America, Motor Motors of America and the Lincoln-Mercury Company Division of the Ford Motor Company.

Locally the event is sponsored by the Southern Illinois Region Sports Club of America, Motor Motors of Collinsville and the Exploring Division of the Cahokia Mound Council.

Registered are Explorer Posts 6, 125, 83, 57, 88, 33 and 29. Reservations are still being accepted at the local Scout Service Center, 1338 N. Niedringhaus Ave., 876-6666.

Dave Wilson is chairman of the Council Explorer committee and Mark Yehling is the staff advisor for the event.

Cougars Top Midwest Poll
Polling five first-place ballots and 87 points in the Southern Illinois University at Edwardsville remains No. 1 in the Midwest collegiate soccer rankings of the Intercollegiate Football Soccer Association of America.

Next, in order (with total votes), were St. Louis University (three first place and 83), University of Missouri, St. Louis (one first place and 60), Quincy College (60), University of Alton (52), University of Wisconsin, Green Bay (42), Cleveland State (31), University of Ohio (22), University of Indiana (15) and Wheaton College (14).

On the national level, the Cougars ranked third and received one of 18 first-place votes in an association poll of coaches. Howard University of Washington, D. C., led the pack with 18 first-place votes, followed by St. Louis U., also with a first-place vote.

COUGARS TO PLAY BILLIKINS AT BUSCH STADIUM. The annual collegiate soccer classic between Southern Illinois University at Edwardsville and St. Louis University will be played Sunday afternoon, Nov. 5. Arrangements to transfer the game from Cougar Field at St. Louis were agreed upon and announced Tuesday at a press conference held at the Stadium Club at Busch Stadium. From left, Larry Albus, Rt. Rev. Msgr. Louis Meyer and Bob Guelker discuss details of the game switch. Albus is athletic director at St. Louis U., Monsignor Meyer is archdiocesan youth director of St. Louis and Guelker is athletic director and head soccer coach at SIUE.

Warriors Play Tigers in First SW Conference Game

The Granite City High School Warrior football team will take to the road Friday for its first Southwest Conference game against Edwardsville beginning at 8 p.m.

The Edwardsville Tigers had a 6-5 conference record last season but appear to have a much better team this year as they have defeated Wood River 32-20 while losing the last minute of play to Collinsville 22-19.

Dick Ford has taken over the Tiger grid reins this year after serving as an assistant mentor for the past nine years at Edwardsville.

The Tigers use a basic 5-2 defense and run a triple option wishbone offense. With 12 Tiger lettermen returning, the Warriors will need to keep their "cool".

Best League Runner
Probably the best runner in the conference is Tiger Terry Bradshaw 6-2, 170 halfback. Dave Schapke 6-2, 170 senior quarterback, according to Ford.

May Bounce Back
"If we have a mature team they will bounce back and give Edwardsville a real hard time. If we have little boys they will be a good passer and a sharp leader."

Opening up some big holes last season for the Tigers has been Jeff Atkinson 6-4, 200 offensive tackle; and Bill Phillips 5-11, 185 junior fullback is a hard runner who will go through whatever area Atkinson clears. The top receiver for the Tigers who has demonstrated a lot of speed is Bruce Hestberg, 6-6, 210 junior tight end.

As for the Warriors, "the entire team and coaching staff are embarrassed over last week's loss to O'Fallon," Coach Wayne Williams lamented.

"The mental attitude was terrible. They went into the game highly over-confident. Our staff tried to tell them O'Fallon had a good team this year, but our team must have been listening to someone else."

Explorer Road Rally To Be Held Saturday
The second annual Grand National Explorer Road Rally of the Cahokia Mound Council, Boy Scouts of America will be held Saturday beginning at 8 a.m. at the Fairmont Race Track and concluding at the Sunset Hill Holiday Inn where a banquet is set for 4 p.m.

A rally crew consisting of a driver, a navigator and an observer travel over a pre-determined course following cryptic instructions to four designated check points.

The crew tries to match their arrival time at each check point with that of the instruction sheet. Points are assessed for arrival early or late and for evasive action. The lowest cumulative points determines the winner.

Safe, Skilled Driving
The event is designed to test for safe and skilled driving within legal speed limits.

Marty Aerne is rally chairman and events master, Dr. Scott Henriksen is in charge of car inspection and Larry Todoroff is chairman of the auto-cross.

Dan Gruber, president of the Southern Illinois Region Sports Club of America, is the event co-ordinator.

An Explorer event held in each local council, it is sponsored nationally by the Exploring Service of the Boy Scouts of America, Motor Motors of America and the Lincoln-Mercury Company Division of the Ford Motor Company.

Locally the event is sponsored by the Southern Illinois Region Sports Club of America, Motor Motors of Collinsville and the Exploring Division of the Cahokia Mound Council.

Registered are Explorer Posts 6, 125, 83, 57, 88, 33 and 29. Reservations are still being accepted at the local Scout Service Center, 1338 N. Niedringhaus Ave., 876-6666.

Dave Wilson is chairman of the Council Explorer committee and Mark Yehling is the staff advisor for the event.

Cougars Top Midwest Poll
Polling five first-place ballots and 87 points in the Southern Illinois University at Edwardsville remains No. 1 in the Midwest collegiate soccer rankings of the Intercollegiate Football Soccer Association of America.

Next, in order (with total votes), were St. Louis University (three first place and 83), University of Missouri, St. Louis (one first place and 60), Quincy College (60), University of Alton (52), University of Wisconsin, Green Bay (42), Cleveland State (31), University of Ohio (22), University of Indiana (15) and Wheaton College (14).

SIUE-SLU Soccer Game Switched to Busch Stadium

The scheduled soccer game between Southern Illinois University at Edwardsville and St. Louis University has been switched from Cougar Field to Busch Stadium, it was announced Tuesday morning at a press conference at the Stadium Club. It will be played at 2 p.m. Nov. 5.

The announcement was made by athletic directors Bob Guelker of SIUE and Larry Albus of St. Louis University, and the Rt. Rev. Msgr. Louis Meyer, archdiocesan youth director of St. Louis.

"Because of the keen soccer rivalry developed between these schools, and the large attendance at their two games last year, we believe that the contest may have outgrown the capacity of both Munsie and Cougar Fields," the announcement said.

Monsignor Meyer stated: "St. Louis University and SIUE have agreed to the switch in location and development of college soccer not only in our area, but nationally and internationally as well. They have thrilled thousands of local fans every time they meet and the CYC is happy to join in with the schools in their efforts to upgrade this annual game and better accommodate the large crowds desiring to see them play."

The game is SIUE's home contest. Last season in regular play the Billikins came from behind in the last seven minutes to defeat the Cougars, 2-1, at Munsie Field before a standing room only crowd. In the championship final of the NCAA mid-western tournament held at Cougar Field, the Bills beat the Cougars, 3-1, before an estimated 8,000 fans.

Ticket prices for the game were announced as follows: gate, public \$3; advance, \$2; team tickets, \$20 (a team consists of 18 players of junior age and under, plus seven adults); St. Louis University students with identification cards, \$1 in advance; and because the game is SIUE's home game, SIUE students will be admitted free with their student ID cards.

SIUE Harriers To Host First Annual Tourney
Coach John Flamer's cross-country team at Southern Illinois University at Edwardsville will host the first annual Cougar championship run Saturday over its new five-mile course.

Greenville College, Washington University, University of Missouri at Rolla, University of Missouri at St. Louis and Millikin University have been invited to run in the meet.

Flamer's charges will go into the event with a 2-3 record in dual meets, having dropped a pair last weekend at Northeast Missouri State at Kirksville, losing to the host school, 31-26, and to Westminster College, 31-28.

Freshman Charles Simpson, Centennial, finished first for the Cougar runners at Kirksville with a fast time of 26:18, behind the host's school's Linley Lipper, who finished first at 25:03.5, a record for the course.

SIUE runners, their times and positions, follow: Gary Baxter, 7th, 28:20; Tom Terrill, 13th, 27:40; Dave E. Jockley, 14th, 27:47; Carl Mason, 15th, 27:58; Howard Reeves, 16th, 28:16; Tim LaBrosse, 17th, 28:30; and Vaughn, 18th, 28:30 and Bruce Perry, 21st, 30:00.

Nationally Known Drivers Here for USAC Midget Card

Many of the most famous names in professional auto racing, including several regular competitors at the Indianapolis 500 will be here Saturday evening as the United States Auto Club midget cars come to town.

Among those already committed with USAC to appear are Larry Dickson, a two-time USAC sprint car champion; Mel Kenyon, the 1964, '67 and '68 midget champion; Bob Wente, the 1963 champion; Arnie Knepper of Belleville; Bruce Walkup of St. Paul, Ind., four-time sprint champion; Larry "Boom Boom" Cannon and his brother, Steve Cannon, both of Danville; Bill Puterbaugh, formerly of Roxana, the 1965 IMCA champion; Wib Spalding, the 1972 Tri-City Speedway sprint and late model stock car champion; Bobby

Jones of Danville, holder of several Tri-City records; Jimmy Caruthers, the 1970 midget champion, and Lee Kunzman. Also entered are the top four contenders in the USAC midget point race this season: Billy Engelhart of Madison, Wis., the leader with 602 points; Dwayne Carter Jr. of Huntington Beach, Calif., second with 585 points; Larry Rice, a Crawford, Ind., schoolteacher, who has 573 points; and Tom Bigelow of Whitewater, Wis., with 553 points.

These and at least 19 other top USAC drivers will be on hand for the event, staged on the half-mile dirt oval at the Tri-City Speedway, 5100 Nametown Road.

Spalding, who has dominated the events at the speedway this

year, will compete in a new midget car as the teammate to Joe Saldana of Lincoln, Neb. The evening's program will begin with time-trials at 6:30 p.m. Saturday. The top 32 cars will qualify for the evening's program.

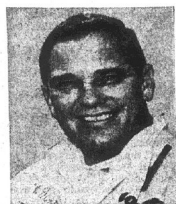

The fastest eight cars will be pitted in the first, or "fast" heat event at 8 p.m., starting in inverted order with the fastest qualifier at the rear. All heats will be 10 laps or five miles.

The ninth through 16th fastest cars will line up in inverted order for the second heat. The 17th through 24th fastest cars will compete in the third heat event and the remaining eight cars which qualify for the event will race in the "slow" heat.

The first four finishers in each heat will qualify for the feature race. The 16 cars which do not qualify will be pitted in a 12 lap semi-feature event with the top four finishers advancing to the feature.

The remaining 20 cars will line up according to qualifying time with the front nine, inverted for the feature. The final event of the day will pit the cars in 40 laps of racing on the half-mile oval.

The event will be the first USAC promoting venture for Gary Jenkins of Rosewood Heights. Tickets will be \$4 for adults. Children under 12 will be admitted free if accompanied by their parents.

Punt-Pass-Kick Event Saturday

The annual "Punt, Pass, Kick" contest will be held at 1:30 p.m. Saturday at the Granite City High School athletic field for boys 8 to 13.

They may register this week at the B. E. Hohl Ford Agency, 1837 Madison Ave., or if accompanied by parent organization, at the high school on Saturday.

The local contest, supervised by the Granite City Jaycees, will be followed by district, area, division and national competition. Three trophies will be awarded here in each of six age groups. Each boy will compete in punting, passing and kicking. No special foot gear as football shoes or boots should be worn. Tennis shoes are recommended.

To compete a boy must reach his 8th birthday by Jan. 21 while not reaching his 14th birthday by the same date. Owen Ross and Jim Thrane are Jaycee project chairmen.

News Notes

A link between Illinois Route Three and the Poplar Street Bridge is being opened to traffic this afternoon. The connector segment was built at a cost of \$5½ million and completes the interchange that directs traffic from Route Three, Route 460 and Interstate 55 to across the bridge toward St. Louis.

A new Chicago-St. Louis passenger rail route bypassing Alton and coming through this area was urged by Joseph Vranich yesterday. He is executive director of the National Association of Railroad Passengers. Turbo trains capable of going 110 miles an hour would take an hour to travel 27 miles from St. Louis to Alton due to winding, congested routes, he said. Amtrak officials declined to comment.

Renovation of various units of the Madison County Housing Authority is planned at a cost of up to \$2½ million. Edward Foley of Venice, chairman, said Tuesday. He reported receipt of verbal approval from the U.S. Department of Housing and Urban Development.

The Granite City Steel Labor-Management 30-Minute Club has voted to allow members to contribute more than 30 minutes of their pay each month to club-supported charities. Added options are for 40, 50 or 60 minutes' pay.

The St. Clair County Board on Monday rescinded its service charge for collecting taxes and ordered a 20% cut in county spending. A similar fee by Madison County has been challenged.

Gov. Richard B. Ogilvie received a standing ovation Monday after defending his labor record in a talk at the annual Illinois AFL-CIO convention held in Chicago.

With today's last day to register the 70,000 advertising signs along the 16,000 miles of primary highways in Illinois, less than half have been registered by their owners. Unregistered signs must be removed by next July 1 under legislation in which the state is trying to meet federal highway rules.

Parents and students eligible to enter college in September 1973 may attend a public seminar of the Illinois State Scholarship Commission from 7 p.m. to 9 p.m. Friday at the East St. Louis Holiday Inn.

BIRTHS

Births recorded at St. Elizabeth Hospital:

Mr. and Mrs. Virgil Haddock, 4828 Warnock Ave., Sept. 25, Kathy Ann, six pounds, 13 ounces.

Mr. and Mrs. Jerome Hedger, Collinsville, Sept. 25, Brandy Denise, seven pounds, three ounces.

Mr. and Mrs. Terry Marshall, Collinsville, Sept. 26, Amanda Maeline, seven pounds, 13 ounces.

Mr. and Mrs. Nathan Householder, 2226 Lee Ave., Sept. 27, Misty Lynn, seven pounds, 13 ounces.

Mr. and Mrs. James Schreier, 2214 Madison Ave., Sept. 28, Tami Lynn, seven pounds, 12 ounces.

BOYS
Mr. and Mrs. William Fithen, 3033 Circle Drive, Sept. 25, twins, Robert James, seven pounds, four ounces and Thomas John, six pounds, 10 ounces.

Mr. and Mrs. Max Filson, 4037 Thomas John, six pounds, 10 ounces.

Mr. and Mrs. Clarence Gibson, 2333 North St., Sept. 26, Chad Elbert, seven pounds, two ounces.

Mr. and Mrs. Alan Johnson, 3008 Wayne Ave., Sept. 26, Drew Alan, nine pounds, two ounces.

Mr. and Mrs. David Cornet, 3702 Pontoon Road, Sept. 27, Rodney David, eight pounds, 10 ounces.

Mr. and Mrs. Terry White, 2905 Roosevelt Ave., Sept. 27, Richard Wayne, seven pounds, five ounces.

A hearing has been set for 9 a.m. Oct. 20 at Edwardsville on a suit by the city of Venice against a Madison County tax collection service charge.

The Edwardsville School Board voted this week not to host any more state basketball tournaments. The Edwardsville High School gymnasium suffered \$500 damage from angry spectators at a sectional game March 10 between Lincoln and Collinsville.

Lieutenant John Cooper will replace Robert Rizzo as assistant chief deputy sheriff of Madison County. Rizzo is the new chief deputy.

The Illinois Supreme Court on Tuesday ruled invalid residency requirements of more than 30 days to qualify for registration as a voter in this state.

Johnny Bill Brien, 36, Dies; Rites Friday

Johnny Bill Brien, 36, son of the late Aaron and Erlene Brien, died Wednesday morning in Memorial Hospital at Springfield, Ill.

A former resident of Madison, he attended Lincoln High School where his father was principal.

He had been an employee of the State of Illinois for 14 years and was employed in the office of State Auditor Michael Howlett.

Graveside services tentatively are scheduled for 1 p.m. Friday at Valhalla Cemetery in Belleville.

PARKVIEW SCHOOL PTA BUDGET IS APPROVED

Parkview School PTA began the new year with a general meeting held by Mrs. Pat Guntz, president.

The principal, Mrs. Agnes P. Fryntko, introduced members of the faculty and school staff, and spoke on changes in the grading system.

A discussion was held on school crossing walks and the possibility of adult guards.

Reports were given by Miss Pat Crump, Mrs. Charlotte Root and Marvin Meng. The budget for the year was accepted, and plans were approved for a gift wrap sale.

Mrs. Guntz announced that the executive board will serve as a ways and means committee during the year.

The PTA presented the school staff with gift desk caddies. The night's prize went to Mrs. Yvonne Lipchik, and room attendant.

Announcements were made of an Area PTA Council pot luck supper to be held at Johnson School, and the next Parkview PTA meeting in November.

CITIZENSHIP THEME OF CUB PACK SEVEN

Cub Pack Seven of St. Joseph's Catholic School, Edwardsville, observed its annual Citizenship theme.

One, led by Mrs. Donna Snyder, gave the opening flag ceremony.

New leaders introduced were Mrs. Dan Snyder, Den One, Miss Toni Snee, assistant for Den Two and Mrs. Louise Payne, who will assist her husband.

New scouts registered and introduced along with their parents or families were: Terry Forber and Mrs. Delora Norwell; David and Martin Kettler and the Rev. Robert Kettler; Scott Brouwer, Donnie Hill and Mr. and Mrs. Harry Hill; Keith Smick, and Mr. and Mrs. Curtis; and Mike Curtis and his brother, Mike Curtis; and Stacy Fitter.

Bobcat pins were presented to David Drexler and Jimmy Anderson. Other awards included: Tim Geisler, bear badge, gold arrow and year pin; Robert Mungro, silver arrow and year pin; Steven Payne, year pin; John Mungro, year pin; Mark Brouwer, deer badge and year pin; and Mark Dixon, assistant denmer bars.

Webelos awards went to Don and Mark Snyder, and two-year perfect attendance pin; Michael Bennett, two-year attendance pin; Richard Bowman, year pin; and Mrs. Myrna Geisler, four-year pin.

Demonstrations were given by George Buhman, leader, and neckerchief slide; George Buhman, decorative bird cage; John Waggoner, bank; and Jimmy Snyder, a candy cadet.

Announcement was made that the pack will hold a candy sale.

The committee will meet Oct. 2 in the school pack room, and the next pack meeting will be there Oct. 17 at 7 p.m., when the theme will be "Discovering America."

Refreshments were served by Mrs. Carolyn Curtis, Mrs. Gerry Burns, Mrs. Mary Dickson, Helen Drees and Mrs. Clare Mungro.

The "cubby" award went to the Webelos Den, led by Mrs. Myrna Geisler, conducted the closing, a "History of Our Flag."

7 Recovering After Surgery at Hospital

Patients at St. Elizabeth Hospital who have undergone major surgery:

William Ballard, Centerville, Ill.; Dolores Gorrell, 2850 John Glenn Drive; Martha Foreshee, 834 Alton Ave., Madison; Dolores Birkley, Collinsville.

Caroline Noud, Rural Route One, Granite City; Catherine Ware, 200 Weaver St., Venice; Maurice McKiss, 2517 Center St., Edwardsville.

Services today for Brother of GC Man

Funeral services were held at 10 a.m. today in Fairview Heights for Morris Melvin Lail, Jr., 33, of 9604 Mark Trail, Fairview Heights, a brother of Earl W. Lail of Granite City. He was pronounced dead upon arrival Monday at Belleville Memorial Hospital, after he was stricken in his home.

He also is survived by his wife, Mrs. Dorothy Lail, two daughters and another brother.

In Hospital

Lawrence McCauley, 3237 Princeton Drive, retired principal of Granite City High School, is recovering from heart surgery at St. Elizabeth Hospital on Tuesday. He had attended the Granite City High School football game Friday night, that was dedicated in his honor.

Trust Services Topic Of Rotary Club Talk

Allen Walker, a Granite City attorney, spoke on trust services and estates at Tuesday's luncheon meeting of the Granite City Rotary Club at the YMCA.

In his talk, Walker outlined the need of everyone for some type of trust arrangement and discussed benefits gained by arranging such a program involving their estates.

Assisting Walker in evaluating and suggesting ways of providing this service were Robert Hildebrand of Granite City Trust and Savings Bank and Harold Bauman of First Granite National Bank.

Forty members attended the meeting, conducted by Richard West, president. After discussing current business affairs of the club, West emphasized the need for all members to take an active part in the club.

The next meeting, which will begin tomorrow night.

GC Firemen Respond To Three Alarms

Granite City firemen responded to three alarms Tuesday as fires caused limited damage.

A faulty fuel pump resulted in \$800 damage to the 1971 auto of Mike Sues, 2304 Arnold Drive, as it burst into flames when he tried to start it at 5:40 p.m. Tuesday at 2800 Nameoki Road.

Vandals set fire to awnings at 5:40 p.m. Tuesday at a building at 2400 Iowa St., with the loss set at \$350. The building, housing a confectionery and a beauty shop, is owned by John Boyer.

Lightning struck wiring at a residence at 2031 Bryan Ave. at 5:40 p.m. Tuesday, causing about \$25 damage to the contents, including a radio and light bulbs.

Anthony McCrea, 9, Is Fair at Burns Center

Anthony McCrea, the 9-year-old Granite City boy who was severely burned on both legs June 3, is in fair condition, undergoing treatment at Shriners Hospital for Crippled Children, Burns Institute, 300 Goodman St., Cincinnati, Ohio.

A report on the boy's progress from physicians at the hospital was received this week by members of the Tri-City Shrine Club. Friends may send cards to the youngster at the Burns Institute address.

John Onseky Home from National Police Meet

Madison County Deputy Sheriff John J. Onseky, 1724 Sixth St., Madison, returned home from the International Police Association National Council Meeting held during the week in Hauppauge, N.Y.

The meeting marked the 10th anniversary of the United States section of the association. The association is made up of police officers from all over the world. Onseky is a member of Region 8 with offices in St. Louis.

Ice Skate 'Swap Shop' Sunday at Park Rink

The annual ice skate "Swap Shop" will be held from 2 to 4 p.m. Sunday at the Wilson Park ice rink. Residents may exchange, purchase or sell used or discarded ice skates during the event.

Tables will be set up in the rink warm-up area for those wishing to display skates. The new season is to start Oct. 8.

Reservations Open For Hairdressers Meet

Reservations are now being accepted for hairdressers who plan to attend the Beauty Caravan all-day program and fashion show Monday at Holiday Inn, Edwardsville.

Local residents may contact Miss Joanne Precourt at 2501½ Iowa Ave., or call her at 876-8380 or 831-3331.

Sponsored by the Illinois Hairdressers and Cosmetologists Association, the educational program will be held from 9 to 11:30 a.m. for licensed hairdressers only. A luncheon and fashion show starting at 12:30 is open to the public.

Postpone Hearing

A hearing involving Mal Sanitary Landfill, scheduled to begin this morning at City Hall in Granite City, was postponed for the second time by the Illinois Pollution Control Board. The new dates for the hearing are Oct. 19 and 20, starting at 10 a.m. both days.

The Illinois Environmental Protection Agency has alleged 84 violations of regulations over the past two years.

Hospital Auxiliary Honors Volunteers

The St. Elizabeth Hospital Auxiliary reaffirmed its objectives to help the Granite City Hospital continue its program of expansion and improvement at the group's annual awards banquet Monday evening.

Dinner was served in the Wiesman Room at the hospital to about 150 members and guests.

Mrs. Margaret Lee, auxiliary president, was in charge and the program and entertainment was the presentation of service awards to Pink Ladies, Candy

Strippers and Junior Volunteers. The awards were bestowed on the individual honorees by Mrs. Geri Reber, director of Economic Opportunity Commission staff. The EOC official stressed the urgent need for establishment of a public health department in Madison County.

Musical entertainment was provided by Miss Cynthia Kraf, accompanied at the piano by Miss Luena Keeton, and Dennis and Dale Hornbarger, who presented vocal-guitar numbers.

Auxiliary members and guests were invited to attend dedication of the St. Elizabeth Hospital Trauma Center, set for Oct. 3.

Junior College Research Begins

A study of possible junior college services for the Quad-City area was launched Tuesday by a study committee formed at the suggestion of the Tri-Cities Chamber of Commerce.

Research assignments were distributed by Chairman Leo H. Konec and a second meeting was planned for late October.

Dr. Fred Wellman, executive secretary of the Illinois Junior College Board, said alternatives include formation of a new district, joining either the Belleville Area College or Lewis and Clark Community College, annexing to the State Community College in East St. Louis, considering joining some junior college district farther to the east or awaiting state assignment of this area to a junior college.

The deadline for any local level action is July 1, 1973, despite references in the law to final statewide disposition by Aug. 1, 1974. Dr. Wellman said.

The Chamber of Commerce board of directors at a special session yesterday voted to adopt new dues program under which Chamber services will be financed under a fair share program. It calls for dues systems related to the composition of 15 specific membership categories.

The Chamber board voted to accept the resignation of Edward B. Kellogg as executive vice-president effective Dec. 31.

\$215,196 Low Bid on Horseshoe Lake Outlet

Bids for a low-level outlet at the south end of Horseshoe Lake were opened today at Springfield by the Department of Transportation's Division of Water Resources Management.

The bids were \$215,196 from G. H. Sternberg & Co. of Granite City and \$207,000 from the Frain-Colton Co. of St. Louis.

Both exceeded the state's estimate of \$157,835 for the project. The project includes a 160-foot low flow control structure with a gate to regulate the water level. A department spokesman said the project may be rebid.

Park ID Cards Tonight

Residents of the Granite City Parks District may obtain park identification cards from 7 to 9 p.m. today at the Wilson Park ice rink.

St. Bartholomew Fall Schedule

St. Bartholomew Episcopal Church, 22nd Street and Grand Ave., will resume its full program of services this week, the Rev. Wilbur Lear, rector, said today.

The service schedule will include Holy Eucharist at 5:45 p.m. Saturday and 7:30 a.m. Sunday, and the Sung Eucharist and sermon at 10:30 a.m. Sunday.

In preparation for the 95th annual Synod of the Springfield Diocese, set Oct. 6-7 in Belleville, the fall collection of the United States Conference of Bishops will take place at St. Bartholomew's this Sunday. Also Sunday, the women of the church will receive the semi-annual corporate communion during 10:30 a.m. services.

Weekly services also will begin again next week, the pastor said. Holy Eucharist will be offered at 7 a.m. each Tuesday and Wednesday and at 5:30 a.m. on Wednesdays and Fridays.

Confessions will be heard at 4 p.m. Saturday, or at other times by calling St. Bartholomew's at 876-7245, or 876-9097 for an appointment.

MADISON BAND PARENTS TO MEET MONDAY NIGHT

Mrs. Shirley Clark, president of the Madison Band Parents, is inviting all parents of band students to meet at Madison Junior High School Monday evening at 7:30. It will be the group's first scheduled fall meeting.

William Williams, band director, will be present to meet the parents and discuss topics of interest to them.

Rites for John Idoll

Services were held at St. Stephen's Catholic Church in Caseyville at 10 a.m. today for John R. Idoll, 43, of 438 S. Fourth St., Caseyville, a foreman at Consolidated Aluminum Co., Madison. He suffered an apparent heart attack at his home and was pronounced dead upon arrival at Belleville Memorial Hospital Monday.

Survivors include his wife, Mrs. Dolores Idoll two daughters and two sons, all at home; one sister.

20TH DELMAR ACCIDENT

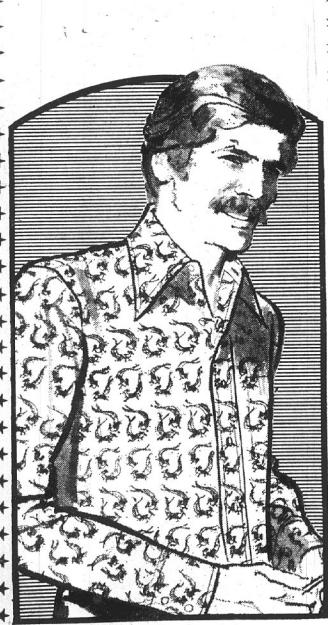

Auto driven by Angela B. Wiser, 2006 Park Ave., and Margaret A. Robbins, 2416 Central Ave., were in an accident at 5:20 p.m. Wednesday at 20th Street and Delmar Avenue.

PARKING LOT ACCIDENT

The Nameoki Village shopping center was the scene of a collision of autos when by Charles N. Warnock, Granite City Army Installation, and Mary A. Hughes, 2715 Roosevelt Ave., at 5:40 p.m. Wednesday.

Building Permits List Values of \$37,315 in GC

Thirty-two building permits have been issued for new construction in Granite City so far this month, listing values totaling \$37,315.

Two were for mobile homes at \$9,000, four for commercial purposes at \$14,565, three for additions at \$7,200, seven for garages and carports at \$10,150 and 16 for remodeling and repairs at \$14,565. In addition two permits were granted to raze structures at a cost of \$15,250.

Obtaining permits were: John W. Mays, mobile home at 2026 Twelfth St., \$6,000; Leonard Williamson, mobile home at 1729 State St., \$3,000; Burger King Corp., 3406 Nameoki Road, remodel interior, \$1,000; Raymond Kidwell, office building at 2201 Lee Ave., \$1,200.

Gamm's Shoe Store, 3212 Nameoki Road, remodel interior, \$1,200; Seebold Construction Co., 23rd and Adams streets, install aluminum siding, \$1,200; Leonard Anderson, addition at 23rd Street and Madison Avenue, \$2,000.

House Additions
Everett White, 2316 Proges Ave., addition to house, \$2,300; Lindell David, 2442 E. 24th St., room addition and aluminum siding, \$2,500; Frank Hahn, 2216 Alexander St., carport, \$480; Bob Walkenbach, 2741 Ralph St., garage, \$1,600.

Lily Morgan, 2406 Adams St., garage, \$1,000; James Lorden, 29 Riviera Drive, garage, \$3,000; Steve Nemeth, 3 Country Lane, addition to garage, \$250; Marie Wetton, 1520 Garfield Ave., cover carport and soffits, \$1,900; Vincent J. Mursula, 1628 Delmar Ave., garage, \$1,920; Clarence Shelton, 2520 E. 25th repair porch, \$300; William Cherry, 1525 Pontoon Road, repair basement, \$45; Milford Degear, 2121 Nevada Ave., repair porch, \$250; James Schmidt, 2129 Bryan Ave., remodeling and repairs, \$2,000.

Allie Smith, 2631 Iowa St., repair porch, \$40; Donald Adams, 2924 Madison Ave., repair roof, \$600; Shirley Dion, 2157-59 Benson St., repairs steps, \$1,000; Everett Kelly, new roof at 2839 Grand Ave., \$390.

More Remodeling Repairs
Richard Marchetto, 2945 Washington Ave., new roof, \$600; Roy Thomas, 2816 Emme St., new porch, \$400; Bill Hoppe, 2815 Edwardsville Road, install siding, \$800; Charles Mudd Jr., 3013 Sunbury Ave., install aluminum siding, \$1,500.

Larry R. Powell, 2404 St. Clair Ave., install brick siding, \$2,225; Julia Lotzy, 1735 Chestnut St., install aluminum siding, \$2,000; George Nesbit, 2551 E. 28th St., install aluminum siding, \$2,000; Jack A. Allen, 29 Briarcliff, storage shed, \$400.

Permits to raze structures were obtained by E. A. Karandorf, a former bank building at 1500 Cleveland Blvd. at a cost of \$15,000, and Bill Lehn, a foundation at 2809 Willow Ave., \$250.

Shotgun Blast Fired At Auto and Driver

A Venice man reported at 8:10 p.m. Tuesday that passengers in another auto fired a shotgun blast at his auto on McCambridge Avenue near Third Street in Madison. John Brink, 743 Broadway, Venice, said he was northbound on McCambridge when a blue 1968 or 69 auto with three or four men inside began to pass him. When the cars were side-by-side, a man in the other auto fired the shotgun, striking the left front window of Brink's auto. He was not injured.

Hospital Notes

Patients admitted to St. Elizabeth Hospital, Tuesday, September 28, 1972 were:

Darrell Bucher, East Alton; Angela Kramer, 3131 Maryville; Glenn Boushard, 128 Holliday Park; Terry Forbes, 2263 Benton; Elizabeth Struchhoff, 2330 Hodges; Karen Simpson, 2420 Angela; Gary Sorenson, 2421 Lincoln; Timothy Smith, Caseyville; Roy Travis, 3178 Jill; Gerald Bushue, 50 Riviera; Rhonda Goforth, 2203 Edwards; Jessie Campbell, East St. Louis; Shirley Tomlin, 721 Twenty-Seventh; Russell Gurnow, 235 Holiday Park; Pamela Lucash, 2620a Grand; Betty Black, 2321 North; Charles Libby, 1628 Venice.

Lavada Webb, 1629 Wilson; Nellie Ezell, 2815 W. 22nd; Helen Allen, 1724 Venice; Kenneth Spalding, 3317 Colgate; Marie Condran, 2905 Edwards; Audrey Sperry, 2821 Washington; Frances Wargin, 1662 Sixth; Madison James Handlon, 2824 Nameoki; Pearl Noeller, 3975 Lake; Bradley Arnold, 225 W. Pontoon; Sharon Earney, Rural Route 1; Shirley Parker, 315 Wilson Park; Linda Beck, 149 Briarwood; Joseph Jackimczak, 801 Iowa; Madison Horvath, Rural Route #1; Lawrence McCauley, 3237 Princeton; Anthony Ramsport, 3001 Kirkpatrick; John Gloick, Collinsville; Peggy Conley, Hazelwood, Mo.

State Income Taxes Distributed to Cities

Madison County and its city governments received a total of \$213,997.63 as their share of state income tax collections for July and August, according to the office of Gov. Richard B. Ogilvie.

Amounts paid this month, based on population which is listed first, include Granite City, \$4,585, \$34,660.18; Madison, \$7,042, \$59,921.18; Pontoon Beach, \$4,949, \$2,065.48; Venice, \$4,680, \$1,986.96; and county government (unincorporated), \$4,883, \$63,628.60. The total county population was listed as 251,196.

Totals paid so far this fiscal year and the amount paid last fiscal year include Granite City, \$46,888.26 and \$307,838.01; Madison, \$8,115.68 and \$33,442.57; Pontoon Beach, \$2,821.25 and \$18,578.13; and Venice, \$5,389.53 and \$35,517.05.

State-wide, a total of \$12,808,519 was distributed to Illinois counties and municipalities for the two months. The estimate for tax sharing, this year through August, is \$85 million, more than \$10 million over that distributed last year.

The funds are used by local governments with no strings attached. The municipalities may use the money for needs they consider most pressing, the governor pointed out.

Shoplifting Clinic Scheduled Oct. 10

As a service to the business people of the Quad-City area, the Associated Retailers will sponsor a Shoplifting Clinic Tuesday, Oct. 10, at the YMCA in Granite City. The hours of the clinic will be from 8:45 a.m. to 10 a.m.

The clinic is being made possible by the cooperation of the Granite City, Madison, Venice and Pontoon Beach police departments.

The program will consist of a movie followed by a discussion period. City Attorney Leon G. Scroggins will be present to answer any questions you may have.

Minerva Reading Club members met in the home of Mrs. Shirley Rapoff, with Mrs. Clova Taylor and Mrs. Helen Holder as co-hostesses. A wiener roast was enjoyed by the group.

Member thanked Mrs. Ruth Bevil for making program booklets for the club year. Reservations are being made in advance for "fun night."

Present were the president, Mrs. Birdie Weiss, and Mesdames Helen Daley, Ruth Kinder, Mary McBain, Mary Molitor, Mary Rekas, Helen Purkale, Vivian Rowden, Mary Stanfill, Georganna Waggoner, Judy Zesset and Marilyn Juneau.

Mrs. Juneau presented the theme "Nationality" as topic for the program.

MRS. FERRO HOSTESS
The Rainey Suez Pinocchio Club met in the home of Mrs. Evelyn Ferro, 2520 Delmar Ave. A dessert luncheon was served upon arrival of the members.

Reservations were made for the annual Christmas party to be held in December. Mrs. Pauline Holman invited the members to the next meeting in her home.

Other member's playing games were Mesdames Betty Allen, Ted Waller, Lorraine Joshi, Lucille Brayles and Pauline Hoffman.

Club members met in the home of Mrs. Lenna Williams, 1638 Sixth St., with games being played upon the arrival of Mesdames Helen Daley, Fay Foley, Rose Richardson, Helen Richardson and Cornelia Holman and a guest, Mrs. Dorothy Leffler.

Prizes were awarded, after which each member made a banana split with various toppings.

Mrs. Hommert invited the members to her home for the October meeting.

Boy Paints Sculpture At School, Is Caught

A boy used green enamel to paint a sculpture in front of Coolidge Junior High School on December 1, when he then threw the paint can against the school building during the night. It was reported at 10:10 a.m. Wednesday.

The boy was reprimanded by Mike Sikora, school principal, who said he would confer with the boy's parents about paying for the damage.

Pollution Board Hearing On Variance Plea Set

An Illinois Pollution Control Board hearing will be held Monday at 10 a.m. in the Civil Defense Building, 1411 Nineteenth St., to receive testimony in a request by the East Side Levee and Sanitary District for a variance in deadline dates for complying with water pollution control regulations.

William "Mike" Ebersoldt of Venice, president of the levee district board, said the variance petitions requests changes in deadline dates for adding chlorination facilities at the Lansing Sewage Treatment plant operated by the levee district in East St. Louis.

HITS HIGHWAY SIGN

The northbound auto of Janice R. James, 2633 Delmar Ave., slid on wet pavement on McCambridge Avenue at the north end of the McCambridge viaduct and struck a state highway sign at 6 p.m. Tuesday.

Henry Willbanks, 74, Former Resident, Dies

Henry T. Willbanks, 74, of Licking, Mo., who formerly lived in Granite City for more than 40 years died at 2:30 p.m. Monday in the Rolla Mo. Hospital. He had been ill six months.

He was a retired employee of General Steel Industries. He moved to Licking in 1964.

Surviving are his widow Mrs. Pauline Willbanks; two daughters Mrs. Herschel (Marlin) Thrasher of Granite City and Mrs. Fern Vaughn of Salem, Ark.; two sons, Alvin Willbanks of Beulah, Mo. and Norman Willbanks of Salem, Ark.; one stepson, Robert Gozia of Germany; a sister Mrs. Lu Ann Studley of Sapulpa, Okla.; 24 grandchildren and 21 great-grandchildren.

Funeral services were conducted at 2 p.m. today at a funeral home in Licking, Mo., with burial in the Licking cemetery.

Granite City PRESS-RECORD Thurs. Sept. 28, 1972 Page 9

Boy Chased by Dog Runs into Auto, Hurt

A boy being chased by a dog ran into a parked auto at 2208 Cleveland Blvd. and injured his forehead at about 6:30 p.m. Tuesday, he told police in the emergency room of St. Elizabeth Hospital.

He is Terry Forbes, 8, of 2263 Benton St., who said it was a large tri-colored dog owned by a woman in the neighborhood and was accompanied by two other dogs.

HITS SIGN, SIGNAL

William J. Manion, 2408 Edwards St., was charged with destruction of city property after his auto knocked down a street sign and a traffic signal as he was making a right turn from Madison Avenue onto Niedringhaus Avenue at 9:45 a.m. Wednesday. The right front wheel jumped the curb and the driver lost control.

Schedule of Operation at Wilson Park Rink is Set

The fall skating season at the Wilson Park skating rink will open to the public Sunday, Oct. 8 unless unseasonably warm weather should delay the freezing process. Harold E. Brown, director of parks and recreation, announced today in a schedule of hours for operation of the rink.

The scheduled includes:

Sunday hours—1 to 3:30 p.m.; 3:30 to 6 p.m.; 6 to 8:30 p.m.

Monday through Friday—7:30 to 10 p.m.

Saturday—(skate school) 10:30 a.m. to 12:30 p.m.; regular sessions—1 to 3:30 p.m.; 4 to 6:30 p.m.; and 7 to 9:30 p.m.

Special skating hours—adult session on Wednesday 9:30 a.m. to 11:30 a.m.; Friday 9:30 to 11:30 a.m.

Skate school—Saturday, 10:30 to 11:30 a.m. and 11:30 a.m. to 1:30 p.m.

Family night—Tuesday, 7:30 to 10 p.m. and Adult night, Sunday 8:30 to 11 p.m.

After school skate—Thursday, 3:30 to 5 p.m.

Admission fees for park dis-

trict residents are set at 75 cents for adults; 50 cents for children through high school age; skate rentals, 50 cents; non-residents, adults \$1.25; children 75 cents.

Books of tickets for residents only are available at the park district office for adults containing 10 tickets for \$7; for children—10 tickets for \$3, and family passes per season, \$35.

Any group or organization wishing to use the ice rink for private parties may contact the ice rink manager for details at 877-2549.

AUTOS IN ACCIDENT

Autos driven by Gary N. Powers, 2126 Johnson Road, and Patricia S. Sargent, 2344 Miracle Ave., were in an accident at 7:40 a.m. Tuesday at Waterman and Vine avenues.

Joseph's School to Award 6 Scholarships

As a community project, Joseph's School of Hair Fashions will award six scholarships to talented individuals who are unable to pay tuition for the complete course. It was announced today by Helen Cochran, a representative of the school.

To provide an opportunity to persons interested in a professional career as a hair stylist, the school will offer the six scholarships for evening classes only.

Those who need assistance may visit the school to fill out an application and learn more details on the planned program.

Mrs. Cochran added that any minister, youth co-ordinator or social worker who has contact with an individual that may wish to participate in the initial class may call on Mondays, at 578-7400 between 9 a.m. and 5:30 p.m.

\$500 CONTEST WINNER at Schermer's Market, 12th Street and Madison Avenue, during the weekend was the Rev. Christ Lyles, 1512 Fifth St., Madison, left. With him is Avery Schermer, operator.

Conkovich Named to Head Local Campaign

Steve Conkovich, public relations chairman of Amvets Post 31, has been named chairman of the Veterans for the President campaign in the Quad-Cities.

Conkovich, a World War II Navy veteran, requested local veterans contact him to participate in the campaign. He said charter membership cards in

MINIBIKE STOLEN

A blue minibike was stolen in a burglary of the apartment of Clara Ringling, 307 Kirkpatrick Homes, she reported Monday. Entry was gained by breaking a night lock. She said the bike had a flat tire.

The Veterans for the President campaign are available as well as buttons.

300-Pound Pig Named Ambassador One of Stars of Illinois Farm Mission to Russia

BY GOVERNOR
RICHARD B. OGILVIE

A fascinating number of people and news events are part of the nice aspects of being governor.

Secretary of Agriculture Earl Butz has become one of my favorite people, for example, in the short time he's held his job. He's outspoken to a high degree, and he makes it plain he's fighting with every weapon he has to pull American agriculture out of the doldrums it's been in for so long.

Just a few minutes ago, we held a kind of farewell news conference for members of the Illinois farm trade mission to Russia.

Butz mentioned the possibility that American farm sales abroad could conceivably increase by \$2 billion this year. This, in turn, could increase the Illinois share by \$250 million—on top of last year's \$103 million increase.

At last year's levels, our farm

sales abroad run to about \$280 for every typical Illinois family—farmers and city dwellers alike.

It doesn't take an expert economist to figure how big a boost this brings to the economy of Illinois.

Butz also mentioned something which I suppose is elementary, but still worth storing away.

Illinois is in the center of the largest contiguous land mass on earth which is highly suitable for crop production.

Obviously, we have some natural advantages which helped us become Number one in foreign sales, but I still insist we try harder than the runners-up.

Butz was followed by Harold Steene, a downstate hog farmer who is president of the Illinois Agricultural Association, the largest of the farm groups.

He made a point every taxpayer and every farmer should be delighted to hear:

"The key to a healthy farm economy does not lie in the area of idle acres and government payments."

Ames! In a hungry world, this loss of economic and human potential cannot be tolerated.

Thanks to the Russians—and to some extent the Chinese—some of our huge farm surpluses will be whittled down to manageable size this year.

And without being boastful, the plain fact is that in many areas of farm production, Americans do the best job in the world.

For proof, we could offer one of the star members of the farm mission to Russia—a 300-pound ventured male pig named Ambassador, grand champion barrow of the Illinois State Fair.

He's a better bargain in meat than his counterparts around the world because we have high-quality feed and the expense to get hogs to market earlier than in other countries.

Similarly, the girl who raised him is not a plodding peasant. The girl is Colleen Callahan—a mighty attractive young lady now in her final year at the University of Illinois.

Both her father and her grandfather successfully raise hogs in Iroquois County, and Colleen probably would give them a lot of the credit for her success with Ambassador.

I just hope Soviet officials who'll receive Ambassador as a gift to Premier Kosygin think to ask a few questions about the barrow's age and weight. We've got some good answers.

Another news event that interested me this week involved our director of conservation, Henry Barkhausen, who announced plans to increase state fish hatchery production.

Believe me, that's not an obscure subject when you know that Illinois sold nearly 900,000 fishing licenses last year, while another 350,000 persons were permitted to fish without licenses.

Since 1940, we have made great strides in the kind of scientific management of our waters that puts fish at the ends of those 1,450,000 fishing lines.

Unfortunately, many of the 9,350 miles of streams in Illinois are still badly polluted—but improvement last year cut down further degradation by a ratio of 1.6 to 1.

Among 19 water basins surveyed, only eight showed evidence of harmful human wastes.

That was less than state standards for every typical Illinois family—farmers and city dwellers alike.

Another 11 major basin areas had wastes as high as considered safe.

Obviously, our pollution efforts have still got a long way to go.

The week ended with excellent news in another problem area.

Tragic deaths during the critical first half of September—which includes the Labor Day rush—were 32 fewer than in the year before.

A good showing, and yet 79 persons died in the period, including 28 victims in accidents in which only one auto was involved.

Word of caution and perhaps of hope might be in order here:

Effective Oct. 1, Illinois drivers—like drivers in the other 48 states—will be asked to submit to breath tests when stopped on suspicion of drunken driving.

The alternative is suspension of the privilege of holding a driver's license.

I hope next year's death totals will reflect even greater improvement than this year's encouraging figures.

Portell Proposes \$421,977 Budget, Down by \$16,400

A proposed budget of \$421,977 for the office of Willard V. Portell, clerk of the Madison County Circuit Court, has been presented to the Finance Committee of the Madison County Board.

The amount is \$16,400 less than the department budget for the current fiscal year of \$438,377 and is expected to be increased by \$7,767 if salary raises are granted to about 50 of his clerks. Recommendations for the pay hikes have been accepted by the board's Personnel Committee.

The major cut is for microfilming of records, from \$40,000 to \$20,000, as the microfilm program now is up to date.

Portell told the committee.

Other decreases were for furniture and equipment, down \$1,000 to \$8,000; office expenses and supplies, \$1,000 to \$2,000; travel expense, \$200 to \$7,000; and physicians' mental fees, \$300 to \$4,500.

Portell asked \$6,000 for court costs, state cases and witness fees, up \$2,000; \$19,000 for his salary, up \$4,000, approved by the County Board last month; and a new item of \$100 for membership fees.

The official estimated his office will have earnings of more than \$320,000, exclusive of tax money, almost \$100,000 more than his budget request.

The excess amount is transferred to the county general fund.

The fiscal year ends Nov. 30, and the board is expected to adopt a county budget at its Nov. 22 meeting.

THEFT FROM AUTO

Robert Flannery, Cottage Hills, reported at 4:10 p.m. Monday that an automatic rifle tape deck valued at \$70 and 12 tapes valued at \$70 were stolen from his locked 1963 auto while it was parked during the day on the Granite City Steel Co. 16th Street parking lot.

Voter Registration Week Proclaimed Here

The four mayors in the Quad-Cities Tuesday signed a proclamation designating Monday through Oct. 10 as Voter Registration Week here. Oct. 10 is the last day to register to vote in the Nov. 7 general election. The proclamation was signed by Mayors Donald Partridge of Granite City, Mike Sasyk of Madison and Dr. John E. Lee during a meeting at Partridge's home Tuesday morning. Otto Kreher of Pontiac Beach, who was unable to attend, signed the document later.

The Granite City Council endorsed the non-partisan document Sept. 18. The text follows:

"Whereas, government on the local, state and national levels is effective only inasmuch that it reflects the desires of the people. And Whereas, the most effective medium for the people of the United States of America to guide their political forces is by helping to elect their political leaders.

"And whereas, many eligible voters have in the past rejected their rights and duties to help choose our political leaders through voting. Now therefore, we, the mayors of the cities of Granite City, Madison and Venice and the Village of Pontiac Beach do hereby designate the week of October 2 through 10 as Voter Registration Week in the Quad-Cities and do urge each and every eligible citizen to register and vote in the Nov. 7 general election.

Mrs. Naomi Woods, 79, Dies In Nursing Home

Mrs. Naomi Woods, 79, of Rural Route Two, Box 7908, Granite City, died at 12:05 p.m. Monday, Sept. 25, 1972, at the Pleasant Rest Nursing Home in Collinsville.

She was born in Douglas County, Mo., and lived in Granite City 55 years. Mrs. Woods was a member of the Reorganized Church of Latter Day Saints.

Her husband, Jasper Woods, died in 1950.

Survivors include two sons, Oco and Joseph Woods, both of Granite City; five grandchildren and seven great-grandchildren.

Funeral services were held Wednesday. Details are given in the obituary column.

SOMETHING OF VALUE — The Plymouth Fury for 1973: Fresh look coming at you or going away. Available in hardtops, sedans, and wagons. Above, the Fury Gran Coupe two-door hardtop. Standard equipment for 1973 includes electronic ignition, automatic transmission, power steering, power front disc brakes,

Display New Plymouths Domestic Steel Shipments Down During July

Granite Chrysler Plymouth, Inc., 19th Street and Grand Avenue, is "where it's happening" for those wishing to view 1973 models of the two automotive lines. Display of the new cars in the agency's showroom has started.

The 1973 Plymouth offerings include Cricket, Valiant, Barracuda, Satellite and Fury, while the other Chrysler Corp. divisions feature Chrysler and Imperial.

The Plymouth Cricket four-door sedan has been designated a station wagon, marking the first time that it has marketed a multi-car subcompact line nationally. There are strengthened bumpers and bumper guards to meet the five miles per hour front and 2½ mph rear barrier impact required by federal regulations.

The Valiant, a durable and successful compact car line, has new front end appearance, richer interiors and engineering improvements. It is called "a move-up vehicle offering much more than just basic transportation."

Handling and Styling
Barracuda for 1973 emphasizes features attractive to young drivers who demand a responsive car, good handling and sporty styling. The 318-horsepower V-8 engine has been made standard in both the Barracuda and Cuda series, with the 340 V-8 optional on both.

The Satellite intermediate line offers sophisticated new styling for two-door models and an isolated front suspension with quieter ride, plus engineering refinements across the board.

Plymouth Fury has styling, engineering and safety features designed to make the standard-size flagship an industry leader in its popular and practical body size. A new impact bumper blends with the hood, grille and fender extension; in the

rear, a quarter panel extension and taillamp complement an impact bumper.

Fury I, II and III have four-door sedans, and Fury III is available in a two-door hardtop and four-door hardtop. Station wagons are offered in Suburban, Custom Suburban and Sport Suburban series. A step up in luxury and appointments are the Gran Coupe and Gran Sedan.

Chrysler has many engineering improvements and some exterior design changes. Goals are more driver and passenger protection, better engine starting, security against intruders, less engine and transmission wear, reduced engine emissions and a quieter ride.

Improvements in the Imperial LaBran emphasize safety, comfort and security of the occupants and also make contributions to cleaner atmosphere.

A spokesman reports it has "the careful extra touches that make it one of the world's real luxury cars."

BRIDAL SHOWER FOR MISS KATHY ALGER

Miss Kathy Alger was honored at a personal wedding shower, held at Grace Baptist Church, Hostesses were Mrs. Chris Covins of Benld, Ill., and Mrs. Cecil Blaylock.

Miss Alger, daughter of Mr. and Mrs. Ford Alger, 26 Meadowbank Court, will be married at 7 p.m. Oct. 7 to Larry Marshall at Grace Baptist Church. Shower decorations included a bride doll and umbrella centerpieces. Prizes were awarded to Lorene Welty, Rachel Rysze, Clara Mallin, of East St. Louis, Ruth Lauerman of Millstadt and Norma Ridlen.

Refreshments were served. Others present were Nancy Harkey, Misses Shari and Becky Covins, Pat Oliver, Bonnie Riggs, Mrs. Pat Leveling of Tremont, Kitty Voss and daughter, Debbie, Kate Skinner, Edith Mallin of North Dupe and Mildred Alger, mother of the bride-to-be.

BRIDAL LUNCHEON HONORS MRS. HALL

Mrs. Betty King, 2575 North St., entertained at a bridal luncheon honoring Mrs. Wanda Hall, who will be married in November to William Herrman.

The tables were decorated in a natural theme, with centerpieces composed of outdoor materials dyed in hues of blue and arranged with bark. Blue candles in blue candelabras completed the setting. Favors were individual matchboxes decorated with tiny reproductions of famous paintings.

The honoree opened her gifts, and the afternoon was spent playing games, with prizes awarded to Mesdames Ida Shafer, Ruth Johnson, Marie Monroe, Evelyn Glazik and Mary Lee Herman.

Also attending were Mesdames Bette Rea, Rosa Beasley, Bea Shafer, Irene Andra, Patricia Polley, Nancy Meszaros and Janina Rosenberg, and Miss Glenda Moore and Miss Phyllis Rosenberg.

STEREO, TAPES STOLEN

A stereo tape player and nine tapes valued at \$8 each were stolen from the 1963 auto of Ronald Smith, 2422 Madison Ave., parked at his home, he reported this week.

Scott to Distribute \$4.5 Million Recovered Funds

Illinois Attorney General William J. Scott has announced plans for distribution of \$4.5 million obtained by his office in settlement of a price-fixing antitrust suit against five major drug manufacturers and distributors of the wonder drug "tetracycline" in the Federal District Court in New York City.

Distribution will be based on overcharges by the companies on sales to Illinois institutions and individual consumers from 1953 to 1966, Scott explained.

Scott said that under his plan of distribution the General Revenue Fund will receive \$1,644,659 and public hospitals and health centers throughout Illinois will share \$1,532,000. Of this amount, \$734,656 will go to Cook County Hospital in Chicago. An additional \$232,517 will be distributed to 565 individual private citizens who were victimized by the price-fixing scheme.

Scott also won another \$1,000,000 in damages over and above the specific claims of consumers which he has proposed be used for new public health programs for Illinois.

The new health programs recommended by Scott are:

1. A matching fund program for local drug abatement and education programs.

2. The establishment of community-based projects throughout the state to treat lead poisoning.

3. Creation of a state-wide telecommunication network as part of a program to provide emergency care to heart attack victims.

Scott pointed out that most of his proposed new programs would qualify for federal matching funds.

Under Scott's plan the proposed public health projects would be administered by a seven-man Advisory Council consisting of the Attorney General as chairman, a member representing medical profession, a member representing

the state educational system, a representative of the Illinois Department of Public Health, a religious leader, a representative of the Black Community and a representative of the Spanish-speaking Community.

In his public health proposal Scott stated:

"There is a need for a comprehensive preventive drug program in Illinois. Many communities where the drug abuse problem is acute have developed groups of concerned individuals who are seeking self-help organizations to deal with the problem."

Funds Not Available
Unfortunately, initial funds with which to implement such community programs are not available. Under our proposed program we would provide seed money which would result in matching federal funds for these local programs.

"The problem of pediatric lead poisoning is much greater than is generally thought. Prior to this year lead poisoning was

thought to exist only in areas of deteriorated housing in large metropolitan centers.

Tests by the Illinois Department of Public Health last year in 15 medium-sized Illinois cities demonstrated that a substantial number of lead poisoning cases were discovered in middle income and high income neighborhoods. At present there are no state programs of money appropriated or granted to deal with this serious public health problem.

The five drug firms involved in the antitrust suit and settlement are Charles Pfizer and Co., Inc., American Cyanamid Co., Bristol-Myers Co., Olin Mathieson Chemical Corp. and the Upjohn Co.

Political Information Available to Students

Students at Southern Illinois University at Edwardsville wanting to obtain information about this year's political campaigns may call the Community Involvement Project on the main campus.

Rimble Funk, assistant to the director of student activities, said the Community Involvement Project and the student government are sponsoring Citizen Power '72.

"This is a non-partisan effort to afford SIUE students the opportunity to take an active part in selecting their political leaders," Funk said.

Funk's office in the University Center (692-2686) has information on presidential, state and national legislative, gubernatorial and local candidates of the American Party, Democratic Party, Republican Party and Socialist Workers Party.

Funk said Citizen Power '72 also has names of area coordinators of various campaigns available to persons wishing to volunteer for campaign work.

Citizen Power '72 recently distributed nearly 3,000 forms to SIUE students during registration. Funk said of the 1,000 students returning the forms, about 90% said they were registered to vote and about 10% said they would like to be contacted to work in a particular campaign.

On a scale of political interest, 28% of the students returning forms checked "very high interest" — will vote and would like to campaign for a candidate.

Forty-nine per cent checked "high interest" — will vote and may campaign; 14% checked "interested" — will vote; and about 2% did not respond to the question.

Defendants in Court, One Held, One Released

Two defendants charged with aggravated battery in connection with a shooting and a cutting last Saturday at the 20th and Park Tavern appeared in court here Monday afternoon without entering pleas.

Jerry Warmack, 27, for whom a false address in the 200 block of Sherman Avenue had been listed, was released on \$500 cash bail, and Donald Dubois, 33, of 2708 Washington Ave., was taken to the Madison County Jail in lieu of \$5,000 bond set by Associate Circuit Judge Martin Hiscot.

The victims were John Dubois, 42, of 2708 Washington Ave., who was shot in the head and was admitted to Firmin Desloge Hospital, St. Louis, and Charles Warmack, 35, of 2424 State St., who suffered two long cuts to the stomach and was admitted to St. Elizabeth Hospital.

5 BOYS QUESTIONED

Madison juvenile authorities were questioning five Madison youths this week concerning an incident at 4:25 p.m. Monday in which Marina Gots, 12, of 1639 Seventh St., Madison, was struck twice on the face as she was walking home from Madison Junior High School. The girl said a group of boys gathered around her and one struck her. Police stopped four boys nearby and later questioned another youth.

VIETNAM VETERAN, Army Specialist 4 James H. Rehms, 25, of Granite City, who will return to Saigon Oct. 28 to start his fifth tour of duty in Southeast Asia. He was wounded during his first assignment there in 1966.

AUTO TURNS, STRUCK

An auto driven by Rufus Kindell, St. Louis, collided with another driven by Myrtle A. DeLoach, 101 Hare St., Eagle Park Acres, as she was turning from McCambridge Avenue onto Harris Street in Madison at 11:50 p.m. Monday, the Madison County Sheriff's Department reported.

GOLDEN WEDDING. Mr. and Mrs. Claude Wickham, who were married Sept. 27, 1922 at Iberia, Mo. They were honored at a surprise dinner party by their family. The couple has resided in Granite City since 1929.

Claude Wickhams Mark 50th Anniversary Year

A surprise dinner party and reception was held during the weekend for Mr. and Mrs. Claude Wickham of Granite City, who observed their 50th wedding anniversary yesterday.

The couple was married Sept. 27, 1922 by the Rev. William Soter at Iberia, Mo. They moved to Granite City in 1929 and have resided here since that time.

Hosts at the surprise affair were Mr. and Mrs. Kenneth Whittington, 321 E. Chain of Rocks Road. Mrs. Whittington is a niece of the guests of honor.

Mr. Wickham was employed at Corn Sweeteners, Inc., formerly Union Star and Refining Co., for 37 years prior to retiring six years ago. Both honorees are members of the First Assembly of God Church, 24th Street and Grand Avenue.

A tiered wedding cake, suitably inscribed and decorated,

was used as the centerpiece on the dining table.

Dinner was served to Mrs. Wickham's brother and sister-in-law, Mr. and Mrs. Arthur Setser and son, Gary, of Iberia, Mo.; Miss Judy Setser of Granite City; Mr. and Mrs. Chester Setser and children, Christe and Gregory, of Belleville; Kenneth Setser of Versailles, Ky.; and Mrs. Mona Setser, Mr. and Mrs. Kenneth Whittington and children, Lynette and Kendall, and Mr. and Mrs. Aden Boone, all of Granite City.

Cake, coffee and punch were served later in the evening to Mrs. Mabel Lowell, Mrs. Laura Fahnest, Mrs. Irene McElroy, Mr. and Mrs. Robert Andrews, Mr. and Mrs. Jerome Rider, Mr. and Mrs. Clecie Talley and Mr. and Mrs. Phil Stout.

Many lovely gifts were presented to Mr. and Mrs. Wickham, including a set of matching wedding rings, a gift from their family.

Chapter 650 Marks 'Guest Night'

Granite Chapter 650, Order of Eastern Star, entertained during the weekend at "Guest Night" when worthy matrons and worthy patrons from other chapters served as guest officers. The meeting was held at the Masonic Temple.

Those filling the stations for the evening were Abby and Henry Wright of Collinsville, Marlyn and Lloyd Whitworth of New Hope Chapter 432; Rose Bushnell, Grafton; Viola Miles, Ashmerville; Anna Mae Edwards, Jerseyville; Dorothy Dargie, O'Fallon; Edna Condray of Bethalto.

Lynette Maedje of Unity; Lily Hill, Rob Morris; Nina Penrod, Walton; Nettie Underwood, Belleville; Olessa Keelner, Calhoun; Norma Croissant, Queen City; Gerry Volkman, Monroe; Pat Sanditer, Edwardsville; Art Keller, Bunker Hill and Joe Edwards, Jerseyville.

Yellow rose pictures painted by Mrs. Louise Meador, worthy matron of Granite Chapter, were presented to a special guest, Mrs. Ruth Zook, and the guest of honor, Bob Zook, both of Alton.

Other gifts were presented during the meeting to Lloyd Whitworth, who received a plaque, and a coin collection in a Wells Fargo bank given to

Children Host Yard Carnival

A backyard carnival to secure donations for the Muscular Dystrophy Fund was held this week at the home of Mr. and Mrs. Hillard Bailey, 3236 Carlson Ave.

The couple's daughter, Kathy Bailey, was chairman of the event, assisted by Kathy Dodson, Kevin Dodson and Bernadette York.

The group raised \$13.90 by selling popcorn, peanuts, soft drinks and cupcakes. They also directed games, including a sponge toss, putt-putt golf, bowling on the green, marble shoot and ping pong basketball.

A special attraction was a "spook house" set up in the basement of the Bailey home. Kathy Bailey is a seventh grade pupil at St. Margaret Mary School.

COAST GUARD WIVES TO SPONSOR FASHION SHOW

The St. Louis Coast Guard Enlisted Men's Wives Club will sponsor a fashion show at 8 p.m. Monday at the St. Louis Coast Guard base, located at the foot of Iron Street on the

Miss. Charles O'Neal of Granite City, publicity chairman, said today that all club members and guests are invited to attend, admission free.

Mayflower Club Donates to School

The Mayflower Club of the First United Presbyterian Church agreed to send a contribution to the Piney Woods School, near Jackson, Miss., during a dinner meeting held this week at the church.

Mr. and Mrs. E. A. Roberts, formerly of Granite City and members of the club, are now teaching at the school.

Hosts for the potluck dinner were Mr. and Mrs. Albert Papa, Mr. and Mrs. David Johns and Mr. and Mrs. Henry George. Papa presided over the business meeting.

Those attending included Mr. and Mrs. Mark Pickett, Mr. and Mrs. Carl Roach, Mrs. Lucia Allen, Mr. and Mrs. Lee Stevens, Mr. and Mrs. Emmett Beeler, Mrs. Mary Werner, Mr. and Mrs. Larkin Conway, Mrs. Catherine Smith, Mr. and Mrs. Lindell Hagmann and the Rev. David Maxton.

MARRIED IN THE CHAPEL at the Granite City Army Installation were Army Specialist Four and Mrs. Max Legate. The bride is the former Miss Vicki Paterson, a daughter of Mr. and Mrs. Donald Paterson, 4040 Garden Lane.

Miss Vicki Paterson Is Married at Base Chapel

Miss Vicki Paterson and Specialist Four Max Legate, U. S. Army, were united in marriage in a morning ceremony on Sept. 22 in the Chapel at the Granite City Army Installation. Captain Judson Nelson, chaplain of the base, performed the double ring ceremony at 11 o'clock.

The bride is a daughter of Mr. and Mrs. Donald Paterson, 4040 Garden Lane. Spec. Legate is a son of Mrs. Juanita Legate, 3020 Sunbury Ave., and the late Maxwell Legate. Mr. Paterson escorted his daughter down the white carpeted aisle and gave her in marriage. She chose a street-length dress of white chiffon and net enhanced with Schiffl embroidery and floral motifs. A delicate satin ribbon accenting the natural waistline was tied in the back.

A white satin pill box hat held in place a shoulder length veil and she carried a nosegay of white carnations, lily of the valley and baby breath.

Miss Karen Legate, a sister of the groom, was maid of honor. She wore a short frock fashioned of brown and white fabric, featuring long white sheer sleeves. Yellow floral motifs were applied at the round neckline and on the fitted bodice and full skirt.

Harmony Class Meets at Church

Mr. and Mrs. Paterson were hosts at a reception held in their home immediately following the ceremony. Both young people are graduates of Granite City High School.

Spec. 4 Legate returned to his assigned station in Germany on Tuesday.

The meeting was opened with prayer by the president, Edgar Paddock. Mrs. Waldo Frohardt gave the devotional lesson. Those present were Mr. and Mrs. Charles Reimers, Mr. and Mrs. Paul Martin, Mr. and Mrs. Marvin Barnes, Mr. and Mrs. Clyde Myers, Mr. and Mrs. Fred Stitt, Mr. and Mrs. Harold Lynn, Mr. and Mrs. Cleveland Cox, Mr. and Mrs. Calvin Compton, Mr. and Mrs. Waldo Frohardt, Mr. and Mrs. Edgar Paddock, Mr. and Mrs. Bob Richardson, Mrs. Milford Hahn, Mrs. Ruth Purkey and Mrs. Ruby Corbitt.

COUPON GOOD THRU TUESDAY, OCTOBER 3

Church Women to Launch Blood Program

The second annual Forum of the Quad-City Council of Church Women United was held Tuesday evening at Suburban Baptist Church. Mrs. Fred Rupp, council president, was in charge. Guests were greeted by Mrs. Tom Wyrostek and Mrs. Billy Terrell, who conducted the registration.

Edward Monahan, monitor of the host church, offered the invocation and welcomed the 75 guests from 16 area churches who participated in the Forum. Paul H. Kelly, general chairman of the 1972-73 Tri-Cities United Fund drive, reviewed the history of the UF organization. He discussed the current needs of the community and the methods to be employed in attaining this year's campaign goal.

Programs Reviewed

An informative panel consisting of project chairmen from the various areas of service to which Church Women United is committed presented brief resumes of the work their groups are doing.

Included in the panel were: Mrs. James Henderson, representing the Tiny Tim Easter Seal Pre-School for handicapped youngsters; Mrs. John Schrader, Nearly New Clothing Center; Mrs. Frank Ehler, Layette for Young Mothers; Mrs. Vivien Cherry, Friends in Learning; Mrs. Donald Riverburgh, CROP—Church World Service; Mrs. Henry Lamb, Mental Health—Adult Activity Center; Mrs. Helen Richardson, Transportation; and Mrs. Leonard Roberts, Days of Celebration.

Guest speaker for the evening was Miss Jill Hadden of St. Louis, field representative for the Illinois-Missouri Red Cross blood program.

Blood Donor Project
Miss Hadden discussed the need for an immediate all volunteer blood donor program.

EXPLAINING BLOOD PROGRAM. Miss Jill Hadden, left, field representative for the Illinois-Missouri Red Cross Blood Program, reviewed aspects of the all volunteer blood donor service in which area churches are expected to participate under the auspices of Quad-City Church Women United. Seated, left to right, are Miss Hadden, Mrs. Stephen Gargac, Church Women United project chairman and Mrs. Barbara Madison. Standing are Mrs. Shirley Frech (left) and Mrs. Russell Kitchen.

which has to be implemented in the state of Illinois by July 1, 1973.

According to a recently enacted state law, no purchased whole blood may be used in Illinois after that date. Miss Hadden explained that date. Miss Hadden explained that date. Miss Hadden explained that date.

Recognizing the need for immediate action, the local chapter of Church Women United plans to add an organized volunteer blood donor campaign to its growing list of community services.

Appeal to Churches
An appeal will be made to area churches, and a plan is being formulated whereby all the families in a church which subscribes to the group donor plan receive needed blood if the number represented by one-fourth of its families donate one pint of blood per year.

An example was cited showing that if a member church has a congregation of 200 families, only 50 people must give one pint of blood each year in order for the entire congregation to be guaranteed life saving blood in the event of illness or an accident.

The only charge will be for laboratory fees routinely employed in analyzing and typing the blood, Miss Hadden explained.

Organizational Meeting

An organizational meeting for the volunteer blood program will be held in the home of Mrs. Rupp, 66 Oaklawn Drive, on Monday, Oct. 9, at 1 p.m. It was announced.

Two representatives from each area church are being asked to attend. Miss Hadden also will be present to give a detailed outline of methods to insure success of the project.

Mrs. Stephen Gargac has accepted the position as coordinator of the new blood program service for Church Women United. Mrs. Rupp announced, accompanied by Wayne Fisher, a student at Southern Illinois University, provided the musical portion of the program, leading the group in singing "Nothing Is Impossible."

The women's Missionary Union of Suburban Baptist Church hosted the coffee hour and fellowship which followed the meeting. The host committee was under the direction of Mrs. Russell Kitchen, WMU president.

Maryville PTA Sets 1st Session

Maryville Parent-Teacher Association will hold its first meeting of the 1972-73 school year on Tuesday evening, Oct. 24, as part of American Education Week activities at the school. Plans for the event were completed by the PTA executive board during a special business session.

Parents of Maryville pupils may visit classrooms from 7 to 8 p.m. Oct. 24, following with the introduction of faculty members and new PTA executives in the gymnasium.

A brief business meeting, conducted by Mrs. Pat Abbott, president, will follow the proposed budget for the current school year will be offered for approval.

Also arranged by the PTA officers is a membership drive to be launched the same evening under the leadership of

Holy Land Topic Of Ruth Class

The Ruth Class of First Baptist Church met in the home of Mrs. Ellen Douglas, 288 Pershing Ave., Tuesday evening, with Mrs. Dolores Carson giving the opening prayer.

During the business meeting the class voted a donation to the state missions fund.

Mrs. Marie Parks, who recently returned from a visit to the Holy Land, gave a travelogue on her overseas tour as part of the program for the evening.

Refreshments were served by the hostesses to Mesdames Elmer Stagner, Pauline Harp, Ruby Foster, Mary Hoover, Wilma Hudson, Velma Christian and Helen Bain.

UNIVERSITY WOMEN PLAN BENEFIT SALE

Board members of the Granite City Chapter of the American Association of University Women will meet at 3:45 p.m. Tuesday in the home of the chapter president, Mrs. Ray Edwards, 3024 Iowa St.

Tau Kappa Epsilon Fraternity granted permits to nine new campus chapters during the 1971-72 school year.

Mrs. Brockmann Hostess to Club

Mrs. Carolyn Brockmann was hostess to the Past Noble Grand Club of Ann Rutledge Rebekah Lodge 47 on Tuesday afternoon in her home, 3408 Johnson Road. She served a noon luncheon and a business meeting followed, conducted by the hostess. Games were played and the winners included Mrs. Ann Kunemann, Mrs. Marvel Clover and Mrs. Irene Hendricks. Mrs. Helen Love received the traveling prize.

Others present were Mrs. Clara Harbig, Mrs. Edna McKay and Mrs. Vera Schilling. The group will meet Oct. 24 in the home of Mrs. Schilling.

Miss Fechte Is Feted at Shower

Miss Maryann Fechte was given this week in the Red Room of the Travelodge by her bridesmaids.

The tables were attractively decorated in royal purple and pink, with a punch fountain encircled with fresh flowers centering the table.

A 2 o'clock luncheon was served to 40 guests by the hostesses, Misses Joan Bryant, Carole Wickman, Sue Schicker and Barbara Fechte.

After Miss Fechte opened her gifts, games were played and several prizes were awarded. The bride-elect is a daughter of Mr. and Mrs. Harry Fechte, 2801 Cleveland Blvd. She will be married to Joseph N. Schicker Jr. of Greve Coeur, Mo., on Nov. 4 at Sacred Heart Roman Catholic Church.

KENNETH HART'S NAME SON KENNETH JEFFERY

Kenneth Jeffery is the name selected by Mr. and Mrs. Kenneth Hart of Chattanooga, Tenn., for their second child. The infant was born Sept. 11 at Memorial Hospital in Chattanooga.

The Hart's have a 2-year-old daughter, Angela. Grandparents are William Hare of Granite City and Mrs. Betty Davis and Mrs. and Mrs. Walker, all of Tennessee.

MR. AND MRS. RICHARD L. KOZIOL. They were united in marriage on Aug. 26 at Our Lady of Angels Chapel, Glen Ridge, Pa. The bride is the former Miss Joanne M. Smith, a daughter of Mr. and Mrs. Thomas J. Smith Jr. of Boothwyn, Pa. The groom's parents, Mr. and Mrs. Louis P. Koziol, reside at 2556 Boyle Ave. The newly married couple is living in Chester, Pa.

Women of Moose Host 'Kidnapping'

Twenty-two women were "kidnapped" during weekend between 5:30 and 6 o'clock in the morning and taken to the Moose Lodge 272, where they were "held for ransom." The event was a fund raising project sponsored by the Women of the Moose, Chapter 247.

The surprise hoax was planned by members of the chapter's ways and means committee. "Ransom" was paid by the

husbands. Their wives were released after paying fines levied for hair brushing and applying makeup in preparation for a breakfast served at the lodge. The women's group also held a cake walk later in the day prior to a dance given by the Moose Lodge Men's softball team.

JANUARY BRIDE-TO-BE. Miss Janice Neese, who will become the bride of Terry A. Bell. She is a daughter of Mr. and Mrs. Lyndle Neese of Moro, Ill.

Janice Ann Neese Is Bride-Elect

Mr. and Mrs. Lyndle Neese of Moro, Ill., are announcing the engagement of their daughter, Miss Janice Ann Neese, to Terry A. Bell, son of Mr. and Mrs. Charles A. Bell, 2537 Roy Drive.

The bride-elect is a graduate of David Lipscomb College, Nashville, Tenn.

Her fiancé was graduated from Lubbock Christian College, Lubbock, Tex., and McKendree College, Lebanon, Ill. He presently is serving as pastor of the Vaughn Hill Church of Christ.

A January wedding is being planned.

Secretaries Seminar Set Oct. 7

The Alton Chapter of the National Secretaries Association will host its annual secretarial seminar at Southern Illinois University, Edwardsville, Saturday, Oct. 7 from 8:15 a.m. to 3 p.m. It was announced today by Mildred Schluter, president. Guest speaker will be Ruth Gallatin, assistant dean of the evening division, Central YMCA Community College in Chicago, who will address the group at 9:15 a.m. on the topic, "Help, Mr. Snowman's Burning Down" and again at 10:45 on the subject, "The Name of the Game is Development."

Appearing at 1 p.m. Oct. 7

will be F. J. Kennelly, who will talk on "ESP-Fact or Fancy?" Kennelly has a background of speaking and study in the fields of extra-sensory perception, the occult and psychic phenomena. Exhibits will be on display at 10:15 a.m. and 11:30 a.m. a style show, with Mrs. June Moselle serving as commentator, will be presented at 2:15 p.m. All fashions will be from Auerbach's in Edwardsville. Reservations, costing \$6.50 per adult and \$3.50 for high school students and includes a luncheon, may be made with Mrs. Louise Downs, Rural Route Two, Box 180A, Brighton, Ill., no later than Monday.

Hockey League Mothers Form Club

At a meeting in the home of Mrs. Donna Dionea, attended by mothers who have sons playing in the Granite City Amateur Hockey Association, officers were elected for the current season.

New officers are Mrs. Dionea, president; Mrs. Lois Hassler, vice-president; Mrs. Shirley Rapoff, treasurer; and Mrs. Joan Taff, secretary.

Those appointed to serve on committees include: Hockey banquet, Mrs. Nancy Pineda and Mrs. Betty Srikball; publicity, Mrs. Gale McFarland; Mrs. Shirley Scaturro; and ways and means, Mesdames Carol Strawn, Phyllis Hodge, Robin

Foy, Marilyn Juneau, Barbara Harris and Judy Hinterser.

A meeting is planned for 8 o'clock tonight in the home of Mrs. Carol Strawn, 2636 Delmar Ave. All mothers with boys participating in the hockey program are invited to attend, Mrs. Dionea said.

FAST MATRONS 650 TO MEET WITH MRS. ROMAN

Past Matrons of Granite Chapter 650, Order of Eastern Star, will meet at 7:30 Monday night in the home of Mrs. Arthur Roman, Illini Apartments, 100 Briarhaven Drive.

Public Notice 34

ORDINANCE NO. 10
AN ORDINANCE PROVIDING FOR LOCAL IMPROVEMENTS WITHIN THE CITY OF GRANITE CITY, ILLINOIS, BY THE CREATION OF A PEDESTRIAN MALL AND PARKING FACILITIES IN CERTAIN AREAS OF THE CITY REC-

OMENDED AND SUBMITTED TO THE CITY COUNCIL BY THE BOARD OF LOCAL IMPROVEMENTS OF SAID CITY.

WHEREAS, the Board of Local Improvements of the City of Granite City has reviewed a report by Harland Bartholomew and Associates relating to the development of downtown Granite City as prepared for The Downtown Renewal Committee of the Chamber of Commerce of the Tri-Cities and, in particular, to the creation of a pedestrian mall and parking facilities as recommended in said report; and

WHEREAS, the said report

provides generally for local improvements to be made within the public right-of-way of Niedringhaus Avenue between 19th Street and 20th Street and within the public right-of-way of 19th Street between Niedringhaus Avenue and State Street in the City of Granite City, all as detailed in that certain document designated "Granite City Mall" prepared by the aforesaid Harland Bartholomew and Associates and dated December 1, 1971, said document being now on file in the office of the City Clerk of Granite City; and

WHEREAS, the Board of Local Improvements has caused this ordinance to be prepared

for submission to this City Council, and by recommendation signed by a majority of the members of the Board, has recommended passage of this ordinance.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, AS FOLLOWS:

SECTION 1. That a local improvement shall be made within the City of Granite City, Illinois, which, shall be of the nature, character, location and description as follows:

That the area within the Niedringhaus Avenue public right-of-way between Edison Avenue and Delmar Avenue, a length of 375 feet along the south side of Niedringhaus Avenue and a width of 80 feet plus an area within the Niedringhaus Avenue public right-of-way between Delmar and Cleveland Boulevard a length of 300 feet on the south side of Niedringhaus Avenue occurring in width from 8 to 20 feet; inter-spaced with planting beds containing trees, shrubs and open grass area; parking spaces will be provided within the project area with the parking area between Delmar and Cleveland Boulevard providing six parking spaces and an access drive with a connection to Delmar Avenue; and in the project area from Edison Avenue to Delmar Avenue, a total of four parking spaces and an access drive to Delmar Avenue and to Edison Avenue.

300 feet on the south side of Niedringhaus Avenue and a width of 80 feet, be entirely rebuilt providing for sidewalks occurring in width from 8 to 20 feet; inter-spaced with planting beds containing trees, shrubs and open grass area; parking spaces will be provided within the project area with the parking area between Delmar and Cleveland Boulevard providing six parking spaces and an access drive with a connection to Delmar Avenue; and in the project area from Edison Avenue to Delmar Avenue, a total of four parking spaces and an access drive to Delmar Avenue and to Edison Avenue.

That the area within the Street public right-of-way between State Street and Edison Avenue a length of 265 feet along 19th Street with a width of 80 feet plus an area within the 19th Street public right-of-way between Edison and Delmar Avenues a length of 265 feet along 19th Street with a width of 60 feet plus an area within the 19th Street public right-of-way between Delmar and Cleveland Boulevard a length of 265 feet along the south side of 19th Street with a width of 60 feet; be entirely rebuilt and the new facilities will

be entirely rebuilt and the new facilities will be provided within the project area with the parking area between Delmar and Cleveland Boulevard providing six parking spaces and an access drive with a connection to Delmar Avenue; and in the project area from Edison Avenue to Delmar Avenue, a total of four parking spaces and an access drive to Delmar Avenue and to Edison Avenue.

provide for two moving lanes of traffic in a south-easterly direction, sidewalks varying from 8 to 14 feet in width and several planting beds containing trees and shrubs; parking spaces will be limited to eight spaces per block for a total of 24 spaces within the project area extending from State Street to Cleveland Boulevard.

said improvements being as detailed in that certain document entitled "Granite City Mall", dated December 1, 1971, prepared by Harland Bartholomew and Associates and now on file

SECTION 3. That the cost of the local improvement contemplated hereby shall be paid for in total by special assessment

upon all properties benefited by said local improvement; said properties are hereby declared to be:

The several lots, tracts and parcels of land within the City of Granite City and abutting 19th Street from the intersection thereof with State Street northeasterly along said 19th Street to the intersection thereof with Cleveland Boulevard; the several lots, tracts and parcels of land within the City of Granite City and abutting Niedringhaus Avenue from the intersection thereof with Cleveland Boulevard easterly along said Niedringhaus Avenue to the intersection thereof with

20th Street; the several lots, tracts and parcels of land within the City of Granite City and abutting Delmar Avenue from the intersection thereof with 19th Street northeasterly along Delmar Avenue to the intersection thereof with Niedringhaus Avenue; and the several lots, tracts and parcels of land within the City of Granite City and abutting Edison Avenue from the intersection thereof with 19th Street northeasterly along said Edison Avenue to the intersection thereof with 20th Street.

SECTION 4. That this City Council hereby finds that the estimate of the cost of the pro-

posed local improvement here-
to attached has been presented
to this City Council in propo-
n form fully itemizing the esti-
mate of the cost of the local im-
provement, and said cost esti-
mate is hereby accepted and
approved.

SECTION 5. That upon this
Ordinance becoming effective,
the Mail Attorney of the City of
Granite City, is hereby author-
ized and directed to file a peti-
tion in the Circuit Court for
Madison County, praying that
steps be taken to levy a special
assessment for the local im-
provement in accordance with
the provisions of this Ordinance.
There shall be attached to or

filled with such petition a copy of this Ordinance, certified by the City Clerk under the Corporate Seal of the City of Granite City, and there also shall be attached to or filed with said petition a copy of the recommendations of the Board of Local Improvements and of the estimate of the cost as approved by this City Council. Said petitioner is hereby ordered and directed to be filed by the above specified officer, pursuant to and in keeping with law.

SECTION 6. That, upon the filing of said petition, the President of the Board of Local Improvements of the said City of Granite City, be and he is hereby

by authorized and directed to designate some competent person to make a true and impartial assessment of the cost of said improvement, which designation and appointment shall be made by the Board of Assessors or said Board of Local Improvements to the Court in which said petition has been filed.

SECTION 7. That this City Council hereby declares that it is the intention of said City Council to provide by ordinance passed prior to confirmation of the assessment roll that the aggregate amount assessed on each individual assessment be divided into installments, the first such installment to be due

and payable on January 2 next after the date of the first voucher issued on account of work done and the second installment one year thereafter, and so on annually until all installments are paid. All installments shall bear interest at a rate not exceeding seven per centum (7%) per annum from sixty (60) days after the date of the first voucher issued on account of work done. It is further the intention of this City Council that Bonds be anticipated the collection of the installments of the assessment be issued.

SECTION 8. This Ordinance shall take effect and be in full force from and after its passage and approval.

Postponed from Sunday

Postponement of the "War the Bands" contest from Sunday until later this year was announced today by the Granite City Jaycees.

An insufficient number of tries by local bands resulted in the annual music marathon being cancelled at this time, Joe Fornaszewski, Jaycee project chairman, said. "Hopefully, we can reschedule the contest."

The event was set for 2 p.m. Sunday at the YMCA.

Financial Planning Advocated for Women

Financial planning for women was discussed by Robert Hildebrand, trust officer at Granite City Trust and Savings Bank, at the September dinner meeting of the Granite City Business and Professional Women's Club. The event took place at Charlie's Restaurant.

In his talk, Hildebrand said, "Since women outlive men and more than 50 per cent of the wealth is held by women, all should be interested in some form of financial planning. It could be a basic plan of savings accounts for certificates to purchase of insurance, stocks and bonds, or mutual funds."

Mrs. Rebecca Slate, finance chairman of the club, was in charge of the program and introduced the guest speaker. She also presented her son, Irvin Slate Jr., a Granite City attorney, who participated in the program and furnished answers to the legal aspects of investing by women.

the "American Beauty" certificate by securing two new members.

Initiation of Six
Mrs. Rosemary Basedon, second vice-president and membership chairman, conducted an initiation ceremony for six new members. They are Evette Willis, Linda Ollis, Alice Mitchell, Marion Avedisian, Beulah Tripp and Shirley Adams.

Miss Jean Evangelou, who was sponsored by the BPW club at the Youth World Conference at St. Louis, Carbondale, gave a summary of events taking place at the conference.

While there, she attended two to three meetings each day covering many subjects, including American foreign policy, government policies in Israel, parliamentary procedures and Roberts Rules of Order.

Mrs. Evangelou, who plans to major in political science, reported the conference was "very interesting and helpful" to her. She especially enjoyed the United Nations session, the young woman said.

Birthdays of members and guests were celebrated by presenting each honoree with a small cake, topped with lighted candles.

Out-of-town guests attending the dinner meeting included Mrs. Minnie Doster of Jerseyville, District 14 chairman; Mrs. Alma Brown of Marissa, District 14 vice-chairman; Mrs. Celia Sinclair of Jerseyville, District 14 secretary; and four members of the Fairview-Edgemont BPW Club. Mrs. Betty Purky, president; J. Linda Kempf, first vice-president; Shirley Walsh, treasurer; and Maxine White, membership chairman.

Beta Eta Plans Prayer Breakfast

Beta Eta Chapter of the Delta Kappa Gamma Society will sponsor a prayer breakfast on Nov. 11 at Central Christian Church on Johnson Road.

Plans for the event were initiated this week at a breakfast meeting of the chapter's Professional Growth and Service Committee at the home of Mrs. Georgia Engleke in Granite City.

Mrs. Engleke and Miss Cleo Uim, co-chairmen of the prayer breakfast, said "Changing Times in Religion" will be the discussion topic.

Guest speakers will include the Rev. Lawrence J. Mattingly, pastor of St. Elizabeth Catholic Church, the Rev. Paul Surbey, pastor of St. John United Church of Christ and a rabbi from a St. Louis congregation.

Music will be provided by a choral group from the First United Pentecostal Church.

Attending the planning meeting were Mrs. Valerie Stevens, chapter president, Mrs. Irene Cook, Mrs. Mae McCormick, Mrs. Mildred McCormick, Miss Anna Marie Horn, Mrs. Gladys Page, Virginia Gillespie, Mrs. Barbara Williams and Mrs. Eva Renfro.

564 at Lutheran Women's Conference

The 16th biennial convention of the Southern Illinois District Lutheran Women's Missionary League (LWML) was held at Zion Lutheran Church, Litchfield, in late September. A total of 564 registered for the event.

A \$16,000 goal to be raised from "mites" the next two years will support the following projects: Deaconess Ministry to Murray Children's Home, Cancer; scholarships to American Indians at a synodical school; Golconda, Ill., area ministry; Concordia Tract Mission; and Camp Wartburg director.

An annual contribution of \$200 is to be given to the Deaconess Scholarship Fund.

The LWML will continue to support subsidized congregations of the Southern Illinois District, with financial aid limited to \$300 per biennium per applicant.

The women leaguers were encouraged to express more hospitality toward one another, and concern for foreign students at synodical colleges and seminaries, especially those in the Southern Illinois District area.

Featured speaker, Miss Annie Voight, a missionary nurse recently returned from Nigeria, chose her topic, "Love Leaves no Choice," the convention theme. She expressed her gratitude for the support LWML gave to "Clinics for Children Under Five," with which she has been working, and challenged them to "really care for their neighbors, both far and near."

Mrs. C. R. Montz, international president of the LWML, Bismark, No. D., reported on world-wide affairs and projects. Officers elected for the next biennium were: Second vice-president, Mrs. Delmar Persch; treasurer, Mrs. Vernon Lucht; recording secretary, Mrs. Robert Gielow; board members, Miss Freda La Kamp and Mrs. Wilmer Johnson; and pastoral counselor, Rev. Alan Bachert.

Mrs. Helen Roessner and Mrs. Hulda Klug were delegates to the convention from Hope Lutheran Church.

Mrs. Emily Acella, Mrs. Marie Durbin, Mrs. Wanda Barling and Mrs. Sarah Repp, all of Granite City, were guests.

Bridal Shower Fetes Pam Thomas

Miss Pamela Thomas was guest of honor at a miscellaneous bridal shower given this week at Niedringhaus United Bismark, No. D., reported on world-wide affairs and projects.

The party was held in Wesley Hall, where decorations in apricot, yellow and green were used extensively by the hostesses, Mesdames Jo Ann Harri-

MRS. KENNEDY HOSTESS TO PINOCCHLE CLUB

Mrs. Cella Kennedy entertained members of the Monday Afternoon Club this week in her home. The hostess served a delectable luncheon.

Prize winners in the pinocchio games were Mrs. Sadie Jones, Mrs. Myrtle Bruns and Mrs. Verna Moehle.

Others present were Mesdames Leona Parente, Margaret Richardson, Marie Perry and Myrtle Ryan.

Mrs. Moehle will host the group for its next meeting Oct. 9.

Ladies Coterie Resumes Program

The Ladies Coterie opened its fall series of meetings last week with a dessert luncheon and program at the First United Presbyterian Church. The event initiated the club's 1972-73 season.

Mrs. Ray Horn, president, opened the business meeting and Mrs. C. L. Louis, program chairman, introduced Mrs. Ruth Hintz, a member of a county homemakers unit.

Mrs. Hintz presented a program on "Hobbies," demonstrating how to paint and finish items of interest to hobbyists.

Plans were completed for a bus trip and luncheon to Pere Marquette State Park on Oct. 19 as a fall activity of the organization.

Mrs. Horn announced a silent auction will be conducted in January when Mrs. Irene Hagman will serve as hostess.

The next meeting will take place Oct. 5 at the church, with Mrs. Lyndell Hagaman as hostess.

Chapter KU Views Guam Travelogue

A travelogue of the island of Guam was narrated by Mrs. L. P. Dew as a meeting Monday evening of Chapter KU, P.E.O. Sisterhood, conducted in the home of Mrs. Dale Rea, 3586 Kilnary Drive.

Mrs. Dew and her husband taught school on the island for two years and, after completing their assignment, traveled around the world before returning to this area.

Mrs. William Burcky, president, presided, with 17 members responding to roll call.

The next meeting on Oct. 10 will be held in the home of Mrs. P. T. Mitchell, 2107 Annas Ave. Each member is to bring an article showing her particular talent or hobby, to be sold at a silent auction.

Eagles Auxiliary Initiates Three

Three new members were initiated by the ritual team of the Eagles Auxiliary at a meeting Tuesday night at Eagles Aerie 1128 on Madison Avenue.

The initiates were Mrs. Jo-anna Spencer, Mrs. Jackie Szymarek and Mrs. Lorraine Alexander.

Mrs. Brenda Rickert, president, presided and announced the first meeting of October will honor past presidents of the auxiliary.

After a business session attended by 35 members, a surprise birthday party was given for Mrs. Rickert. She received several gifts and a decorated cake.

Luncheon was served by the auxiliary officers at tables decorated in pink and white. Centerpieces were arrangements of rose buds provided by Mrs. Betty Lyons.

Special prizes were won by Mrs. Ruth Paul and Mrs. Bernice Johannmeier.

HANDICRAFT CLUB RESUMES PARTIES

The Handicraft Club resumed its fall meetings during the weekend at the home of Mrs. Sue Pedaricis, 2155 E. 24th St.

Games were played and prizes were awarded to Mrs. Irene Kadence and Mrs. Ann Mega. A luncheon was served by the hostess to the prize winners and to Mrs. Mary Bridick, Mrs. Gladys Skubish, Mrs. Katie Fedora, Mrs. Alex Severin and Mrs. Vivana Danco.

Next month's party will be at the home of Mrs. Anna Kuhlmann.

Altar Society Plans Festival

The Sacred Heart Altar Society has held its first meeting of the new season and made plans for a "Fall Festival," to be held Nov. 12.

Various booths will be sponsored at the event and members were requested to collect items for sale and to work on handicraft articles.

Mrs. Florence Toth led the members in prayer and presided over the business session.

Reports were presented by Mrs. Kassy Hagnauer, treasurer, Mrs. Jeanne Lucido, secretary and committee chairmen. Baptismal robes made by Mrs. Bertie Petty and Mrs. Gladys Koishor were displayed. The society will hold a Christmas potluck dinner on Dec. 14.

After the meeting, a selection of humorous readings was presented by Mrs. Rosemary Holtgrave. Refreshments were served by the hostesses, Mesdames Rosemary Hayes, Cele Cruse, Dolores Harizal, Marge Greenwald and Florence Toth.

Mrs. Hagnauer received a prize. Mrs. Toth offered the closing prayer.

The group will next meet Oct. 19.

Navy Enlistee Is Feted at Party

Kelly Hodges Jr. was honored at a going away party this week given by his mother, Mrs. Alice Hodges, 2013 Circle Drive. The young man will leave here Oct. 2 for Orlando, Fla., where he will begin boot training with the U. S. Navy. He enlisted under the Navy's "buddy plan" with Dave Serich of Granite City.

Arrangements of a autumn flowers and lighted tapers centered the serving table for a buffet dinner served by Mrs. Hodges.

Among the guests were Mr. and Mrs. Cecil Phelps and children, Tracy, Tim and Troy. Mr. and Mrs. Robert Kiselka and son, Gary, Mrs. Leroy Bell and daughter, Linda, Mrs. Frances Jarvis, Mrs. Cordie Dowdy, grandmother of the honoree, Mr. and Mrs. Carl Dowdy, Mrs. Harriet Phelps, Mrs. Laura Fuller, Misses Kimberly Hodges, Kathy Hennrich, Valerie Beyr and Randy Knucha.

Following the training in Florida, Hodges will leave for Gulfport, La., where he will take advanced instruction with the Navy. He is a 1972 graduate of Granite City High School.

A reception was held in the church basement after the ceremony. About 125 guests attended.

Following a wedding trip to the Lake of the Ozarks, the newly married couple will reside in Granite City.

Both are graduates of Granite City High School and the bridegroom is attending Lewis and Clark Community College.

Out-of-town guests here for the wedding were Mr. and Mrs. Ray Hon and Chris of Risco, Mo., Miss Phyllis Hon of Springfield, Mo., and Mr. and Mrs. Wilbur Knop of Lake Wap-papello, Mo.

The local serviceman's wife, Deborah, and their six-month-old son, Eric, will remain in Granite City during his basic training period.

1922

MR. AND MRS. MICHAEL R. JOHNSON. They were married in a candlelight ceremony at Tri-City Park Tabernacle. The bride is the former Miss Charlotte Ann Joyce, a daughter of Mr. and Mrs. Harold Joyce, 10 Mercer Drive.

The wedding of Miss Charlotte Ann Joyce and Michael R. Johnson was solemnized at the Tri-City Park Tabernacle Church in a six o'clock evening ceremony performed Sept. 25.

Wedding bells and love birds decorated the church and altar. The Rev. John Polizzi officiated at the double ring service.

Parents of the couple are Mr. and Mrs. Harold Joyce, 10 Mercer Drive, and Mr. and Mrs. Alfred Johnson, 454 Maryville Road.

For her wedding, the former Miss Joyce selected a white silk organza gown over satin. The bodice featured a high neckline of heavy Venise lace and the camelot sleeves were capped and cuffed with wide bands of lace.

The A-line silhouette skirt, sweeping into a long chapel train, had a hemline bordered with a deep accordion pleated flounce and a band of Venise lace. White satin ribbon was inserted through the lace border on the train and at the wrists and neckline of the gown.

Attached to the long mantilla veil was a cap headpiece of lace and ribbon and she carried an arrangement of roses, carnations and baby breath, festooned with long streamers.

Mrs. Beckie Klausman was matron of honor with Miss Donna Jones and Miss Janet Morlen, cousin of the bride, as bridesmaids.

Denise Cooper, the little flower girl, walked with Keith A. Mathenia, ring bearer. Other youthful attendants were Lori Hildreth and Kelly Johnson.

The honor matron and maids chose gowns of pale pink chiffon over tulle. The Empire bodices of ruby velvet were made with center inserts of narrow pink chiffon pleats and mandarin collars.

Long sheer sleeves were pleated into wide wrist bands and the waistline and bodice was trimmed with vertical rows of ivory lace, inserted with pale pink ribbon. The full length skirts were gathered slightly at each side and they wore headpieces of Venise lace attached to a bow in the back.

Kevin Joyce, a brother of the bride and Tony Johnson, the groom's brother, seated the guests as they arrived at the church.

Alan Johnson served his brother as best man, with Jerry Dorrich and Gerry Riemert as groomsmen.

Friends and relatives greeted the newly married couple a reception in the fellowship hall of the church following the ceremony.

After a wedding trip in Southern Arkansas, the couple will make their home in Granite City.

Anton Burichs Celebrate Golden Anniversary

Mr. and Mrs. Anton Burich, 1424 Grand Ave., Madison, observed their 50th wedding anniversary at a surprise reception held at the Polish Hall in Madison.

The affair was given by the couple's children and their families. Mr. and Mrs. Anthony Burich, Mr. and Mrs. Verne Hill, Dr. and Mrs. Trevor Howe, Mr. and Mrs. Donald

Burich, Mr. and Mrs. Stephen Fitzgerald, Mr. and Mrs. Miguel Garcia and Mr. and Mrs. Edward Perle.

Mr. Burich and his wife, the former Mary Simich, were married on Sept. 16, 1922 at St. Joseph Creation Church in St. Louis. He was born in Ravna Gora, Yugoslavia and came to this area at the age of eight.

Anthony Burich, son of the honoree, welcomed the 150 guests attending the affair. A ward Pernic of South Bend, Ind.

Among the other guests attending were 11 grandchildren of the couple—Anthony Burich, Trevor and Craig Howe, Jason Hill, Donna, Keith and Cindy Burich, Scott, Jill and Kathleen Fitzgerald and Rebecca Garcia.

Bailey-Parks Wedding at Mt. Zion Baptist Church

Miss Wanda Joyce Parks, a daughter of Mr. and Mrs. Olen A. Parks, 2017 Maryville Road, and Rodney Keith Bailey, son of Mrs. Rosemary Bailey, 1608 Union St., and the late Gene Bailey, were united in marriage on Sept. 25 in a candlelight setting at Mount Zion General Baptist Church.

The Rev. Richard Gonnell performed the double ring ceremony at 7 o'clock in the evening.

Altar bouquets of pink and white gladiolus and mums and burning tapers in branched candelabra decorated the sanctuary.

Mrs. Wanda Renick, vocalist, sang "I Love You Truly" and "There Is Love," accompanied by pianist, Miss Rene Sharp.

For her wedding, the bride selected a white crepe gown in an Empire style, with a slightly gathered full length skirt. Venise lace trimmed the round collar and the cuffs of the long sleeves.

A profile headpiece fashioned of Venise lace flowers, etched with seed pearls, secured her veil of bridal illusion, and she carried a teardrop bouquet of white carnations and lily of the valley, festooned with long satin streamers.

The honor attendant, Shelley Connor, and bridesmaid, Donna Skinner, wore identical dresses created of violet georgette over tulle.

Embroidered braid in multi-colored shades of pale orchid and deep purple defined the wrist bands of the long sleeves, the high collars and key-hole

necklines and encircled the Empire waists.

Floral headpieces in lilac held in place matching lilac veils and each attendant carried a bouquet of white carnations, tipped in pink.

Raymond Kahn attended the groom as best man and Michael Parks, the bride's brother, was groomsmen. Seating the guests were Steve Fisher and Mike Pedigo, a cousin of the groom.

Mrs. Parks, the bride's mother, was attired in a princess line dress of aqua pleated silk with long lace sleeves, complemented with black accessories.

The groom's mother, Mrs. Bailey, chose a lavender A-line dress of polyester knit crepe with a matching fringed stole and silver accessories. Both mothers wore carnation corsages in colors to match their ensembles.

A reception was held in the church basement after the ceremony. About 125 guests attended.

Following a wedding trip to the Lake of the Ozarks, the newly married couple will reside in Granite City.

Both are graduates of Granite City High School and the bridegroom is attending Lewis and Clark Community College.

Out-of-town guests here for the wedding were Mr. and Mrs. Ray Hon and Chris of Risco, Mo., Miss Phyllis Hon of Springfield, Mo., and Mr. and Mrs. Wilbur Knop of Lake Wap-papello, Mo.

The local serviceman's wife, Deborah, and their six-month-old son, Eric, will remain in Granite City during his basic training period.

DESSERT COURSE FOR
A TO Z PINOCCHIO CLUB

The A to Z Pinocchio Club met locally at the home of Mrs. Pauline Holman, 3301 Johnson Road. A dessert course was served and the evening was spent playing cards.

Those receiving prizes were Mrs. Clara Winter, first; Mrs. Holman, second; Mrs. Mary Mang, third; Mrs. Veronica Kula, a guest, fourth; Mrs. Barbara Stout, fifth; and Mrs. Doris Hendricks, consolation.

Others attending were Mesdames Lucille Broyles, Helen Krakowicki, Delores Byrnes and Betty Allen.

The October meeting will be at the home of Mrs. Violet Kasabaum, 915 Twenty-fourth St.

Eagle Park Boy, 12, Struck by Car, Hurt

Antonio Foster, 12, son of Mr. and Mrs. Bob Foster, 218 Carver St., Eagle Park Acres, was injured when he was struck by an auto at about 4:40 p.m. Monday on Harrison Street.

He was taken to St. Elizabeth Hospital with abrasions to the forehead and a cut to the left leg and was transferred to Cardinal Glennon Memorial Hospital in St. Louis.

The driver stopped and exchanged information, according to a spokesman at the Foster home, but the accident apparently was not reported to police authorities.

MAN TAKES OVERDOSE

A Pontoon Beach man who had taken an unknown amount of drugs passed out at the office of Catholic Charities at 10:25 a.m. Tuesday. He was taken by ambulance to St. Elizabeth Hospital.

COLLAPSES AT STORE

A Granite City woman, 39, who had taken five epileptic pills, passed out in the K & R Confectionery, 18th and State streets, at 4:25 p.m. Monday. She was taken by ambulance to St. Elizabeth Hospital.

JOHN CATHEY

LYOYD McELROY

HAROLD SWILLEY

WENZEL KERN

15 Retire at GC Steel Co., Five from Quad-City Area

Fifteen veteran employees retiring from Granite City Steel Co. this month included four Granite City residents and one from Madison. The Granite Cityans are John Cathey, 2833 Myrtle Ave., Irvill South, 2808 B St., Harold Swilley, 2263 Monroe Ave., and Lloyd "Mac" McElroy, 2968 Edwards St. The Madison retiree is Wenzel Kern, 1822 Market St.

Longest service employee in this group is Cathey, who completed 31 years of service with the firm. He was a pig machine operator for most of that time. He and his wife, Frances, have one son and one grandchild. Their son, Bob, also works at GCS—in the cold strip department. A brother, Tom, of 2022 Washington Ave., Granite City, retired from the company's blast furnace division in January 1970.

Pressing Cathey for length-of-service honors was South, a member of the blast furnace plant police force for almost 30 years. Swilley, a standard gauge locomotive engineer, retired on disability after 27½ years with GCS. He started as a switchman, and spent his entire career in the standard gauge department. He and his wife, Dolly, have two daughters. McElroy, at 73, the oldest of the retirees, was a GCS man for 17 years. He was an electrician in the electric shop department. He has a son, a daughter, and five grandchildren.

Kern retired as machine shop millwright after 22 years of service. He and his wife, Josephine, have two daughters, three sons, and eight grandchildren. A son, Walter, works in the GCS Roll Shop. Other retirees were Wilfred "Will" Edmonds, Creve Coeur, Mo., Martin Schuster, Louis Welle, and Maurice Keel, Collinsville, George "Dick" Bolton, Bonne Terre, Mo.; Harry Adams, West Alton, Mo.; Frank Hanussek, St. Louis; Ed Young, Summersville, Mo.; Paul Ebert, New Baden, Ill., and Louis Kent, California.

Edmonds retired as director of traffic for GCS after 48½ years of service. He started as a mail boy, moved to the traffic department in 1936, became general traffic manager in 1949 and director of traffic in 1964. He is married, has three children, and lives at 35 Oak Dr., Creve Coeur, St. Louis County.

Spans 48 Years
Schuster's career spanned 48 years. He started as a crane man, went to foreman in 1943 and became open hearth superintendent in 1950, before transferring in 1954 to the Department of Metallurgy and Inspection. He remained in that department (now called the Department of Metallurgy and Quality Control) until his retirement. He and his wife, Ruth, live at 1704 Ramada, Collinsville.

Ambassador Gets 10 New Equipment Items

With the addition of 10 popular items as standard for 1973, the American Motors Ambassador Brougham greatly enhances its reputation as one of the auto industry's most completely equipped cars. Standard equipment includes air conditioning, automatic transmission and 304 CID V-8 engine, power steering, front power disc brakes, white sidewall tires, AM radio,

hood insulation, remote control left outside mirror, vicer vanity mirrors, deluxe electric windshield wipers and an electric clock. Three models will be offered in the 73 Ambassador Brougham series—two-door hardtop, four-door sedan and station wagon. All AMC cars are covered by the company's exclusive Buyer Protection Plan.

visions of the Buyer Protection Plan—which must be supported by the highest quality manufacturing standards in the automobile industry.

Under the Plan, buyers of AMC cars are protected for 12 months or 12,000 miles against any factory defect in material or workmanship with assurance that any such defect will be fixed at no cost.

DID YOU KNOW?

KROGER, COUNTRY OVEN & ROYAL VIKING DANISH BAKED FOODS ARE MADE WITH ENRICHED FLOUR

Here's what it's all about... For a long time Kroger breads and buns have been enriched but now All Kroger, Country Oven and Royal Viking Danish bakery products are made with enriched flour. We have fortified all the items we bake with Thiamine (B1) and Riboflavin (B2) and Nicotinic Acid (B3) and Iron. Even Country Oven cakes, cookies, danes and pastry items... all Royal Viking Danish pastries... and Kroger crackers are now fortified to make them more nutritious than ever. So keep your family's nutritional needs in mind. Serve them Kroger, Country Oven and Royal Viking Danish baked foods - they're ENRICHED!

Comment and Analysis

Sept. 28, 1972

United Fund Success—Worthy Goal of a Community That Cares

A successful United Fund drive would be an excellent morale booster for this community at a time when confidence is being tested by the employment level and by a succession of less-than-100% U.F. campaigns. The formal kickoff of the October 1972 drive for 1973 operating funds for member agencies is to be held at 6:30 p.m. tomorrow at Sunset Hills Country Club.

Paul H. Kelly, A. O. Smith Corporation plant manager, is general chairman of the campaign and Henry D. Karandjoff, chairman of the Trust and Savings Bank and the American National Bank, is honorary chairman.

The campaign goal of \$413,661 is about 5% higher than the 1971 goal raised a year ago and is justified by the verified financial needs of the health,

assistance and character-building organizations affiliated with the United Fund.

Through "fair share" giving, and with increasing emphasis on "60 minutes" work monthly gifts and pledges, it is well within the ability of Quad-City residents, workers, groups and businesses to put the new drive "over the top," 7, 1973.

Quad-Cityans have a well-deserved reputation as people who care, people who "give a darn" about their fellow human beings, particularly those who by unfortunate circumstances face difficult lives.

Wholehearted backing of the United Fund starting Friday would be in the highest tradition of this unselfish, caring community.

Downtown Rebuilding Brings Thoughts of Its Past and Future

Recollections of the past are ushered in by the current demolition of two downtown Granite City buildings.

Older than the two is the 1900-vintage First National Bank, which later merged with the Granite City National Bank. The original structure at Niedringhaus Avenue and Third Street was also housed in its basement the Granite City, Madison & Venice Water Co., a predecessor water utility.

The bank was located on the first floor and the law offices of LeMasters and Stallings on the second floor. Buggy hitching posts were situated along the Cleveland Boulevard side, and both streets were lined with trees. There were no immediately adjacent buildings.

Methodists here originally operated the Kinder Methodist Church, erected in 1858 on the present site of Emerson School. This church because it was six miles from St. Louis, and the congregation already had been in existence for 28 years, since 1830.

The two-story church building near

Benton Street no longer exists, and its successor is now in the process of being torn down. On a 20th Street and Delmar Avenue site donated by Niedringhaus trustees, the Park Avenue Methodist Church was built in 1902 and dedicated on Feb. 11, 1903. Now known as Niedringhaus United Methodist Church, it is being razed and to be replaced on the same location by a new church, scheduled for completion in 1977.

The Park Avenue name stemmed from the fact that the church faced a circular downtown park later named triangular. The park in 1910 became a residential district, and the city and when that was razed it completed the cycle and again became a park, Civic Park.

Continued planning of downtown buildings and general for a mall not only spotlight the long history of the neighborhood but also the continuing development of the Quad-City area. The central business district has not only an interesting past but also a bright future.

Variety of Well Designed and Beautifully Decorated Homes Here

We had an opportunity to attend the second annual Granite City Junior Service Club home tour this week and were impressed, as we have been on a number of past occasions, by the diversity and attractiveness of this community's residential buildings.

One home was replete with antiques, including the 18th Century. Another was a colorful contemporary dwelling complete with a rock garden. Still another featured Spanish architecture and an indoor swimming pool. A fourth highlighted the French provincial period.

Several had sunken conversation pits and other outstanding features. All

were handsomely decorated and conveyed a warm, lived-in feeling. While the homes were of various styles and arranged, each obviously served as a home in which both the residents and guests could be comfortable.

The Quad-City area has much to offer, and not the least of its long list of assets is the high degree of ownership and the care and interest local families take in the beautiful homes in which they reside.

One of the worst things about retirement is that you have to drink coffee on your own time.

\$2 Billion in Price Increases Have Been Prevented

(Price Commission Office of Public Affairs)

Washington—More than \$2 billion in would-be price increases have been turned back by the Price Commission since the agency began operating last November.

The figure, regarded as conservative, represents the equivalent of a saving of about \$35 for every family in the country.

In addition to price increases denied, millions of dollars in rollbacks and refunds have been ordered during this same period as firms were found in violation of Commission regulations. These actions are continuing.

Here are some details of the record to date:

The Price Commission flatly denied 31 price increase requests with a total value of \$465 million. In addition, it denied portions of \$40 other requests with a total value of \$706 million.

Another \$70 million in proposed price increases was turned back when eight companies formally withdrew their requests and reapplied for lower increases. The companies acted after talking with members of the Price Commission staff.

One of the biggest single savings to consumers has been the Price Commission's denial of price increases sought by General Motors Corp. and Ford Motor Corp. for 1973 model automobiles.

The companies wanted to increase prices \$85 to \$91, but the Commission ruled that at present 1973 cars must be sold at no more than 1972 prices despite the addition of various safety and other improvements.

Total saving to consumers

from this action could exceed \$500 million by the end of this year, although the exact amount depends on the Commission's decisions. The Commission also has denied a series of hearings around the country to gather information and explain its regulations.

These figures are conservative and only those which can be documented," said Price Commission Chairman C. Jackson Grayson. "They do not include other actions by the Price Commission that have prevented price increases."

Many companies, for instance, have submitted price increase requests lower than originally intended after talking with members of the Commission staff. Others have decided after submitting any request after similar talks. Some companies canceled their requests.

Also impossible to measure, Grayson noted, is the psychological impact of Price Commission actions on orders for new products, some of the nation's largest companies have announced they voluntarily were cutting back prices to comply with Price Commission policies.

The Weyerhaeuser Co. of Tacoma, Wash., said it has constructed grade 1000 other wood building materials prices an average of 5%.

The Georgia-Pacific Corp. announced it was reducing prices on two-by-four fir and pine lumber studs and most construction grades of lumber. The company also announced a cut in the prices of softwood plywood.

Drugs Less Available to Soldiers

The impact of Far East drug availability on American soldiers and veterans has been a matter of concern in the Quad-Cities area.

New information, gathered with the aid of the Committee on International Narcotics Control, provides perspective, and discloses progress toward a solution.

The remote "Golden Triangle" area of northern Thailand, western Laos and eastern Burma constitutes the world's major producing area for illicit opium (an estimated 700 tons). The vast majority of that opium is consumed in Southeast Asia by hill tribesmen who cultivate it and by ethnic Chinese living in urban centers of Asia, particularly Hong Kong. A small percentage of this opium is transformed into heroin and much of this, too, is consumed by users in Southeast Asia.

Some of the heroin which formerly supplied our troops in Vietnam is now being directed toward addicts in this country, but best estimates are that only a small share—probably less than 10%—of the heroin flowing to our shores now originates in Southeast Asia.

Thus, Southeast Asia presently constitutes a significant but secondary source of the existing U.S. drug problem.

However, as drug control efforts improve elsewhere in the world, it looms as a serious potential source. It is also clear that the region has a serious drug problem of its own.

Attempts to block the flow of narcotics across borders and within the area, the governments of Southeast Asia must cope with several problems, such as internal security, a difficult topography and a value system which tolerates drug use and trade by segments of their societies.

Laos and South Vietnam are engaged in wars of national defense, while Burma and Thailand are threatened by insurgent groups which control or harass large areas of the opium-growing regions.

In spite of their commitment to solving the drug problem, these governments have limited resources and trained personnel available for narcotics control.

In addition, the lack of internal security hampers police action and intelligence operations against traffickers. Burma does not have effective administrative control over a significant portion of the area.

cent portion of the area where most Southeast Asian poppies are grown.

The topography of the Golden Triangle area is mountainous, wild and uncontrollable.

When one smuggling route is uncovered and plugged by police and customs men, the traffickers can easily detour to alternate routes and modes of transportation.

So we need to look at the difficulties that our own well-trained and equipped law enforcement agencies have in blocking narcotic traffic across our clearly defined, militarily-secure border with Mexico to gain an appreciation of the difficulties in Southeast Asia.

Opium is a more or less accepted part of the area's culture and has been regarded as a legitimate commodity of commerce for centuries under both indigenous and colonial governments.

For the hill tribes, opium is still the principal source of "medicinal" relief for endemic diseases and is also the major source of cash to sell or barter for basic necessities.

Furthermore, addicts are not extraneous to Southeast Asia, since violent criminal action is rarely necessary to secure narcotics.

An addict is usually looked upon as a fool, not a threat to society, and drug abuse is viewed there much as we regard drunkenness or alcoholism here.

Despite these problems, U.S. efforts to encourage governments of the region to take effective action against international drug traffic have led to progress, particularly in Thailand, Laos and Burma.

Most of Burma's illicit opium production—estimated at 400 tons annually—and trafficking takes place in remote mountainous areas of the Shan and Kachin States, where the hill tribes have grown opium poppies for centuries.

These areas are plagued with insurrection as well, and insurgency and opium have become most inextricably mixed, for the drug trade brings arms to the rebels.

Prior to the late 1960s, as much as 100 tons of opium was thought to be produced annually in Laos.

Since then, the war situation has forced many hill people into lowland areas with the result that production has dropped to about 30 tons. Almost all that amount remains in Laos, where it is consumed by local addicts.

However, Laos is used as a transit point for caravans moving opium from Burma to Thailand, and the countries to play a part in the international trafficking picture.

Prime Minister Souvanna Phouma welcomed a U.S. suggestion of a bilateral narcotics control action plan for Laos.

In November 1971, the first Narcotics Control Law in the kingdom's history went into effect. It prohibits any commercial transaction involving opium or its derivatives, including heroin.

Over the past five months, operations by customs, police and a special narcotics unit have resulted in the seizure of 600 pounds of opium, some of it on military aircraft. They have also discovered substantial quantities of heroin and acetate anhydride.

Last September, the Thai government signed a joint memorandum with the U.S. on border control and created a multi-agency subcommittee to map out a strategy for suppressing illicit narcotics traffic. The three major smuggling routes responsible for drug trafficking to U.S. troops in Vietnam were smashed.

Chinese irregular forces (CIF) along the border area and have been active in the processing, trade and transportation of opium in Burma and northern Thailand.

The Thai government has undertaken a program to resettle certain CIF forces in Thailand. In return for land and resettlement assistance, these groups agreed to turn over their opium stocks and cease drug activity. Twenty-six tons obtained from the CIF were burned by Thailand on March 7, 1972. The resettlement project involved a

THE EAST RIVER OLYMPICS

United Nations Changes Give Hope It Can Redeem Self

Copley News Service

Typically, the annual convening of the United Nations General Assembly brings a surge of hope around the world.

There is hope, here and there, that at long last, the world organization will show the maturity and wisdom needed to deal effectively with the international problems on its agenda.

Admittedly, news from the U.N. in recent weeks—the silly Puerto Rican resolution of its Decolonization Committee, and the failure of the Security Council to deal in any fairness with the problem of Palestinian terrorism after the Munich tragedy—make it hard to master that hope this year.

Yet we can grasp at one small straw in the view that the United Nations is not quite the same organization it was when the General Assembly convened a year ago.

The burdensome issue of admitting Red China, which dominated so many opening sessions in the past, is now behind us.

Another 800 million persons have at least symbolic representation in the U.N., even if it comes at the body to the fiction that the new Peking delegation speaks for the 15 million citizens of Nationalist China on Taiwan.

Contribution of \$850,000 from the Thai government and \$1 million from the U.S.

Thailand was the first country to sign a major agreement with the new United Nations fund for drug abuse control.

The program will be financed by \$2 million in U.N. funds and the equivalent of \$5 million in U.S. aid. Its immediate goals include crop substitution and reduction of opium production throughout the country.

A Special Narcotics Organization (SNO), an elite, mobile strike force operating in northern Thailand, began operations in April 1972. This joint U.S.-Thai effort made 15 arrests and seized more than 8.5 tons of opium in two months.

The raids confiscated 3,500 pounds of opium with trucks and chemicals on June 10, a laboratory with 50 pounds of heroin on July 18 and the largest seizure in Thai history—more than 5,000 pounds of opium—on July 23 and 24 in the Mai Sai area of northern Thailand.

Vietnam is neither a groover nor a major trafficker in illicit narcotics. Moreover, with the departure of U.S. combat troops, the demand for heroin has been reduced significantly.

At the same time, with narcotics abuse growing among ethnic Vietnamese, President Thieu took a tough stand on narcotics by signing a law demanding the death penalty for organized trafficking in hard drugs (Aug. 12, 1972).

Although preoccupied with national security problems, the Vietnamese police have organized a 60-man narcotics squad which arrested several opium traffickers, breaking up a major smuggling organization.

Officials have stepped up customs inspections, raids on opium dens and general harassment of dealers and users. The stepped-up activity of Vietnamese prosecutors and the judiciary system in narcotics matters has helped to control the situation and invite another Pearl

A new secretary general is at the helm.

Austria's Kurt Waldheim, in spite of his compromising statements about Vietnam during his world tour last summer, appears to be more of a realist than his predecessor, especially in his approach to the need for reform within the United Nations.

The proposed new U.N. budget is higher than last year's only to the extent of reflecting a rise in the cost of living in New York.

The U.S. delegation is pressing its case for reducing its contribution to the budget from the present 31.5% to 25%.

U.N. members should view this as favorably as the American taxpayer.

The imbalance in support of the organization could have more than a little to do with its inability to act fairly and decisively in times of crisis.

The United States has used its veto power in the Security Council only twice in history.

New Approach to McKinley Bridge

SEPTEMBER 28, 1947

Illinois Terminal Railroad, owner of the McKinley Bridge, will spend \$100,000 to erect a new 24-foot-wide vehicular approach to the end of the bridge on the south side of the present approach. Work will start as soon as materials are obtained and will take six to eight months. Concrete piling will be topped by steel beams and concrete. President A. F. Fliss said the approach is expected to improve safety and traffic flow.

The FORUM

KONKOVICH HEADING VETERANS FOR NIXON

To the Editor:

I received a telephone call from Washington, D. C., from the National Headquarters of the Veterans Committee for the Re-Election of the President, affiliated with the campaign, "Veterans for the President."

The current program for the Quad-Cities and accepted without reservation.

We can't let our defense down. The current program calls for new missile systems, maintaining a top-notch Air Force and guaranteeing the strength of the Navy.

Senator McGovern would cut heavily into each of these areas by cutting heavily into America's defense budget. He would cut the Marines by a third, inceptor planes by half, the Navy's personnel by a fourth and its fleet by half, including a cut in aircraft carriers from 16 to six.

To the average veteran who knows a thing or two about the importance of preparedness, it is pretty obvious which man holds the most sensible position on this issue. That's why a growing number of veterans are saying we need President Nixon now more than ever.

We can't afford to be second-rate and invite another Pearl

Harbor.

Everyone wants to see the POWs back home, but not at any price. President Nixon says he'll move to end the war when North Vietnam releases our prisoners, but not before. Sen. McGovern says he would, as President, end the war first and expect the Communists to then release prisoners.

What if they didn't? McGovern would go to Hanoi and to use his own word, "beg" for our release. As seen through the eyes of American veterans, this is not the right way for a U. S. President to act.

Granting of amnesty to deserters when so many other people died and suffered is repulsive to any veteran who did his part for his country.

As Astronaut Frank Borman, chairman of the Vietnam Veterans for the President, said, "Now more than ever before in the time that every American has made a commitment to become involved."

Any veteran wishing "Veterans for the President" button, smart clothes, membership cards, etc., may contact me at my home. I am a Democrat for President Nixon. Most people are crossing over, for this time around.

Peter Lennon To Be Film Festival Speaker

Peter Lennon, correspondent with the London Sunday Times, will present his film "Rocky Road to Dublin" and give the keynote address to a "Festival of Films on Revolution" at Southern Illinois University at Edwardsville at noon and 2 p.m. Tuesday in the Meridian Hall of the University Center.

The director of the festival, John McCluskey of the Humanities Division, said Lennon's film is "the only film about a revolution before it happened." He said Lennon is an Irish-born expert on the current crisis in Northern Ireland, and has just returned from a three-week assignment there with the Irish Times.

The festival actually begins Oct. 2, at the same place and times with the presentation of the Russian film "October," made by Sergei Eisenstein.

Two other films will be presented the following week: Oct. 8, the "Battle of Algiers" by Gillo Pontecorvo; Oct. 10, Alain Resnais' "To Die in Madrid." Admission to all films except "Rocky Road to Dublin" (which is free) is 75c.

Additional information about the festival may be obtained from the Office of Conferences and Institutes, 602-2660.

ALL THE FISH YOU CAN EAT FRIDAY, \$1.29 AT GRANTS

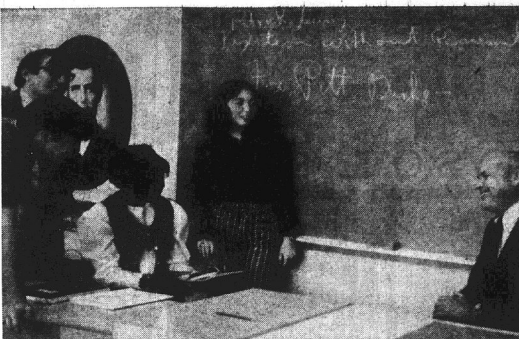

Moonspinners Plan 4-H Week Activity

The Moonspinners 4-H Club will observe National 4-H Week Oct. 1-7, by sponsoring a display at the W. T. Grant Store at the Nameoki Village Shopping center.

Mrs. Elizabeth Schmidt, club leader, held a committee meeting in her home, 2609 Ponton Road, to complete plans for the display. Girls on the planning committee include Karen Ozburn, Anita Turner, Maria Schmidt, Debra Schnefke, Marian Yevin and Ann Uram.

Title of the display will be "Learning By Doing," and it will include projects the girls have made during the past months. The items will be located in a display case in the vicinity of the camera department at Grants.

The project will be judged in the "window display exhibit" in the county-wide 4-H Club judging.

By Press-Record Staff Photographer

FIRST-HAND KNOWLEDGE. The American Problems class of Madison High School has invited public officials to discuss government problems with them. Seated at right is Ralph D. Brawley, chief of police, of Venice. Members of the class from left to right are Eddie Henderson, Dan Kostenick, class instructor, Vandessa Reed and Carol Walker.

Voice of Joanne Vent Lifts Up White Cloud

By JUDY HUGG
Capley News Service

Country blues and funky rock are what White Cloud has in store for you on their new album for Good Medicine Records, entitled simply "White Cloud."

The seven-member group has plenty of talent both vocally and instrumentally. Lead singer Joanne Vent's throaty voice is a special turn, making White Cloud's soulful music very believable. You'll appreciate her doing "Hound Dog," "Qualified," and "Rocky Roads To Clear."

Charlie Brown's electric guitar and the fiddling of Kenny Koser add energy and unity to a hot and heavy album that deserves to be listened to. Brown's "Learn To Feel" and Koser's version of Dr. John's "He Knows What To Do For Me" seem to have the most chart potential.

Handel's Music
George Handel, considered one of the greatest writers of religious music that ever lived, hardly ever wrote for the church at all. He wrote his oratorios to be performed in the theater and not in the church. This earned him disfavor from church authorities in the early 18th century, but Handel stuck to his position that he wrote for the theater.

Nevertheless, over the years the oratorios that Handel wrote became firmly fixed in the public mind as church music. Especially the "Messiah" which Handel composed in 1741 in just 23 days. The choruses in the "Messiah" now are on a RCA LP (LSC-328), magnificently performed by the Robert Shaw Chorale and Orchestra. Included, of course, is the famed "Hallelujah" chorus. The texts of the choruses are included on the record jacket.

Young Balladeers
Two young balladeers, Roger Cook and David Elliott, are proving that love—not war—still makes the world go round through the lyrics of their new album releases.

Cook's "Meanwhile Back At The World" on Kama Sutra Records is a warm and sensitive album. It's the kind of music that makes you lay back, relax and think about all the things you'd like to do. His vocals echo with lyrical sincerity, making the album a pleasurable listening experience.

Lovers will especially enjoy this one.

Cook had a hand in penning all compositions, including the outstanding title track and "I Am," "Greta Oscini," "Warm Days, Warm Nights" and "I'll Bet Jesus Is A Lonely Man." It all adds up as a strong entry to become a classic.

Elliott's LP is good, however, it lacks the class of Cook's. Elliott sings his own compositions on his solo album for Atlantic Records entitled "David Elliott." Most cuts are songs of love, to which Elliott's pleasant voice is well suited. The lyrical weakness of the album is apparent as is the merely adequate instrumentation. A few nice cuts, "You Better Move," "Dear Mary" and "Some," save the album from total obscurity.

Hawaiian Music
There are many kinds of music but few that are instantly recognizable; one that is, is Hawaiian music. To many Americans the sound of an electric guitar sliding up to infinity is the sound of beaches and Pacific breezes and vacations.

RCA-Victor is out with a round-up of Hawaiian music recommended for anyone who has been to the islands or is going. Called "I Will See You In Hawaii," the LP features such familiar Hawaiian songs as "Hawaiian Wedding Song," "Song Of The Islands," "Sweet Leilani," and "Little Grass Shack."

The record's producers avoid monotony of sound by mixing up the performers. The Mainland Islanders have a modern, driving rhythm—sort of a swinging Hawaiian sound—on "On The Beach at Waikiki" and "Little Brown Girl." Leo Ador's orchestra, on the other hand, is properly romantic with "Mooon of Manakoa." One of the best arrangements is Los Indios Tabajaras' version of "Bali Hai."

SLU Students Gain Credits in Party Campaigns

St. Louis University students are now earning up to three hours of credit working for the political candidate of their choice.

"Political Science 198," under the direction of Frederick Damasko, associate professor of political science, is providing an opportunity to combine the practical experience of campaign activity with academic analyses of campaign strategies.

Pre-requisites for the practicum are acceptance by a campaign organization, development of a program of campaign activity which involves activities of at least some minimal level of responsibility in conjunction with the campaign organization.

Political Education Day Set by Sisters

The Sisters Senate of the Catholic Diocese of Springfield will sponsor a Political Education Day from 1 to 5 p.m. Oct. 8 at Springfield College.

Featured speaker will be Sister Marjorie Tuttle, chairman of the Social Action Committee of the National Assembly of Religious Women. Other guests will include state and local politicians and representatives of the League of Women Voters.

Activities will include a general session and small group sessions.

willingness of the campaign organization to make a confidential appraisal of the participants' performance, and approval of the program by the political science department.

In addition to campaigning for a candidate, students are expected to do some preliminary reading on campaigning in the United States and to prepare an analysis paper summarizing campaign experiences related to the reading.

Thirty students are participating in the practicum this semester.

MHS Problems Class Hears City Officials

The American Problems class of Madison High School in a project supervised by Dan Kostenick, class instructor.

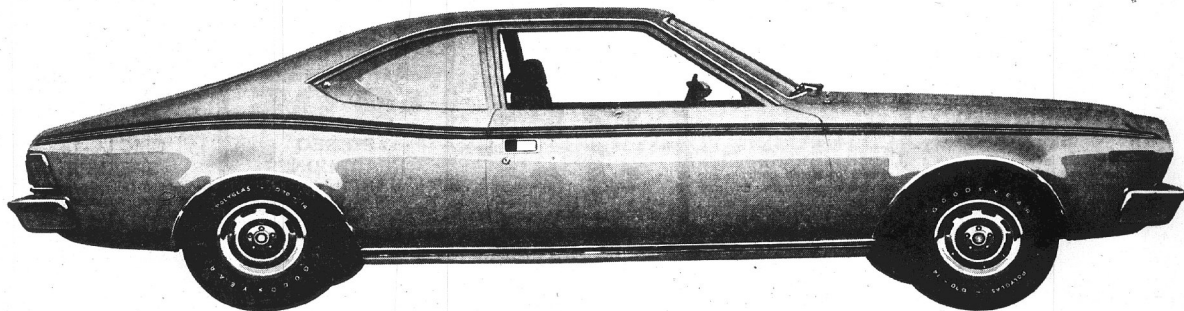

Members of the class, in an attempt to learn first-hand about the problems of local government, have invited several public officials to address the class.

Scheduled speakers in addition to Chief of Police Ralph Brawley of Venice, who talked to the group last week, are Mayor Mike Sasyk, Madison; Mayor John E. Lee, Venice; Frank Dutko, chief of police, Madison; John Beloff, city clerk, Madison; Lester Firtus, Madison controller, and Chester McManaway of the Madison Board of Education.

Members of the class visited the Venice City Council meeting last week and the Madison City Council meeting early this week.

Introducing the Hornet Hatchback. It sure doesn't look like an economy car.

Model illustrated, \$2399.00, equipped with special trim package, sports steering wheel, dot-style wheels and Polyglas tires, optional at extra cost. Prices subject to change without notice.

And it sure doesn't act like one. The big 6-cylinder engine makes it fly. The steering is quick and precise. When you need extra cargo space, the back seats fold down so you can

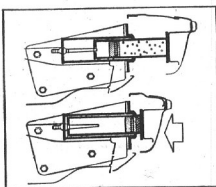

load up through the hatch for a long vacation.

You see, the Hornet Hatchback is really a sports car with room to travel in. A car that does everything a sports car should do.

It moves like one. It handles like one, but it doesn't cost like one.

It comes standard with a piece of equipment no other economy car has, The Buyer Protection Plan.

Only American Motors makes this promise: The Buyer Protection Plan backs every 73 car we build and we'll see that our dealers back that promise.

The new energy absorbing bumper system on Hornet telescopes the front bumper as much as 3 inches and returns to normal after repeated 5 mile per hour barrier impacts. It's one of the most advanced systems in the industry.

Buckle up for safety.

AMC Hornet Hatchback

\$2399
Model illustrated left.

Manufacturer's suggested retail price, state and local taxes excluded. Destination charges and options extra.

AMERICAN MOTORS BUYER PROTECTION PLAN

1. A simple, strong guarantee. Just 101 words! When you buy a new 1973 car from an American Motors dealer, American Motors Corporation guarantees to you that, except for tires, it will pay for the repair or replacement of any part it supplies that is defective in materials or workmanship. This guarantee is good for 12 months from the date the car is first used or 12,000 miles, whichever comes first. All we require is that the car be properly maintained and cared for under normal use and service in the fifty United States or Canada, and that all necessary repairs or replacement be made by an American Motors dealer.
2. A free loaner car from almost any one of our dealers if guaranteed repair takes overnight.
3. Special Trip Interruption Protection.
4. And a toll free hot line to AMC Headquarters.

BREWER MOTOR COMPANY 2165 MADISON AVENUE, GRANITE CITY

DROWNING VICTIM. More than 250 Boy Scouts and leaders participated in training exercises during the weekend at Wilson Park where the Scouts 'treated' victims of mock accidents. The Panther Patrol of Troop 41, sponsored by the Mitchell School PTA, is treating a drowning victim,

enacted by Scout Robert Baxter, a member of the patrol. At left, elevating the victim's feet, is Scout Don Filkins; administering artificial respiration is Gary Busby, patrol leader, and at right is Scout Mark Starling.

BOY SCOUT TRAINING EVENT at Wilson Park during the weekend highlighted 'treatment' of victims of five different mock accidents. In this view, the Flaming Arrow Patrol of Troop 99, sponsored by the Central Christian Church, treats a

'patient', Donna Cockrell, who supposedly suffered a broken arm, an ankle cut, an injured foot and shock in a playground accident. From left are Jeff Bell, Bruce Wright, Randy Hillard, Bruce Crown and Dan Manogian, patrol leader.

Scouts Learn by Doing at Realistic Training Event

By WALTER STRANGE

Press-Record Staff Writer

Do you know how to safely get a person away from an electrified fence, how to help a drowning man, or what to do when you come upon a bad auto accident with a car wrapped around a telephone pole and the persons inside bleeding and unconscious?

Well, you do if you are a Boy Scout in the Uniwah (Quad-Cities) District and attended the Health and Safety field event held in Wilson Park during the weekend.

More than 250 Scouts and leaders from this area participated in a first aid and emergency training exercise with the emphasis on realism and procedures.

Explorer Post 123, sponsored by St. Elizabeth Hospital, a health specialty post, was in overall charge of the event assisted by several members of the local hospital staff.

Emergency methods used were in keeping with the new Boy Scout Handbook and were under the supervision of Dr. Felicia Koch and Mrs. Maxine Dunaphin, first aid chairman of the American Red Cross.

Groups Aid Program

Other groups assisting with the training event were Dempsey-Adams Auto Body, Illinois Power Co., Mercer's Ambulance Service, Pontoon Beach Fire Department, Boy Scout Troop 99, Granite City High School speech department under the direction of Richard King, Illinois State Police, Granite City Jaycees, GCIS Art Club, Bubble Masters diving team and recovery team and the Women's Reserve of the Cahokia Mound Council, Boy Scouts of America.

The event was sponsored by the Granite City Trust and Savings Bank which provided funds for the event and also furnished personnel to act as judges. Cliff Blankenship, of the A. O. Smith Corp., local Boy Scout Health and Safety chairman, was in overall charge.

Encounter 'Accidents'

As the various Scout patrols walked around Wilson Park, they came across such scenes as an electric "hot" power line down across the fence on the

ELECTRIFIED FENCE. In a training exercise in Wilson Park during the weekend, Boy Scouts were faced with five realistic accident scenes. Members of the Beaver Patrol of Troop 5, sponsored by the Namoki Methodist Church, are treating Mary Lou Dawson who supposedly was found unconscious against an electrified fence. Scouts from left are Danny Webb, Paul Ramey, Rick Taylor and Randy Skinner, patrol leader.

ball field; a drowning victim at the pool; an auto wrapped around a telephone pole on the State street curve north of 27th street; a child who had a serious accident at the playground near the concession stand; and a camping accident on the road.

SPARTAN HEALTH SPA

Edwardsville Rd. Granite City, Ill. 876-1925

Mid-September was the kickoff time as four separate conventions were held during the seventh grade language arts-social studies classes.

The parties being represented are the Democratic, Republican and American.

It will be the duty of the parties to make the voters of Prather aware of the national candidates and their platforms.

The parties elected committees at the conventions with each student getting the number of electoral votes of the state he represented.

The fourth group, the Independent Voters Association, will be responsible for the registration of all the Prather students, furnishing judges and counting ballots on election day.

The campaign activities will continue with the mock election taking place on Oct. 31 and Nov. 1 when the polls will be open at Prather.

Italian to Speak on Mafia of W. Sicily

Italian social activist Danilo Dolci, who has led non-violent struggles against poverty and Mafia corruption in western Sicily, will speak at St. Louis University at 7:30 p.m. Oct. 6.

Open to the public without charge, the lecture is titled "Let's Invent the Future." It will be held in Busch Memorial Center.

The lecture is part of a three-week tour of the United States marking the 20th anniversary of Dolci's work to better the life of the Sicilian people. His methods of non-violence have ranged from fasting, to speaking out against the corruption of Italian government ministers, to civil disobedience.

He has organized a wine cooperative, a fishermen's cooperative, a 400-student school and he fought for the construction of the Jato Dam which opened in 1971 irrigating 5,000 acres of unproductive land.

Dolci is the author of eight books including the most recent published in 1971, "Can't You Smell Smoke?"

His lecture is sponsored by the Institute for the Study of Peace.

Dental School Offers 1st Education Course

The first continuing education course offered by the Southern Illinois University School of Dental Medicine for the 1972-73 academic year will be held Oct. 12.

The course, "Temporomandibular Joint Dysfunction," is for practicing dentists and will cover treatment "for patients with psychological and physiological problems in oral-facial equilibration," according to Dr. Richard Coy, director of advanced educational programs at the dental school.

The course will run from 9 a.m. to noon and from 1 to 5 p.m. each day at the Center for Professional Advancement on the dental school campus in Alton. The fee of \$88 includes lunch both days.

Faculty for the course will include Coy; R. Dale Smith, Dr. Philip Hoggan; Dr. John Angellio of the SIU dental school; Irwin Brueggemann of the department of orthodontics at St. Louis University.

Coy said the course is the first of 16 that will be offered at Alton through June, 1973.

The Academy of General Dentistry's council on continuing education accepts the courses for accreditation for member maintenance.

The courses also will satisfy education requirements of state licensing agencies, Coy said.

Plan Weekend Classes For Master's Degree

Persons in this metropolitan region interested in a master's degree in business administration will be able soon to fulfill degree requirements on weekends through the Southern Illinois University at Edwardsville Business Division.

Students enrolling in the regular two-course-per-quarter sequence may complete degree requirements in two years or less while still employed on a full-time basis.

The initial class briefing will be held Saturday, Oct. 28.

The master of business administration degree program, initiated three years ago, presently is available at 10 Air Force installations in the United States and Europe.

The program includes intensive weekend seminar class sessions, independent and integrated study experience, and courses taught by the graduate faculty of SIUE.

For further information, interested persons may contact John E. Megley, associate dean of the SIUE Business Division (618) 602-2922.

GOD AND COUNTRY RECIPIENTS. Four members of Boy Scout Troop 5 sponsored by the Nameoki United Methodist Church received the God and Country religious Scout award this week following a year of meeting special requirements.

The Scouts from left to right are Richard Bunch, Scott Sabo, Richard and Charles Taylor. In back at left is Scoutmaster Charles E. Taylor and at right the Rev. William D. Fester, pastor of the church who made the presentation.

Over 50,000 Drivers Fail

Last year alone, over 50,000 Illinois licensed drivers failed the state written examination. This year the number of drivers that will fail could jump to a hundred thousand or more. Experts say "One reason is, that rules and regulations change, and even some good safe drivers just don't keep up with the new laws." If H. H. your license expires this year, you may be among the hundreds of thousands that will be re-examined in 1972. So if you're nervous about taking the state written exam, here's

good news. You can now purchase your own "self-scoring" test papers, complete with questions, answers and road signs you should know for that important examination day. This method has helped thousands pass the state exam. Introductory price just \$6 plus 75 cents handling. (Check or money order only.) Mail to AA-AA School of Safe Driving, 604 N. Milwaukee Ave., Chicago, Ill. 60646, Dept. 8000. Copyright 1972—AA-AA School of Safe Driving. All rights reserved.

YOUNGEST DELTA CHI MEMBER. John Allen Young was installed as an honorary member of the SIUE Colony of Delta Chi Fraternity last week at the Pizza Pit, 2538 Washington Ave. Pining the new "member" is Vince Saputo. Seated at left is Michael Starko, president, and partially

hidden on the right is Mark Schmisser, treasurer. Following the formal induction of John the 28 fraternity members held their regular dinner meeting. The boy is afflicted with an incurable eye disease and eventually will become blind.

Delta Chi Fraternity Honors John A. Young

John Allen Young, 9, was honored last week when he became an honorary member of Delta Chi Fraternity in ceremonies held at the Pizza Pit, 2538 Washington Ave.

Delta Chi is a general social fraternity on the campus of SIUE.

In the initiation ceremonies the boy received the official pin of the fraternity, along with the traditional paddle and membership card.

The introduction was under the direction of Michael Starko, president; Mark Schmisser, treasurer; and Vince Saputo, Virgil Kambarian Jr., a teacher at Coolidge Junior High School, is the Delta Chi Fraternity adviser.

Among civic projects of the fraternity is its annual "Legs Contest," which this year will be held on campus Oct. 2 through Oct. 13. Proceeds will be given to the March of Dimes.

The group also holds an annual Easter egg hunt for the orphans of the Madison County Home.

John Allen is the son of a Granite City policeman. He is afflicted with an incurable eye disease, and eventually will become blind.

Ledbetter Named To District Post Of DeMolay Order

David Ledbetter, master councilor-elect of the local James Stuart Chapter, Order of DeMolay, was elected as senior councilor of District 16 at a meeting Monday night at the Wood River Masonic Temple.

He will serve in that capacity until the August 1973 convocation at the University of Illinois.

Other district officers elected included Rusty Staub, Collinsville, junior councilor.

New district by-laws were adopted at the meeting. Wally Todd, district sports director, outlined the district sports program and announced that the James Stuart Chapter team will represent the district in a flag football tournament.

Advisor Steve M. Lamar of Elash was introduced as the new district deputy.

Probably the most popular activity is swimming with the following class schedule for youth. Polliwog — beginners have three sessions available: Monday, 4 p.m., 6-7 year olds; Wednesday, 4 p.m., 8 years old and up; and Saturday, all ages 10-11 a.m.

Minnow — advanced beginners have three sessions: Monday, 5 p.m., 6-7 year olds; Wednesday, 5 p.m., 8 years old and up; and all ages at 11 a.m. Saturday. Fish Class: Intermediates at 4 p.m. Monday and the Flying Fish: Advanced intermediate at 4 p.m. Thursday. Shark and advanced swimmer and advanced waterman-ship classes respectively meet at 4 p.m. Friday. Member 4 charge, non-member \$20.

Adult swim clinics are available on Saturdays, 8 a.m. to 11 a.m. Wednesdays or 11 a.m. to 12 noon Tuesdays. Men meet 8-9 p.m. Mondays. Member and non-member fees required.

A busy recreational swim schedule for youth and adults is set. Grade school youth 8-10 a.m. Tuesday and Thursday 5-5:30 p.m. and Saturday noon-1 p.m. Junior high youth swim Tuesday and Thursday 5-5:30 p.m. and Saturday noon-1 p.m. High school youth swim Monday and Wednesday 8-9:30 p.m., Tuesday 8-8:45 p.m. and Saturday 1-1:45 p.m. Ladies swim Monday, Wednesday and Friday, 11-noon and Tuesday and Thursday 8-8:45 p.m. besides the coed adult schedule which follows. Adult coed swims: Monday, Friday noon-12:30 fitness swim, 12:30-1 p.m. recreation, Monday and Wednesday 6-7 and 9-10 p.m. Tuesday 8-8:45 p.m., Friday 5-6 and Saturday 1-1:45 p.m. Family swims where parents must accompany child in the pool are Tuesday and Thursday 7-8 p.m. and Saturday 1-4:30 p.m. Life saving class will be held

ROCA CLUB OFFICERS for the new term are, left to right, front, Chris Louis, secretary; Greg Griffith, vice-president; and Mark Vogle, pledge master; and back, Bill Barbieri, treasurer; Brett Champion, president; and Ken Kibort, sergeant-at-arms.

Fall instruction programs at the YMCA will start Monday. Pre-registration is recommended for all programs.

Registration will continue to the second week after classes have begun. Classes will be 10 to 12 weeks in duration.

GOD AND COUNTRY RECIPIENTS. Four members of Boy Scout Troop 5 sponsored by the Nameoki United Methodist Church received the God and Country religious Scout award this week following a year of meeting special requirements. The Scouts from left to right are Richard Bunch, Scott Sabo, Richard and Charles Taylor. In back at left is Scoutmaster Charles E. Taylor and at right the Rev. William D. Fester, pastor of the church who made the presentation.

Over 50,000 Drivers Fail

Last year alone, over 50,000 Illinois licensed drivers failed the state written examination. This year the number of drivers that will fail could jump to a hundred thousand or more. Experts say "One reason is, that rules and regulations change, and even some good safe drivers just don't keep up with the new laws." If H. H. your license expires this year, you may be among the hundreds of thousands that will be re-examined in 1972. So if you're nervous about taking the state written exam, here's

good news. You can now purchase your own "self-scoring" test papers, complete with questions, answers and road signs you should know for that important examination day. This method has helped thousands pass the state exam. Introductory price just \$6 plus 75 cents handling. (Check or money order only.) Mail to AA-AA School of Safe Driving, 604 N. Milwaukee Ave., Chicago, Ill. 60646, Dept. 8000. Copyright 1972—AA-AA School of Safe Driving. All rights reserved.

Crime Controls Require Citizen Aid—Howlett

Crime control is every citizen's responsibility not exclusively a police job, Michael J. Howlett, state auditor of public accounts, said this week.

Addressing the 71st annual convention of the Illinois Police Association at Peoria, Howlett said the American people need to be re-educated about the function of police officers.

"No profession in our society depends on public cooperation more than law enforcement," said Howlett. "Police authority must be respected by the people it protects. It cannot operate effectively otherwise."

"Citizens must participate in crime control."

"A survey of housebreakings found nearly three-fourths of burglaries occurred while the home owner was away — 29% of them through unlocked doors or windows."

Lock Doors, Windows
A sensible vacationer not only locks his doors and windows, he leaves night lights that switch on and off while he is gone. He cancels the milk, newspaper and mail deliveries, and he lets the neighbors or the police know he is going.

"Auto owners should take keys from the ignition and lock their cars when they park in the shopping center."

"Community organizations can help the police control crime by public education programs. They can campaign for adequate street lighting. They can leave pamphlets in unlocked cars and attach warnings to parking meters on the dangers of leaving keys in the ignition."

"The National Tea Co. is sponsoring a series of public service television presentations on behalf of our nation's police on the theme: 'Call a Friend — Call a Cop.'"

PARENT TEACHER ASSOCIATION WEEK is set Oct. 1-7 in a proclamation signed by Granite City Mayor Donald Partney. Granite City Area Council of PTA requested the period in which special efforts will be made to recruit new members. Standing are Mrs. Juanita Hunter, left, Area Council president, and Mrs. Virginia Apperson, president of the Russell Johnson School PTA.

SIUE Plans Staff Office For U.S.-China Relations

A field staff office of the National Committee on United States-China Relations will open soon at Southern Illinois University at Edwardsville, according to the field staff representative, D. Lee Hamby.

Hamby is a graduate student in Asian Studies at SIUE. He said the local office would be composed mostly of faculty, graduate and undergraduate students at Edwardsville, but would serve the metropolitan region as well.

"The national committee is a non-profit, non-partisan education organization," Hamby said, "primarily concerned with increasing public knowledge about the People's Republic of China, and their relations with the United States." Hamby said the national organization was funded primarily by the Ford Foundation and the National Endowment for the Humanities.

The national committee is primarily concerned with three areas: Exchange of scholars with mainland China; increasing knowledge about China in public secondary schools; increasing knowledge about trade potential with China.

Hamby said local objectives would be "to set up a China speakers bureau on sundry topics about China including its history, politics and art. We're also trying to put together a guide to China resource materials available in the SIUE library, for the use of local high school teachers and librarians."

He said the long term goal is to work closely with secondary school teachers and to organize a China workshop, with specialists from the Center for War and Peace Studies (in New York City).

In the meantime, Hamby said the organization was working with representatives of the

PTA Week Observance Set Oct. 1 to 7

The week of Oct. 1-7 has been designated Parent Teacher Association Week with special emphasis on recruitment of new members by each of the individual PTA units, according to a proclamation signed by Granite City Mayor Donald Partney.

Granite City Area Council of Parent-Teacher Associations, headed by Mrs. Juanita Hunter as president, has urged all teachers and parents to participate in securing new members to become active in their children's school organizations.

The proclamation states in part: "the recruiting efforts of the teachers and parents of our school systems have proved rewarding in the past and are deemed advisable for the future welfare of this important community organization; the goals of the Granite City Area Council of Parent Teacher Associations are altogether worthy of public recognition."

BURGARS LOOT HOME

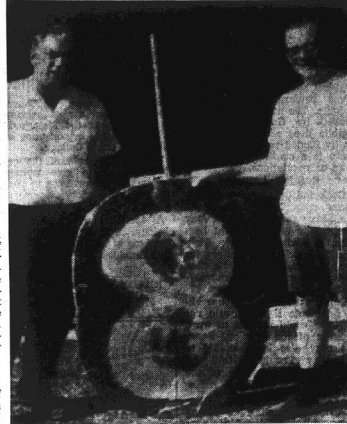

Burglars looted the home of Jane Griffith, 1402 Madison Ave., she reported this week. Entry was gained by forcing the rear door. Taken were a television set valued at \$100, three sets of green drapes, an iron, 10 silver dollars, seven half dollar, four quarters and \$4 in assorted change.

AUTO TAKES DITCH

An auto driven by Martin E. Schuster, Collinsville, avoiding a passing, on-coming car, went out of control and into a ditch during the weekend on Route 35 a mile west of Highway 157, Madison County sheriff's deputies reported.

FREE TOL LITERATURE AT HOLIDAY SERVICE

A collection at the intersection of Grand Avenue and 20th Ave., and Veryl E. Case of Street during the weekend in Fairview Heights.

THE END OF A SEARCH for the largest lollipop in the Ozarks came when Donald Brown of Northtown Rentals, 4300 Nameoki Road, left, and Robert Tritschuh, right, located this 129-pound "all-day" (would you believe all year?) sucker at a candy store in Eureka Springs, Ark. The lollipop was so large that the men had to saw off part of the handle to fit it into the auto. Brown reportedly is "getting in his licks" at the rental store where the giant candy now is on display.

20TH-GRAND MISHAP

THE '73 FORDS ARE HERE.

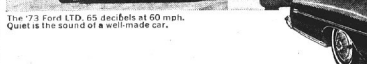

The airborne glider. 82 decibels at 60 mph.

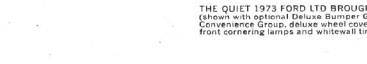

The '73 Ford LTD, 65 decibels at 60 mph. Quietest the sound of a well-made car.

At 60 mph a '73 Ford LTD rode quieter than an airborne glider.

On July 27, 1972, General Radio Co. tested a '73 LTD against an airborne glider. Both at 60 mph and with identical sound level meters. The result: the Ford was quieter. But the new LTD is more than just quiet. It is well made from its power front disc brakes, power steering and automatic transmission, standard equipment, to its luxurious, comfortable, roomy interior. There are 16 new Ford models to choose from and each will convince you that quiet is the sound of a well-made car.

THE QUIET '73 FORD LTD BROUGHAM (shown with optional Deluxe Bumper Group, Convenience Group, deluxe wheel covers, front cornering lamps and whitewall tires).

High wire artist Bill Couch balancing on a '73 Torino riding over a road of 2x4's.

A '73 Torino rode so smooth, a high wire artist kept balance on a road of 2x4's.

Chances are you won't try to balance yourself on top of your new Torino. But, when you're riding inside, you'll still appreciate Torino's refined suspension—because it helps to cushion bumps, absorb road vibrations and reduce body sway. You feel solidly in control while you ride in comfort and luxury. The solid mid-size Torino. Smooth riding, strong and quiet.

THE SOLID '73 FORD TORINO BROUGHAM (shown with optional front bumper guards, deluxe wheel covers and whitewall tires).

'73 Pinto: When you get back to basics, you get back to Ford.

Ford, the company that built the first basic, solid, reliable car seventy years ago—has built today's basic, solid reliable car: Pinto. It's become America's top selling economy car for more reasons than economy. Here are some of those reasons: A 1600 cc. engine developed and perfected in over 10 years of actual driving. Rack-and-pinion steering. Solid welded body, electrocoated to fight corrosion. 4-speed transmission—lured for life. Everything we've learned in seventy years of car making—all the basics—we build into every Pinto Wagon, Runabout and Sedan. When you get back to basics, you get back to Pinto.

THE '73 PINTO WAGON (shown with Square Option, luggage rack, Deluxe Bumper Group and whitewall tires).

There are 39 new models to choose from.

And every 1973 Ford, Thunderbird, Torino, Mustang, Maverick and Pinto—comes equipped with new energy-absorbing bumpers and steel guard rails in all side doors. Steel-belted radial ply tires and AM/FM stereo radios are options on all models. Test-drive these new Fords at your Ford Dealer's now.

Gov. Ogilvie Signs Bill to Expand Higher Education

Cooperative, inter-institution programs of higher education between all public and private colleges and universities in Illinois are authorized under the new Higher Education Cooperation Act approved by Gov. Richard B. Ogilvie.

The governor noted that economy and superior education can be achieved with common programs under the act. "One additional benefit," he pointed out, "will be to extend the advantages of the 'common market' concept of higher education to areas not served adequately now."

Ogilvie said that the greatest benefit "is that students can put together a course of studies that draws from the best programs available in a wide area. On the operational level the bill provides a mechanism to avoid the duplication of effort that has been so costly to our institutions, both public and private."

The act appropriates \$350,000 to the Board of Higher Education for grants to specific cooperative programs, including \$50,000 for the Quad Cities Graduate Study Center, which Ogilvie said has since 1969 the Quad Cities program has provided graduate-level instruction to 9,200 students with the support and backing of nine institutions — four in Iowa, five in Illinois — two private and seven public.

Payment Guaranteed

A continuing appropriation to fulfill pledges to institutions that loan money to Illinois college students is provided by House Bill, 4289 approved by Gov. Richard B. Ogilvie. The new law abolishes the student loan revolving fund and releases the excess money in the fund to the General Revenue Fund.

Although the federal government, several years ago, guaranteed any student loans for college education against default by 80% with the state responsible for 20%, Illinois' revolving fund had to provide 100% coverage. The bill also is the model for the act, which pledges the state's full faith and credit to student loans against default.

Miss Hanfelder Heads Sisterhood of Adelphe

Betty Hanfelder, of Rural Route 1, currently is serving as president of the Sisterhood of the Adelphe organization at Elmhurst (Ill.) College.

The campus role of the organization is to give women students an opportunity to participate in a variety of campus and community projects.

A senior majoring in Psychology, Miss Hanfelder is the daughter of Mr. and Mrs. Walter Hanfelder.

Benefits Available
Cook and DuPage county residents unemployed because of the heavy rains in August may qualify for unemployment benefits, according to Gov. Richard B. Ogilvie. Applications for weekly benefits should be filed with the areas' state unemployment compensation offices.

Persons may qualify for weekly payments if they could not work or could not get to work because of the flooding. Benefits may also be available to persons who could not find jobs after Aug. 25 because of the flood.

EPA Offers Help

Permit counseling workshops are now being offered throughout the state by the Illinois Environmental Protection Agency to assist industries in understanding and meeting air pollution control regulations. Noting that many Illinois industries must soon meet air pollution control permit deadlines, William L. Blaser, director of the agency, said: "There is a need by industry for more personalized, localized assistance in completing permit applications."

Counseling workshops will be conducted daily in Chicago, two days weekly for the East St. Louis area and one day a week for the Rockford, Quad Cities, Peoria, Champaign and Marion areas.

Appointments may be scheduled through the nearest regional office or the Permit Section, Division of Air Pollution Control, Illinois Environmental Protection Agency, 2200 Church-III Road, Springfield 62706.

"Today we are assuring young people of adult wages and working conditions as well as full driver's licensing rights," Gov. Richard B. Ogilvie said when he signed three measures which, he explained, "virtually complete the process of eliminating the inequities and anachronisms created by the approval of the right to vote at 18 years of age."

"Persons 18 can now vote and serve in the armed forces, and should be recognized as adults with the opportunities and responsibilities that implies."

The bills approved by Ogilvie set 18 instead of 19 as the age affected by the state's minimum wage act; amends the child labor act making the cut-off age for males 18 (formerly 21) to conform to the provisions applying to females; allows issuance of driver's licenses and permits to 18-year-olds without parental consent (formerly 21).

Workshops Set to Help Meet Pollution Rules

Air pollution control permit deadlines for Illinois industries are rapidly approaching, and the Illinois Environmental Protection Agency is intensifying its program of industrial assistance to help industries meet the deadlines.

The agency today announced it is scheduling permit counseling workshops throughout the state, including a series at Edwardsville, to assist industries in understanding the recently adopted air pollution control regulations.

The counseling workshops will supplement a permit seminar series through which companies have been provided general information on permit procedures.

"There is a need by industry for more personalized, localized assistance in completing permit applications," noted William L. Blaser, director of the IEPA.

"We want to go all out to aid industry in taking this critical step toward cleaner air," he said.

Among the workshops will be a series at the Edwardsville Community Building, 400 N. Main St., Edwardsville, which will be conducted by an engineer from the Collinsville EPA office.

Representatives of four companies will be assisted in pre-

FENCING REGISTRATION

Registration for a fencing class at Southern Illinois University at Edwardsville will be held from 7 to 10 p.m. today in Room 0033 of Lovejoy Library. Instruction will begin Tuesday, Oct. 3. The class is sponsored by the SIUE Fencing Club and the intramural office, and is open to the public without charge.

Paraphrasing application forms at each session. Participation will be by appointment only and company representatives wishing to attend the sessions should contact the Collinsville Division of Air Pollution Control at 345-0700.

Sessions will be scheduled as long as requests from industry for assistance are received, an EPA spokesman said.

GC Steel Co. Named In \$15,000 Suit

Granite City Steel Co. has been named defendant in a \$15,000 suit filed in Madison County Circuit Court by Leroy Mangiaracino of Granite City. He alleges he was injured while coupling and uncoupling company railroad cars at Lipsett Steel Products, Inc., on March 15, 1972.

Mangiaracino said he was uncoupling a car in a train and the coupler failed to release, causing the car to strike and injure him.

JOHN JONES, trombone soloist, assistant vice-president, Bank of Ravenswood, Chicago. Played principal trombone with the National Youth Orchestra of Great Britain from 1953 to 1958. He has toured with bands in Sweden, Netherlands, Belgium and Great Britain.

ARTHUR SHOULTS, euphonium soloist, formerly played cornet with a Dixieland group on a Mississippi riverboat. Graduated from Washington University, St. Louis, and has made solo appearances in Kansas City, Denver, Pittsburgh and Florida. Vice-president of Goldman Sachs & Co., investment bankers.

CAPTAIN GARY HERNDON, cornet soloist. He is a graduate of Asbury College, Wilmore, Ky., and earned his master's degree in social work from the University of Chicago. He is cornetist with the Chicago Mont Clare Corps Band and the director of the Salvation Army Settlement.

ALAN NELSON, cornet soloist, is employed as a development engineer with the Barber-Colman Co. He received his bachelor and master degrees in mechanical engineering from the University of Illinois at Champaign-Urbana. Nelson plays with the Rockford Citadel Corps Band.

Grants to Aid Schools in Devising Budget Systems

Springfield — State School Superintendent Michael J. Bakalis and State Budget Director John W. McCarter this week announced a joint program to encourage Illinois school districts to develop comprehensive planning and budgeting systems.

They said the program will provide \$300,000 for grants to school districts for one or more of the following purposes: to design, develop, improve, or expand existing financial planning, management and control.

The cooperative effort of the Office of Superintendent of Public Instruction and the Illinois Bureau of the Budget was authorized by the state legislature this year to help school districts make effective use of limited financial resources and to assist them in establishing procedures for accountability to the public.

All Districts Eligible — Under terms of the program, any school district or combination of districts in Illinois is eligible to apply for a grant. Applications must be filed with the appropriate education service region by Oct. 30 and forwarded to the state education office by Nov. 6.

Project proposals will be evaluated by an advisory committee representing both Bakalis and McCarter's offices. Grants will be announced by Dec. 1.

The two state officials said grants will be awarded to districts of varying sizes and in regions throughout Illinois in hopes of demonstrating to all school systems the means by which financial management can be improved.

In determining grant recipients, they said, preference will be given to projects which promise potential use as models and which propose a substantial commitment of local resources to developing and implementing comprehensive financial management systems.

Grants to Vary — According to guidelines developed for the new program,

the amounts of the grants will vary according to the quality and scope of projects, district size and achievement in establishing comprehensive financial systems. Grants may be applied to a total revision of a district's fiscal practices or a revision of any element in the system. The guidelines specify that when one or more individual elements of a system are to be revised they must be an integral part of a comprehensive system of financial planning, management and control.

Districts awarded grants will be required to submit progress reports on March 30 and June 30, 1973.

Mental Health Group Plans Musical Benefit

The Madison County Association for Mental Health will hold a musical benefit starting Marty Bronson of St. Louis Oct. 15 in the Meridian Hall of Southern Illinois University at Edwardsville.

The program will include bands and other performers who have donated their services to the non-tax, non-profit group, according to LaCleta Diecker, executive secretary.

Proceeds will be used to send emotionally disturbed children to summer camp, conduct seminars for better detection of emotionally disturbed children, to help evaluate nursing and shelter care homes in Madison County and to continue information and referral services to county residents.

Tickets at \$2 may be purchased from board members or by contacting the Mental Health office, 103 E. Vandallia St., Edwardsville, 656-1123.

TRAVELING BY AIR? CALL HOLIDAY SERVICE, 452-3131

Famed Salvation Army Staff Band Here Saturday Night

By VALERIE EVENDEN
Press-Record Staff Writer

Stirring marches, festival arrangements and solo presentations will highlight the appearance here Saturday evening of the Salvation Army Chicago Staff Band, one of six such musical groups in the world. The public is invited to attend.

The internationally renowned band will perform in concert at 7 p.m. in the auditorium of Central Junior High School.

Tickets, costing \$2 for each adult and \$1.50 per student, are available in advance from the Salvation Army Citadel, 1909 Grand Ave. Admission also may be paid at the door immediately before the concert starts.

Captain Ronald Kerley, administrator of the Quad-City Salvation Army office, said today that a 10-girl precision tambourine group from Rochester, N.Y., will appear here with the band. The program also will include vocal selections by the band's male chorus.

"The Band With a Sacred Message," as the Chicago music ensemble is known, also will present its programs Sunday

morning to Calvary Baptist Church, 30th Street and Washington Avenue. Captain Kerley said. The bandmen will appear at the regular 10:50 a.m. worship service, he said.

The Chicago Staff Band, now in its 63th year, completed a successful tour of the British Isles in July, the second trip the band has made to Britain. The initial overseas visit, taking place in 1914, also was to London.

Concert Appearances

The Illinois musicians appeared this summer at the 1972 British Congress and performed in music festivals with the world famous International Salvation Army Staff Band.

Additionally, the Chicago area bandmen were featured on a concert tour throughout the London area and in the Midlands of England.

Organized in 1907, the Chicago Staff Band has served continuously since that time. It was the second staff band to be formed in the United States and began with nine officers and employees, who met in the Central Territorial Headquarters building in Chicago during

their lunch hour.

Traveled Extensively

Between the first visit to England in 1914 and its second at the time, the band has traveled extensively in the United States and Canada. During the intervening years, a roster of nearly 400 Salvation Army lay people and professionals have given service as staff bandmen.

Major Ernest A. Miller, territorial public relations secretary for the Salvation Army in the 11 north-central states, serves as bandmaster-conductor. He has headed the ensemble of 35 musicians since 1966.

Educated at Northwestern University, Evanston, Ill., where he received a bachelor of music degree, Major Miller became widely known as host for 12 years of the filmed television series "The Living Word." The program was seen on 300 television stations in the United States, Canada and other portions of the world.

As a vocal soloist, the major has appeared in concert in Europe and North America and was guest soloist in 1966 at the Royal Festival Hall in London on the occasion of the 75th anniversary of the Salvation Army International Staff Band.

Major Miller serves as chairman of several national commissions and is involved in programs affecting Salvation Army practice and policy from coast to coast.

His chairmanships include the National Public Relations Commission, the Continental Film-Radio-TV Commission and the National Commission for Emergency Disaster Service.

Native of Iowa

He was born in Burlington, Iowa, and served as a field officer for 11 years in Des Moines, Chicago and Kalamazoo, Mich. He is a graduate of the Salvation Army School for Officers' Training, where he also taught for two years.

During World War II, he served in the U. S. Navy, taking part in several key naval battles in the South Pacific.

In addition to his duties as bandmaster, Major Miller coordinates disaster and emergency relief work in central states area, along with directing fund raising and service extension. He has several vocal recordings released on Pilgrim,

Zondervan and Fidelity labels. The Chicago Staff Band has been cited by music critics as outstanding, talented and with great stage presence.

Volunteer Personnel

Its membership consists fairly equally of students, lay Salvationists, who are fully employed in a variety of occupations from university professors to bankers, and Salvation Army officers. All members are volunteers who serve without compensation.

The all-brass combination has been highly developed in Europe, notably in Great Britain, and can achieve sonorities and effects of great beauty, critics note.

Traditional and contemporary music is played, including hymn tune arrangements, marches, compositions conceived for all-brass bands, transcriptions of symphonic works, ensembles and solos.

Largest Publisher

The music is composed or arranged by Salvationist musicians and published by the Salvation Army. The Army is the largest publisher of brass band music in the world, pro-

ducing more band music than any other publisher as a service to more than 50,000 players. Composers who have written especially for Salvation Army bands are: John Phillip Sousa, Ralph Vaughan Williams, Erik Leiden and Emil Soderstrom, among others.

In addition to appearing in public concerts and special events, the band maintains a full schedule of programs at veterans hospitals, prisons, churches and Salvation Army evangelistic meetings.

Boy on Bicycle, 12, Hit by Auto, Injured

Billy Dunham, 12, son of Mr. and Mrs. Frank Dunham, 2917 Sunset Drive, suffered minor injuries when his bicycle was struck by an auto Monday evening at the driveway of St. Margaret Mary's Church.

He was knocked off the bike but got up and walked to his home a few houses away. A woman driver of the car inquired at the home as to any injury, a member of the family reported.

The boy was taken to St. Elizabeth Hospital at 8:40 p.m. for treatment of abrasions and contusions to the left leg and was released. The incident apparently was unreported to police authorities.

AUTO VANDALIZED

James Konjathy, 2710a Center St., reported this week that someone cut two distributor wires and took the points and condenser out of his 1969 auto while it was parked at his home during the night.

The boy was taken to St. Elizabeth Hospital at 8:40 p.m. for treatment of abrasions and contusions to the left leg and was released. The incident apparently was unreported to police authorities.

INTERNATIONALLY RENOWNED BAND. The Salvation Army Chicago Staff Band, one of six staff bands in the world, which will appear in concert at 7 p.m. Saturday at Central Junior High School auditorium. Band personnel, consisting of students, laymen and Salvation Army officers, participated in the 1972

British Congress during July in London. Tickets, costing \$2 for adults and \$1.50 for students, may be obtained in advance at the Salvation Army Citadel, 1909 Grand Ave., or at the door on concert night. A 10-girl precision tambourine group from Rochester, N. Y., will appear with the bandmen here.

State Moves to Implement Blood Labeling Program

Copley News Service

Springfield — The effective date of Illinois' new Blood Labeling Act is approaching and plans by the state's Public Health Department are moving ahead to implement the new law.

Starting Sunday when a patient receives a blood transfusion, the container carrying the blood must be labeled with the wording "purchased" or "donated." This is expected to

curtail the operation of the commercial or purchased blood banks.

The Public Health Department, at the direction of Gov. Richard B. Ogilvie, is currently establishing a donor type program among state employees.

Federal officials along with state officials feel that the purchased blood in the past has been a common carrier for such diseases as hepatitis.

Health officials feel that in some cases the person who frequents the commercial blood establishments is not always in the best of health. But they are quick to point out that not all diseases are carried in blood that is purchased. It can happen and has happened in the areas where the blood is donated.

\$5 Per Pint — In the past the purchased blood has been running about \$5 per pint in the southern portion of the state, but this runs higher in the northern section of the state. This has been due mainly to the fact there are

more people and the need for blood runs greater. In fact certain times of the year, there is a blood shortage.

Public health officials point out that in the past Illinois has had very good donor programs throughout the state.

It is estimated that some 400,000 units of blood were used

in the state last year and about 100,000 of these units came from the commercial blood bank business.

In recent years there has been a tendency among doctors to stay-away from the commercial blood. This was mainly because of its higher risk of carrying diseases.

\$15,000 Suit Filed Against GC Schools

A \$15,000 suit has been filed in Madison County Circuit Court against Granite City School District 9 in behalf of a Lake Elementary School student.

The suit was filed for Jimmy F. Smith, a minor, by Virginia L. Biggs, his mother. It charges that on Sept. 21, 1971, the boy was trying to open a washroom window and received injuries to his body and limbs. The school district was charged in the complaint with failure to maintain the school and failure to provide proper supervision.

Four Boys Charged With Throwing Bricks at Cars

Four 11-year-old Pontoon Beach boys were arrested at Route 111 and Georgetown Drive during the weekend after allegedly throwing bricks at passing cars. The boys were released in custody of their parents.

Reporting damage to their cars were: Gerald Starr and Thomas Suren, broken windows; Oliver Kaufman, broken windshield; and Dan Magruder, dented door. All the owners reside in Granite City.

Imports Provide Fifth of U.S. Steel Supply in July

Imports accounted for nearly one-fifth of the total domestic steel supply during July, American Iron and Steel Institute has disclosed.

The AISI report, based upon TSUSA import data, indicated that foreign-made steel constituted 18.7% of all new steel receipts in the United States in July. This compares with a 17.1% share in June, and an average of 14.6% for the first six months of 1972.

Imports in July of 1,539,000 tons, including 8,000 tons of fabricated structural steel and steel blanks, were close to the June figure of 1,613,000 tons, including 14,000 tons of fabricated structural steel and steel blanks.

However, domestic steel shipments declined proportionately more during the month, partly because of slower industrial activity during the summer vacation season and the automobile industry's changeover to production of 1973 model cars. The result: a decrease in the relative imported steel share of the nation's steel supply.

The steel import figure for July includes 498,000 tons from Japan and 741,000 tons from the European Economic Community and the United Kingdom.

Seven Months Report
Through the first seven months of 1972, steel imports reached

9,069,000 tons. Of this total, 3,813,000 tons including 25,000 tons of fabricated structural steel and steel blanks, came from the EEC and the U.K.; and 3,300,000 tons, including 18,000 tons of fabricated structural steel and steel blanks, arrived from Japan.

During the same period of last year, 10,830,000 tons of these steel products entered the United States. The total contained 4,983,000 tons, including 31,000 tons of fabricated structural steel and steel blanks, from Japan.

Although imports from these nations currently below are their levels of 1971, steel shipments to the United States from other countries have increased on a year-to-year basis.

In the first seven months of last year, they totaled 1,398,000 tons compared with 1,775,000 tons for the comparable period of last year.

Korean Imports Up
Korean producers sent nearly 206,000 tons of steel into this country during the January-July, 1972 period. This was nearly four times their exports to the U.S. during the same seven months of last year.

For the first seven months of 1972, exports from Mexico to the United States were 264,000 tons, compared with 175,000 tons for the same period of 1971. About half of this year's Mexican shipments—132,000 tons—were plates. Mexico presently accounts for over 15% of this country's total steel plate imports.

Tool steel imports for the first seven months were almost 8,700 tons, a jump of 13.0% over the level for the comparable period of 1971. All major tool steel exporting nations except Canada increased shipments to this country, on a year-to-year basis.

Imports from Japan were up 36.4%, while the amount of tool steel arriving from the EEC and the U.K. increased 19.5%, over the comparable period of 1971. On a year-to-year basis, tool steel imports from Austria were up 25.0% by the end of July, while those from Sweden had increased 10%.

Substantial Increase
The EEC countries, the United Kingdom and Sweden also recorded substantial year-to-year increases in their stainless steel exports to the U.S. during the first seven months of 1972. Imports of these products from the EEC and U.K. were up 22%, while stainless shipments from Sweden increased 89% over the comparable period last year. Through July of 1972, however, total stainless imports were below their 1971 level, as a result of a 47% drop in shipments from Japan.

Through the first seven months of 1972, Sweden had accounted for 18.7% of all stainless steel imports, and 36.2% of all tool steel imports.

On a year-to-year basis, tin plate imports—at 314,000 tons—were running 34.8% ahead of their 1971 pace, by the end of July. The increase was reflected in a 17.6% rise in such imports from Japan, and a \$60.85 jump in such shipments from the EEC and the United Kingdom.

REP. HENRY HYDE
Dinner Speaker

Dinner to Honor Rep. Robert J. Walters

Republican State Representative Henry Hyde will be the featured speaker at a fund-raising dinner honoring State Representative Robert J. Walters, (R-Alton) Tuesday. The dinner will be held at 7:30 p.m. at the Lewis and Clark Restaurant in East Alton.

Hyde, representative of the 16th district, is the Illinois House Majority Leader. He is a graduate of Loyola University School of Law. He served in World War II and recently retired with the rank of Commander from the USNR.

Rep. Hyde is past president of the Trial Lawyers Club of Chicago; a member of the American, Illinois and Chicago Bar Associations.

He was elected to the General Assembly in 1967; in the 75th General Assembly he was voted the best freshman representative; in the 77th General Assembly he was elected Majority Leader and voted the most effective legislator. He is chairman of the Ogilvie Truth Squad for the 1972 gubernatorial campaign.

A VW EXCLUSIVE

ONE YEAR SERVICE INCLUDED ALL YOU BUY IS THE GAS...

With any new Volkswagen purchased after July 17th Klinkle Volkswagen Inc. will give you a service contract on any new Volkswagen you buy that covers all normal service and maintenance expenses. All of which means just what it sounds like, (we pay for everything it costs you to run your new Volkswagen) except the gas for one year or 12,000 miles, tires on a pro-rated basis. This agreement does not cover towing, accident damage to the vehicle, or damage to the vehicle caused by misuse or by its modification. Naturally, this give-away is for a limited time only... so hurry!

B. E. HOHLT, INC.
1837 MADISON AVE. GRANITE CITY, ILL.

When you work for yourself, you don't have to worry about layoffs

If you're tired of working for other people, maybe it's time to step out on your own. It takes drive and determination to be a Shell dealer, but take a look at what you get. You're your own boss. Leading your own men. Running the show on your own.

hard work and long hours but it can be done. And Shell makes available to its dealers benefits that you used to be able to get only by working for someone else.

- 1) Group Life Insurance
- 2) Hospital/Surgical/Medical Coverage
- 3) Retirement and Investment Plan

Right now we're looking for more Shell dealers. Previous or related experience, while helpful, is not necessary. Qualified dealers will receive four weeks of paid training at a Dealer Management Development Center.

For more information, call or write Shell Oil Company, 500 Northwest Plaza St. Ann, Missouri.

Phone: 618-294-0676 (collect) Evenings and Weekends or 314-291-5700 (collect) Weekdays.

Alpha Phi Woman's Fraternity Chapter at SIUE

St. Louis area alumnae of Alpha Phi International Fraternity for women will formally pledge Epsilon Xi Chapter of Alpha Phi at SIUE on Sunday, Oct. 8, in conjunction with the 100th anniversary of the founding of Alpha Phi.

Granite City members of the district are Lynn Whaley, Karen Hanne, Janet Sertini and Melodie Tindall.

The pledging ceremony will be at 10 a.m. with a Founders' Day luncheon at 1 p.m. Delta Chi Chapter of Alpha Phi at William Woods College in Fulton, Mo., will be in charge of the formal pledging of the new colony of Alpha Phi, and Mrs. Fred Hutton, Kansas City, former international president of Alpha Phi, will be principal speaker at the Founders' Day meeting.

Mrs. Russell Mead, Cincinnati, Ohio, international director of extension, will be present to coordinate the development of fraternity programs leading to the installation of the new chapter.

Mrs. Clinton F. Kasten, former district alumnae chairman, will be installation chairman, and Miss Jane Becker is chapter advisor for the Epsilon Xi.

The three St. Louis area Al-

pha Phi alumnae chapter presidents, Mrs. Gary Plank, Creve Coeur, Mrs. Dan Anglin, Bridgeton, and Mrs. Allan Hileman, Olivette, are coordinating efforts of the alumnae in advising the new chapter.

Mrs. Clyde Standford is formal pledging ceremony chairman, and Mrs. John Runk is Founders' Day chairman.

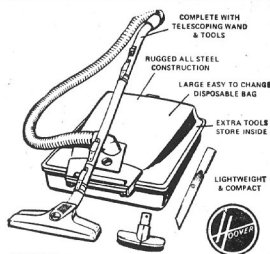

Alpha Phi was founded at Syracuse University on Oct. 10, 1872, and the development of the new chapter at SIUE-Edwardsville is especially significant on the centennial celebration date.

Cardiac Aid is the International philanthropy of Alpha Phi, and collegiate and alumnae members annually contribute monetary and volunteer support to local and national heart agencies.

St. Louis area Alpha Phi members sponsor a Heart Lollipop sale in January and February to "Help Kick Heart Disease" with proceeds benefitting children heart patients and St. Louis Children's Hospital. A check for \$1,160 was presented to purchase a continuous intra-arterial oximeter, a new machine that monitors the oxygen supply in the blood during open-heart surgery in young children.

Courts Likely to Decide County Tax Charge Issue

By RAY SERATI
Copley News Service

Springfield—It looks as though the final determination will have to be made in the courts as to whether or not counties will be able to levy a service charge to the local taxing districts for tax collections.

Prior to the 1970 state constitution, counties were allowed a fee on taxes collected for the local taxing district. This helped bring in a great deal of revenue for the county government. But then when the 1970 constitution became effective this fee program for the counties was abolished. Needless to say it left a large hole in the revenue structure, especially in the downstate section of Illinois.

The General Assembly tried to work out some type of an agreement which would have allowed the establishment of a fee schedule. However, the bill had rough sailing because of some wranglings. But actually the bill is still alive. However, it is doubtful that it would be called for action when the General Assembly returns to work on Nov. 26.

Meanwhile, some counties have passed service tax ordinances. They are using this as a basis to charge fees or service tax on those taxes collected for the local taxing districts. Of course this action on the county level has brought about suits in the various courts by the local taxing units especially school districts.

One of the cases apparently will be brought to the Illinois Supreme Court. Illinois Atty. Gen. William J. Scott ruled some time ago that he felt the passage of a serv-

ice tax ordinance or entering a contract with other taxing bodies in the collection of the tax could be unconstitutional. Scott maintained that this could be done only as provided by law or by a county ordinance which had been authorized by state law.

Those opposing the service tax program maintain that neither of the two above cases have taken place as yet. They maintain therefore it is unconstitutional.

So it appears the question may be headed for the courts, unless the General Assembly in some way determines how it will pass a law to take care of the situation.

Four Juveniles Held In Stolen Car Case

Venice police, assisted by Madison officers, arrested four juveniles—three boys and a girl—while they were driving a stolen car during the weekend. Police said the juveniles, a girl, 16, a boy, 16, and two 15-year-old boys, are of Kansas City, Kan. All were turned over to Madison County juvenile authorities and were held in the county detention home.

ASSORTED TOOLS STOLEN
George Crisler, 2443 Edison Ave., reported this week that two large tool boxes containing an assortment of tools were stolen in a burglary of his garage. Entry was gained through a window.

HITS PARKED CAR
An auto parked at the home of John Falsette, 1324 Madison Ave., was struck during the weekend by an auto driven by Mary J. Barnhart, 1628 Sixth St., Madison.
